aboro Sixth, Philadophia. THERE are men who hold that it is impossible to do st disinterested action except from an interested motive-for the sake of admiration if for no grosser gain. Doublies they are also convinced that when the san is showering light Troug the sky he is only doing it for the purpose of being admired and praised. But there are no men within the width and length of this city, who will dispute the fact that all persons who are thirsty should stop in at Charles II. Soper's, corner of Penn and St. Clair streets, and quench their thirst at his silver Sola Fount.
