Bittsburgh Guzette. STATE BY ROSE:

WEDNESDAY MONINGS, NO. NO. 11, 1867.

WEDNESDAY OF THE CITY-US.

THE NEARLY—The SAYING WAS grown as well of for party of the purpose of making at should 1 of common and the purpose of making the florough common and the purpose of making the court, there is no probability of the purpose of making this control to the court, there is no probability of the purpose of making the thorough court of the purpose of making the thorough court of the purpose of making the thorough court of the purpose of making as well as a week a great whiter of dinneter and gloom looming near, three dinneters of the purpose of making as well as the perfect of the purpose of making as well as a week a great whiter of dinneter and gloom looming near, three dinneters of the purpose of making as well as a weak and forther up the purpose of making as well as a weak and forther up the purpose of making as well as a weak and forther up the purpose of making the thorough the court, under the lose of the purpose of making as well as a weak and the purpose of making as well as a weak and the purpose of making as well as a weak and the purpose of making as the purpose of making the thorough the court of the purpose of making as well as a weak and the purpose of making as well as a weak and the purpose of making as well as a weak and the purpose of making as well as a weak and the purpose of making as well as a weak and the purpose of making as well as a weak and the purpose of making as well as a weak and the purpose of making as well as a weak and the purpose of making as a well as a weak and the purpose of making as a well as a weak and the purpose of making as a well as a weak and the purpose of making as a well as a weak and the purpose of making as a well as a weak and the purpose of making as a well as a weak and the purpose of making as a well as a weak and the purpose of making as a well as a weak and the purpose of making as a well as a weak and the purpose of the purpose of making as a well as a well as a well as a weak an FITTSBURGH: people and the base several time depth of the people of the several people of the severa Service Servic of trade, there has been a handsome increase in the Passenger earnings for the month, over the corresponding month of last year, as also over September, 1857. T. D. Massier, Auditor.

The Pittsburgh Christian Advocate says:
For the purpose of showing the unparalleled healthness of our highly favored dity, compared with other cities in the United States—indeed we may include the world—we have seen stated the bills of mortality for the month of September of the following cities, as illustrative:—Pittsburgh, with a population of about 100,000, during this month had 104 deaths: while Chicago, with not quite that number, had over 800 deaths; and Brooklyn, with her 200,000 inhabitants, had something over 600; Buffalo, N. Y., with a much less population than this city, shows a bill of mortality of 220. The City of New York averages, each week, this season of the year, over 400, making the large number of 1,600 per month: We might give more illustrations, but the above are sufficient to prove the position we assume.

Thoss who would and a large and well-selectings have responded to the general depression of trade, there has been a handsome increase in the Passenger earnings for the month, over the

The Courts. A VERDICT AT LAST.—The jury in the case of James P. Jones, came late Court yesterday morning at about 9 o'clock. Geo. R. Riddle, CINCISNATI, Nov. 10.—A fire broke out in the Lard Oil Factory of Henry Lewis in Sycamore st. this morning which was completely destroyed. Loss \$10,000. There was no insurance. The rear part of the building was occupied by E. B. Townsend, pork packer, which was slightly damaged. Another fire occurred about the same time in the feed store of B. H. Cort on Western Row, which extended to the liquor store of W. Goorman, which was entirely destroyed with most of the contents. Goorman's loss is \$5000; insured for \$1000.

Directors of this Company, to serve for the ensuing year, will be held at the OFFICE, No. 99 WATER STREET, on TUESDAT, the 10th day of November, 1857, between the hours of 10 A. M. and.1 F. M., oc/Schild

CEMENT REASTIC FIRE AND WATER-PROP

CEMENT ROOF FING.

ARE NOW PREPARED TO CONTRACT AND PUT ON AT THE SHORTEST NOTICE
the above Elastic Pive and Water-Prof Concert Roofing. It being the only article yet invented that will accomply
askit the action of the atmosphere in every climate. IT IS PERFECTLY FIRE AND WATER PROOF. And in point of durability, we believe it tengual, if not superior, to any shabilic Rossing. We can put it on over Old Tu
Tar. Irou or Sitingle Roofs, it making no difference how flat or steep the roof may be. This
Roofing is warranted to prove as above represented. We will put it on for
SIAT DOLLARS PER SQUARE.

We will apply it upon Tin and from Roofs for TWO DOLLARS PERS SQUARE, begon on account of its durability the
themset paint that can be need.

**gg., We invite all who are building, and also those who wish their Roofs Repaired, to call at our office, 133 Third Street,
and examines amples and satisfy themselves in regard to the durability and practicability of this Roofing.

Roofin Street

No. 123 Third street, between Wood and Smatthfield,
Pitzaburgh, Penna.

The composition is not seed but slightly alkaline. It would not destroy use causes, and the brands of the weather.

It is Water Freed, and to a large extent Fire-Preef; that it, sparks and fire brands of ling upon it could not inlu my opinion such a roof will last for years if put on carefully and receiving prompts attention.

Laboratory 76, 123 Waiting street, Cincipnett, Ohio,

Cincinstat Actic Rotal Est. Co., Feb. 6th, 1887. 3

I have examined W. E. Cumbs & Co's Elastic Fire and Water-Proof Coment. Roofing, and as far as I can judge, correct to a good invention, and am willing to insure buildings thus protected upon the same terms as I insure those covered with netal.

[Signed] INO. S. LAW, Agt. Royal Inc. Co., London and Liverpool... Flexible, Fire and Water-Proof Roofing. ADAIR & GRANT, Proprietors,
No. 57 Water Street, Pittsburgh, and P. Peterson's, Allogheny.

THIS IS AN ARTICLE SUPERIOR TO ANY OTHER IN THE MARKET. It is justed extensively in New York and Philadelphia, and is well approved. It is applicable to covering.

Foundries, Dwellings, Warehouses, Bridges, Steamboaks and Railroad Oars. It will last longer than Metallic Roofing or Shingles, and resists the wirous changes of climate-pathine stacted by the heat of damp. Its principal ingredient is of an extraordinary clearife nature, and it never looss this cleaticity. It no be readily applied to all kinds erroofs. Each or steep, old or now, on troot, in or wood. It will not mit warm weather or crack in cold, and it is not injured by being tramped upon.

It is Both Fire and Water-Proof.

32. For further information, apply to the proprietors.
