As no color prevents from this preparation, the glove can be worn *immediately* after it is cleaned. With a piece of flannel, apply a small portion of the preparation very lightly, and the dirt will instantly disappear. It is the utmost praise to the Kid-Glove Manufacturers of France to impart that purity, detail and softness for which their gloves are so justly celebrated. It cleans all kinds of kid leather and colored kid gloves elegantly. It is also an excellent article for the toilet and for beautifying the complexion, removing tan, pimples, &c., far exceeds in excellence any of the thousand and one preparations usually sold for that purpose. One trial at the trifling expense of 25 cents will convince any one of the value of the article is all that it is claimed to be.
