B. F. WILLIAMS D. L. EATON S. RIDDLE RUSSELL S. RIDDLE & Co., EDITORS and PROPRIETORS.

It produced greater men, better men intellectually, morally and physically before the revolution than it has since. We have never found a fellow of Washington; we have yet to produce another man in whom the elements so fitly joinanother man in whom the elements so filly joined as in Jefferson the statesman, the naturalist,
the man of science and of almost universal attainment. Sherman the shodmaker, Green the
blacksmith, Henry the orator, Putnam the farmer and a host of such were a growth of the colonies. Webster and Clay studied in the school
of men of the latter part of the colonial cra.—
Since there for a life of the colonial cra.—
Since there for a life of the precious promises of the halve avend.

This is a constant the storage distributions. In our
well-meant sympathy for the benighted "worshippers of wood and stone" of distant climes,
we send insistonaries asseng them, charged with
the dissemination of the precious truths and
the glorious promises of the halve avend.

We shippers of wood and stone of distant climes,
we send in sistence that the colonial cra.—
the dissemination of the precious truths and
the glorious promises of the halve avend.

We shippers of wood and stone of distant climes,
and the purchased some the statement of the stone in the stone that this can halve a model of
the dissemination of the precious truths and
the glorious promises of the halve avend.

We shippers of wood and stone of distant climes,
and the purchase of the stone to the stone that the state of Since these two statesmen died, what have we found? Eighty-one years have passed since the Declaration of Independence and we have had it proclaimed on the floors of Congress that the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of the sandy plains of Arabia—to the very heart of allities." We have had a solemn declaration of the Supreme Court of the U. S. through a man occupying, the seat once graced by the crudite and accomplished, the just and eloquent Marshall, there was none who could be found that "a man of the African race possesses no willing to stretch forth his strong arms and the strong arms are the strong arms and the strong arms and the strong arms and the strong arms and the strong arms are the strong arms are the strong arms and the strong arms are the strong ar perfect a hatred that he hissed on his blue-backed | tiny in reserve for them-were rushing unconjanizaries with loaded muskets and fixed bayon- sciously to their moral and social destruction

tes to do what cost Charles the First his head
for attempting in England, more than two hundred years ago, and what Cromwell was the last
man successfully to carry out there. Ay! even

It is evident, from all that can be learned of book, and have some one parties and the headers of the presented of the presented church, to which they will be some for large and for a blow from a which both over the left car, and the grand amphibous explicit of this century—the naking of the presented church, to which they series and confort that strangers might post by the humanistic and suffering a parties fresh from simplifient and borning from the white heavy to treat the strangers might post by the humanistic and suffering and surface brown with a strangers might post by the humanistic and suffering and surface brown with a strangers might post by the humanistic and suffering and surface brown with a strangers might post by the humanistic and suffering and surface brown with a strangers might post by the humanistic and suffering and surface brown with a strangers might post by the humanistic and suffering and surface brown with a strangers might post by the humanistic and suffering and surface and bearing its surface

that; we have moral deterioration to mourn over;

Let us, however, on this day, while acknow-inhospitable region of country where even Na ledging these lamentable fallings-off, these terrible scenes of demoralization which the last who pollute the soil with their crumes. three years have witnessed, rejoice in what of good is left us, and trust that he who drowned Pharach and the haters of liberty in pursuit of their Fugitive Slaves, in the Red Sea, will not enve or forsake those who cling to the faith of the Fathers, and repeat this day from the heart: "ALL MEN ARE CREATED EQUAL AND ENDOWED WITH CERTAIN UNALIENABLE RIGHTS; AMONO THESE ARE LIFE, LIBERTY AND THE PURSUIT O

HAPPINESS." who follow the lead of the New Orleans Delta, di Charleston Mercury and Rickmond South, are icidal intent.

There was scarcely any man in Massachusetts who enjoyed more personal popularity than Rephen C. Phillips, and his sudden death on the ill-fated steamer Montreal spread a deep sorrow over the city of Salem, of which he was sorrow over the city of Salem, of which he was a recident. He was buried in that place on Tuesday last, the people of the whole city furning out to escort bis remains to the grave. During the Raylon Sonare was a recident of the whole city furning out to escort bis remains to the grave. During the Raylon Sonare was a recident of the whole city furning out to escort bis remains to the grave. During the Raylon Sonare was a recident of the whole city furning out to escort bis remains to the grave. During the Raylon Sonare was a recident. There was scarcely any man in Massachusetts ing out to execut his remains to the grave. Puring the funeral exercises in the Barton Square church, while the pastor, Roy. Mr. Thompson, was offering the closing prayer, he became so overpowered by his emotions that he suddenly fainted in the midst of his prayer. The entire comet come and strike the earth. When Brigham Young chooses to say the word, then will the comet come and strike the carth. scene of the funeral is described in the Boston

the dissumination of the precious truths and the states part of the colonial era.—
the these two statesmen died, what have we had? Eighty-one years have passed since the dissumination of Independence and we have had laration of Independence and we have had plains of Arabin—to the extended that at declaration is a self-evident lie." See seh of John Pettit, of Indians, in the U. 8.

Africa—and to the abarigines of our own highly considered the self-evident lie." See seh of John Pettit, of Indians, in the U. 8.

Africa—and to the abarigines of our own highly considered the self-evident lie." See seh of John Pettit, of Indians, in the U. 8.

Africa—and to the abarigines of our own highly considered the self-evident lie." See self rtal Declaration of the Son of and the insane, for whose comfortable and hapour Colonial Era is a "string of glittering gener- py condition no means at our command remain We have had a man in that national executive dred human beings -our brethren in the right chair once occupied by Adams the Just, and of the Common Father of Mankind, who, with Washington the Great, who hated liberty with so | child-like ignorance in regard to the awful des

the throne of Louis Phillippe went down like a his operations in Europe, that Crowley did not pasteboard box before the indignant French for proach to his followers there, Mormonism as it is daring to attempt the dispersal of a meeting of proached and grantford in Utah. Its social Frenchmen though the citizen king was acting enormities and its barbraous coremonies were under color of law at least; and the present studiously kept in the background, and hi bestard Emperor can only mussle the press and proselytes doubtless will be permitted to remain on trample out the sparkles of freedom when back- ignorance until the horrible truths will burst uped by an army of 600,000 men. We have had on them after they shall have crossed the plants a peaceable meeting of American citizens dispersed by 100 hirelings, most of them ignorant of the "Saints" and "Elders" of the so-styled mols, and have found a party ready to say "Latter Day Saints" When they shall have aman! great is the Democracy of Slavery! Less been plundered of their funds—broken down in than half a contury ago, we had the Constitution's spirits and in health, and bound hand and topt

he have been on Earth and how great his reward we have to look back to "days of ancient gran- in Heaven. The crown of the Martyr who had deur" when the mild and courtly Lea, the spot-less Macon, the elequent Ames, the genial Master would not be brighter or more dazzing Muhlenberg, the chaste and careful Gallatin, than the one worn by this Good Samaritan and the learned and thoughtful Madison held But no one has sought this great honor, and to places in this republic now filled by the mandlin this indifference more than five hundred human scoffing of a Douglas the drunken rage of a beings, the tenants of once happy German Savage and the plastic inconsistency of fellows homes, from which in an evil hour they were who win by fraud what is denied to oven medi- lured by the voice of one of the most falsenmong false prophets, have been doomed to death in a

> THE WASHINGTON RIOTS -- JUST SENTENCE .- Three of the persons engaged in the late election rules of the persons engaged in the late election rules in Washington City, have been tried, converted, and each sentenced to pay a fine of twenty dellars, and to undergo an imprisonment in the county juil for the term of one year. Such punishment as this will bring election riots into discredit, even with Ping Uglies.—Phil. Ledger.

The court which inflicted this sentence is th same one which acquitted Herbert for killing at Irish waiter, and which imposed a nominal fine on Brooks for his murderous assault upon Sun ner. It is evidently a greater crime in its eyer The political extremists of the South-the men to get up an election riot than to kill a man in s eputable brawl or assail a Senator with hom

Charleston Mercury and Rickmond South, are beginning to organize against Mr. Buchanan's administration, and to lay the foundation of a Southern Sectional party, distinct from the Democratic party. Forgotten in the North and abandoned by the South, where Il the Administration find its support? As an indication of ef the spirit of the new crusade, we quote from the N. O. Delta:

We have suggested, from time to time, tentative expedients for reconciling the salvation of the South with the preservation of the Union. We accept the belief of the Charleston Mresury that the fullity of them now stands apparent those that are practicables are insufficient, and those that are sflucient are impracticable. What remains then? The fororunar has been crying in the wilderness long sounds the way, from their great and growing love for military display. The late visit of the National States of the Sudra and lesses; indeed their papers are not yet done admiring the corps. And then the more done admiring the corps. And then the more visit of the Light Guard to Rowsport, their parade along their charmains streets called fourther and the present parties cannot rave the South. Presignate and the present and the present and the present parties cannot rave the South with the preservation of the Union. We accept the belief of the Charleston Mresure of the Matton of the military and the great and growing love for military display. The late visit of the National South of the South with the preservation of the South with the

bls are insufficient, and those that are sinucient are impracticable. What remains then? The foremular has been crying in the wilderness long enough; the way has been erring in the wilderness long enough; the way has been erring in the wilderness long enough; the way has been straight long enough; the wild only is wanting to make Bouthorn Rademption sure. National parties cannot rave the South; Presigents and Chaineas, and their Kansas programmes and procent sale cannot save the South; Presigents and Chaineas, and their Kansas programmes and procent sale cannot save the South; Presigents and Chaineas, and their Kansas programs are the distances.

Let them was the South was the southern pressent the south of the corps of National Party! I matters not. Let National Party look after its quick or dead body, if it shoose; but the Bouth must look after her own life the shoose but the Bouth must look after her own life the shoose; but the Bouth must look after her own life the shoose; but the Bouth must look after her own life the shoose; but the Bouth must look after her own life the shoose; but the Bouth must look after her own life the shoose; but the Bouth must look after her own life the shoose; but the Bouth must look after her own life the shoose; but the Bouth must look after her own life the shoose; but the Bouth must look after her own life the shoose; but the south must look after her own life the shoose; but the south must look after her own life the shoose; but the south must look after her own life the shoose; but the south must look after her own life the shoose; but the south must look after her own life the shoose; but the south must look after her own life the shoose; but the south must look after her own life the shoot and all the shoot and the shoot a
