PROBLEMS.—On the 22d instant we inserted in our plumns a problem in relation to a classifier of the columns a problem in relation to a circular plot of ground, to which we have been receiving answers ever since. Some of them are givon us in full, and one which now lies before us occupies just cone half a sheet of foolscap paper. The answers all agree, of course, as the proposition was a very simplo one and the answer, definite.

THE'COURT .-- On Saturday Judge M'Clure refused In a court - our saturary dange M clute reinset its application for a new trial in the case of Mrs. Harper, of Lawronceville, convicted of adultery a month or more since. The rearons assigned for the refusal will be entirely satisfactory we presume to everybody. They were, that she had received a fait trial already at the lands of an intelligent jury, and no fault is found with the charge of the Court even by the gradieman asking for the part trial. The Court by the gentleman asking for the new trial. The Court even has not yot delivered its contence in the case. It is a thing to rejoice at that this tid-bit of smut and gar-bage is not to come on again to offend the eyes of the public.

public. In the Court of Quarter Sessions, Mr. Coyle made application asking for the release of Ellen Doak, now in Jail as a witness in the case of Commonwealth ra. James P. Jones. The ground of the application was that this woman is suffering with a namelees diseaste and ngeds purer air tinn sho breathes in the juil. The judge thought she would be safer and is baying better medical attendance where a be is, than she would have in case of a release. So she remains there as letter.

Dill was before the Mayor Staurday, charged wilh violating that sec-tion of one of our eity ordinances, which imposes a penalty of from \$5 to \$25 on any owner of any flat-boat, steamer, raft, &c., landing at the Allegheny wharf, who referes to fasten his oraft or remove it to such point as the Wharf Master may designate.-Mr. D., it appears, had a flat pulled up at the wharf at a particular, point, for the purpose of taking on a freight car for the P., Pt. W and C. R. R., for the transmission of which to a point on the road a few miles below the city he has the contract. About the same time Mr. Lowrie came up with two barges, and beliering Mr. Dill's flat in his way, he applied to Mr. Patterson, wharf-mastor, to have it remored.-Mr. D. yearo his orders to that effect, and Mr. D. re-furing to comply with them, suit was instituted be-fore the Mayor for the recovery of the penalty. His honor, after hearing the testimony of several wit-nesses, fined Mr. Dill \$5, as having violated the section referred to. MA. D. paid the costs, and will take the matter to a higher court.- Ere.
