Carriages.

JOSEPH WHITE'S
Carriage Repository.
JOSEPH WHITE NOW CARRY-ing on business in his spacious premises, (now lately enlarged,) between Pittsburgh and Allegheny, near the Two Mile Run, respectfully invites the public to inspect his stock of CARRIAGES, BUGGIES, &c. And he particularly informs *gentlemen purchasers*, that one price only is made. Fourteen years' experience in the business, enables him to place before his patrons the same choice collection of Carriages, which so many years past it has been his particular department to select from the various and most talented Eastern Manufactures. The success of his new system is complete; the economy of his arrangements will supply the best and most fashionable manufactures at moderate prices.

Unencumbered by those heavy expenses, which the *mania* for decorating Houses of Business, has heaped upon the price of Goods, (owing to large rents,) Joseph White will sell on *ready money only*, at much less than the usual profits.
