If the Post is prepared The Legislature, too, is largely Republican. The to follow out its own logic it ought at once to advocate the policy of making Pennsylvania a le thing is a grand victory, and Locofocoism Slave State. That paper will be false to its and Gardnerism are wiped out in that State with convictions if, entertaining the sentiments we have quoted, it does not at once make war upon the same sponge. our free society and advocate the substitution of THE TAX COLLECTORS .--- The tax collectors of

the county, at their late meeting, came to no conthe honesty to follow out its utterances to their on as to the course they would pursue under proper conclusion, or are they mere hypocritical bombast, designed to tickle the ear of the the directions lately issued to them by the Com-We are not able to say, of course, what legal South ? Let us have a straightforward answer. difficulties may be in the way of compliance with No shirking or dedging behind the bush.

those directions. If the collectors cannot legally RAILROADS .- We have in the United States or with safety to themselves and their bail folabout 24,746 miles of Railroads in operation. r out the instructions of the Commissioners, which cost \$856,660,000, or about \$35,000 per "they should not, of course, do anything that mile. In 1855 Great Britain had 8295 mile On that point they should seek the best legal which cost \$1,487,916,420, or \$179,000 per mile. In 1856 France had 4,038 miles, costing counsel and be governed by it.

But, if the way be open to them, legally and \$616,118,995, or \$162,000 per mile. The Unisafely, we think they ought to comply promptly ted States government granted to various Rail with the orders of the Commissioners, and collect and pay over but four mills on the county Railroads in operation, 2,869. New York has assessment instead of eight, and our advice to them, in that case, is to do so. There can be no question that the public-voice of the county is for a state of the state of the state of the county is for a state of the state of

against the payment of the eight mill tax, and Georgia 1,092. In the Free States there are that the people are determined to pay no more interest on railroad bonds until the matter has States. been adjudicated by the Supreme Court and the A JESUITICAL DISPATCH .- The report that the liability of the county definitely settled by that President intended to remove Walker and Stantribunal. We are content, as we always have ton was doing the Nigger Democracy much harm been, to leave the matter to that court, and to in New York, and the leaders plied the President

for a denial of it. The following is the Presbile by, its decision. This has been our position, from the start, and we intend to adhere it. ident's answer, as it appeared on the day of election in the New York papers : IT is decides that the county is not liable, there will be there can be, no effort made to pay what "Washington, Nor. 2d, 1857-To Hon. D. E. Sickles :- There is not a word of truth in the removal of Walker and Stanton." "J. BUCHAMAN." we are not legally liable for; and if it decides that the county is liable, provision can as well

be made for meeting the liability then as now. To nitempt to collect the eight mill tax in the This is simply a denial of what was never alleged. The report was, not that Walker and face of the public sentiment and the orders to Stanton had been removed but that they would the contrary of the County Commissioners would, be; and the President merely denies that he had it seems to us, be suicidal folly and madness. At the same time, it is no less the duty of the removed them. He was careful not to deny the

Commissioners to remove whatever legal diffi- report really in circulation. culty may be in the way of the collectors, and AMUSEMENTS .- A correspondent of the N. Y save them and their bail harmless from the legal consequences of the order that has been issued Tribune, writing from Washington, says that the to them. When this is done, we have no doubt custom of shooting pistols, carbines, etc., in the the collectors will at once comply and carry out that one might imagine a skirmish to be going on

pliance orght not to be expected under any other between the outposts of hostile armies. On Sur day night things were better however. The writer

Diskit a Grand Strain S I can truly say that I have been a sufferer for many years

7. JAMES M'AULEY, President of Select Council.

I can truly say that I have been a sufferer for many years with whites and demoged-menstruation. After a while I had other troubles, such as pile face, hullgestion, wating away, general languor and debility, pain in the small of the back, a wort of aching and dragging sensation, pain between the shoulder blade settending down the spine, loss of appe-tits, trouble in the stomach and lowels, with cold hands and feet and dragful nervouenes. The least occilement would make me feet as if I should fly away. I trioddectors and drucs, and everything, one after another, without the beardit. One hords of MARSHALL'S UTERINE CATHOL-ION changed some of my symptoma for the better, and one't fam entirely and radically current. I with that every woman could know what it will do.
