to support General William F. Packer for the State Senate, in 1849, for the reason, as they said; that "he was a rascal, and that he had cheat-ed the State." judge in all things | on as occasional point? The Press owes a duty to itself as well as to the people, and were we to-day forced to establish a newspaper in

The editor of the Centre Democrat, (then a Great Salt Lake City, we would feel it our duty Locofoco paper,) would not hoist the name of William F. Packer to the head of his paper, as a candidate for State Senator, until he was forced to raise our voice against the crime of polygamy, notwithstanding the hus and cry might go forth that we were untrue to the best interests of the

William F. Facker to the head of his paper, as a candidate for State Senator, until he was forced to do so by some of his patrons threatening to discontinue their papers. When General W. F. Packer ran for the State Senate, in 1849, horeceived but about fifty rotes, out of two hundred, in the borough of Belle-fonte, the Locofocos generally refusing to sup-port him for the reason that he had robbed the State. The average Locofoco majority in the borough at that time was about twenty. We give the above facts for the benefit of hon-est roters throughout the State, which facts we are ready to prove at any time. If Locofoces re-fused to support Mr. Packer for State Senator, in 1849, because he cheated the State, can they now consistently support him for Governor :community in which we were living. Better, ten thousand times better were it that every press in the world were destroyed—that the very use of letters were abolished, that we were returned to that state of barbarism in which the invention of printing found mankind, than that it should out loose from all principles and left to

float wide upon the changing currents of popu-lar favor, roady to defend to-day what it condemned yesterday; ready to proclaim the villain of last week the hero of this. In clear questions of last week the hero of this. In clear questions af justice, in cases where the right way is plain We think not.—Bellefonte Whig.

of justice, in cases where the right way is plain before our eyes though it be a hard and thorny path, we will tread it boldly and fearlessly. In the long run we have always hitherto found such a course the safest, the most prudent and even the most politic. his claim as owner of the bark, and finally h

most politic. Is IT NOT SO !-In 1854, when Fernando Wood was first presented as the democratic candidate for Mayor of New York, leggl documents were produced which demonstrated that that indivi-und was both a forger and a swindler. Such developements might well have caused dismayto and the British officers in whose custody the. but was sent to the United States. Hoputs in a claim for \$15,000, to cover a charter for six a claim for \$15,000, to cover a charter for six a claim for \$15,000, to cover a charter for six a claim for \$15,000, to cover a charter for six a claim for \$15,000, to cover a charter for six a claim for \$15,000, to cover a charter for six a claim for \$15,000, to cover a charter for six a claim for \$15,000, to cover a charter for six the future expenses of vindicating his claim to the treased. An order for the arrest of Liceutenant the future expenses of vindicating his claim to the vessel. An order for the arrest of Liceutenant bail fixed at \$15,000, Up to a late hour yes-terday the warrants had not been served. Mr. Tuesday." This cover was pottling, the case in the Dist. It was sent to be served. Mr. Cover a charter for six and indemnity from the British Government. -N. Y. Times.

 And angering in y success as in the problem of the process of the pr democratic party. There are, to our certain nowledge, a great many worthy and good men in that party, who would never suffer themselves wilfully to do a wrong thing; but, as a party, its members very generally rally to the support of its nominees; no matter what charges may be current affecting their moral character. The degent and respectable members of the party have a knack of disbelieving all such charges and ignoring tho proof of them as political fab. the support of the sum of them as political fab. the support of the sum of the support dollars year as sum of more than *ffly million* dollars was sent by Post Office orders.

rications of the enemy. Hence, in a general THE editors of the New Orleans Picayune hav The editors of the restriction of wool from the prairies in The most vulnerable point about a democratic candidate is his political orthodoxy, and we defact the fractional fraction of the prairies in Texas, which is equal in quality to best import-ed Saxony. It comes consigned to Messrs. A B. James & Co., who, being largely consigned in the Texas trade, say that in a few years the "Star Campbell, Diorce" Postmaster General, was alter a start and the say that in a few years the "Star State" will furnish more wool than any of her alter way, Fernando Wood was right. Campbell, Piorce's Postmaster General, was sisters.

aisters. BEV. Dn. TYNG, of New York city, is making a great nothe in England—parsonally, theologi-cally and about every other way. He was one of the great guns at the recent anniversary of the Evangelical Alliance in London, and made a speech there, in the course of which, it would appear, he handled the High Church Episcopa-lians of the United States very roughly. defeated in 1851, when a candidate for Supreme Judge, by some ten thousand democrats who sed him because he was a Catholic; and the same prejudice (or fear of it) is said to have operated against the nomination of a prominent apirant from the West for nomination at the hands of the late democratic State Convention

nanus of the Judicial ticket. But above and weyond this, any suspicion of pollitical heterodoxy will kill a democratic candidate almost as certainly has a stroke of lightning. Show that he is op-posed to the extension of slavery or hostile to the Cincinnati platform, and it will be belleved much more readily than the legal proofs which hold of by the sinking."

showed Fernando Wood to be a forger and awindler.

WHAT THEY EXPECT OF THE DEMOCRACT OF THE NORTH.-The Bichmond Sequerer, speaking of the Presidential content in 1860, says: "South-tern men of all parties are as true to the institu-tion of all are are set true to the institu-tion of all are and the to "the Dem-or mobher to her child," and that to "the Dem-mention of the North they look, as Napoleon looks

ocracy of the North they look, as Napoleon look-ed for Grouchy at Waterloo," to give them the
