Carriette (Light Hands of Party

be content with his champion. Gov. Walker's Course in Kansas.

In our telegraph columns on Saturday we announced that Gov. Walker, after all his honical words and plausible professions, has at length taken a s'and in favor of the bogus laws of the favor of the bogus laws of the favor of the bogus laws of the favor of th territorial legislature, which was created by the votes of armed ruffians from Missouri. The announcement will not astonish the friends of ferson: if the legislative department shall ignore or Freedom in the North as much as it will astound that portion of the so-called democratic party, who were induced to cast their votes for Mr. Buchanan, on the assurance that his sympathies were with the free-soil men of Kansas, and that were with the desired success for them. This is do for Walker, under the instructions of the government of its first principles, to its origin parity. May this institution furnish, from amount of Walker, under the instructions of the government at Washington, as it no doubt is, must cause the scales to drop from their eyes, and at the same time convince them that in the attention of the same time convince them that in the same time convince the same time convince them that in the same time convince the same time con substitution of Buchanan for Pierce there was We are sorry for Douglas and his crew. The only a change of men, and not of principles. In strict adherence and abject submission to the them exceedingly. The Declaration of Indeslave power, in its crusade against free principles, there is no difference between the two, and as anything more than a "sounding generality, the sooner the country is made acquainted with this lamentable truth, the better. Walker in proclamation expresses a determination to nut down opposition to the territorial laws by force, and warns the citizens of Lawrence not t organize under the Topeka charter, and-acfor inciting other towns to do so. We await with the most intense anxiety for further advices from Kansas, where this course of Gov. Walker cannot fail to produce an unusual state of exers and their descendants, and the Pennsylvania chiament, amongst the free State men of that territory, who have endured so many wrongs the Dred Dcott decision, which plainly and in heretofore, although in an acknowledged majority. The stationing of a force of United States troops in the territory for the ostensible purpose of backing the Utah expedition, is n doubt really designed to sustain Walker in his on to enforce on an unwilling people a code of laws, that would even disgrace an absolute despotism,-a code of laws that leading

land sales took piace on the last of June, embracing about 100,000 acres, four-fifths of which were taken by squatters. Sections not claimed by squatters sold on an average at about \$3,00 per acre. The Leavenworth correspondent of the Cincinnati Times in noticing the sales, says: "Grov. Walker and suite have been present, until within the last day or two, and it is reported that he, in connection with ox-Governor Bigler, of Pennsylvania, has bought twenty thousand acres of timber land in that vicinity, of the Ledians, subject to the approval of the authorities at Washington. Gov. Reeder, as all contents of the Constant of the Cons o"Gov. Walker and suite bave been present, until within the last day or two, and it is reported that he, in connection with ox-Governor Bigler, of Pennsylvania, has bought twenty thousand acres of timber land in that vicinity, of the Indians, subject to the approval of the authorities at Washington. Gov. Reeder, as you will romember, was removed, ostenaibly for speculating in lands; and we shall now see whether what was sauce for the goose is to be sauce for the grader."

democrats, of Southern proclivities "denounce

as tyrannical and oppressive, and incompatible

sauce for the gander." THE "national" democratic candidate for ongressional delegate in Kansas is EPAPHEODIrus Banson, a Michigan doughface, who has been less than \$100,000. Strawberries are or all sides of the Slavery question, beginning must be coming one of the great staples of agricultural industry in this part of the country, with voting for the Wilmet Provise and ending with being an ultra proslavery man. The

a remark is not only "petty," but displays a degree of party rancor, which cannot fail to receive the condemnation of every candid mind. The scheme is well laid, but there are many con-We may have used strong terms in our remarks tingencies between it and success. That there in reference to Mr. Packer, for such only is the will be an exciting time in Kansas, for a while, language fit to be used in writing of a professional place hunter of the worst species, and a of Pennsylvania get sufficient light to disenchant unworthy of a high and responsible trust, and ridge and Free Kansas," the President will find will give the but a poor recompense for the loss of Pennsyl-

THE WAY TO INSULT A DEMOCRAT is to quote any of the free sentiments of the revolutionary plaining that Senator Dovolas was insulted on the 4th of July by one of the speakers at the laying of a corner stone of a University in Chisatisfied with its candidate, Mr. Packer should cago, at which Douglas was present. The "insult" complained of consisted of the following

mpt on the Declaration of Inda

memory of Washington and Jefferson troubles pendence" mortally offends them, if mentioned and when a speaker stands in view of the great Prairie City, and speaks of a "Free North-west, and the blessings of 1787, the Democracy i

To Ask how is it possible for foreigners to acquire rights under the Constitution, if it was not made for them, shows that the Gazette sees through the "glass darkly" of stubborn prejudice, for the Constitution itself points out the way through the Naturalization Laws.—Pennsylvanian.

Then the Constitution was made for foreignunites with us, to that extent, in condemning unmistakable language says it was not made for

THE Boston Post has the following lachryquartain, which excites our deepe

pathy: -"The poetical days of Lord Byron, We endeavor in vain to recal Instead of the Bride of Abydos Our bride can't abide us at all."

SURE ENOUGH!-The Lawrence Republic as tyrannical and oppressive, and incompatible with a republican and constitutional government. The last hope of the most sanguine friends of free principles, in regard to the course of the Buchanan administration has been thus destroyed. All now must admit that the only trust of the opponents of Statery extension, must in the future" be reposed in the Republican party.

Gov. Walken, it seems, is proving the charge made against him that he went to Kanasa as the agent of a giant land speculation. The "Wea" and the set took place on the last of June, embracing about 100,000 acres, four-fifths of which

The Paterson (N. J.) Guardian states that it is probable that the gross receipts in the counties of Passaic and Bergen this season for strawborries alone, have amounted to a quarter of a million of dollars. The value of those shipped to New York by the Eric road can hardly have been less than \$100,000. Strawberries are rapidly becoming one of the great starles of ag-
