bondman, the degraded African who goes securged to his toil. The labor of white men is thus degraded, and the mechanic and furmer fored to work for a pittance side by side with the black man who is boy, ht and sold like the ox, or to flee to inhospitable climates where stern nature for-bids this tropical chattel to flourish. The case is parallel with regard to home labor with respect to the toiling thousands of our cot-ton and rolling mills. It is true, the African stare is not the competitor of the men who were but a month since at work in our mills, but the ill-paid laborer of crowded Europe is made your competitor, laboring men, wherever you are to-day." manufacturing establishments in that vielnity that have scopped altogether, or are working half time, adds this comment:
 The stoppage to these works is the stoppage of food and clothing and fuel to thousands and thousands of people, through the channel of the stoppage. too is upon the eige of a long and crucel winter. What suffering there is in store for American labor, all can divine. No policy could have averted so much of the existing mou-atary pressure as is due to bad investments in unprofitable and unfinished railroads and specu-hative purchases of land in (the existent wetter, framed to protect and foster American labor, instead of that of Europé, our working men and women would not now be standing idle, medicat-traders.
 Twe Cause or our Thousacs.—If any one wishes io see, at a glance, the real cause of our monetary troubles, let him read the annexed statement just made by the N.Y. Custom House A quarterly statement, issuing from the Case tom House of this port, contains the following statements:
 The cash duits rec'ddur'g the gdar-ter craining Stept. 30, mounted to \$12,820,000 " exports of the spect, on 10,800,000 " exports of the spect, on 10,800,000 " exports for the same time, 71,250,000 " exports of merchandise do, 16,800,000 " exports of spected to \$12,800,000 " exports of merchandise do, 16,800,000
