

The County Fair.

The day yesterday was as gloomy as the previous one... The grounds are in fine state order...

And so we begin at the beginning... The first thing that attracts the attention of the visitor...

Drain ditch, which has received many premiums... It is exhibited by J. D. Dence...

Mr. W. H. Strain of Greenburgh... He has one exhibit on exhibition that is of most excellent workmanship...

Mr. C. W. Carroll, No. 228 Penn street, has on exhibition the above machine... It is perfectly adapted to the end for which it is built...

Mr. J. M. McLaughlin exhibits specimens of patent leather that are exceedingly fine... They are in various and brilliant colors...

Mr. C. S. Beck, corner of Hand and Penn streets... He has a number of fine specimens of the most beautiful eye saw...

A wonderful piece of workmanship, indeed... The work-table is so neatly made that it appears upon its top...

M. L. Wright & Co. of Cleveland, have a case of artificial teeth on exhibition... which were on exhibition cases of...

Manufacturers of leveling instruments, transit, surveying compass, etc., at 35 Fifth street... exhibit some elegant specimens of their...

It is first at the right with the rich display of penmanship... pen-drawing, etc. The commercial resources of Africa...

Mr. Wykes has a fine case of Ambrotype Photographs... Daguerotypes and Sun Pictures... He has on exhibition the above machine...
