party that can tolerate irection of thought or speech. A demontal may be a Melliodist, if he chooses; but if he holds an office he must not attend the convocations of his church or lift up his voice in a Protestant gathering; to do so is to endanger the unity of the party. That hat full of men in it, who cannot be grouped under the holds of Romaniam Earnaliam Socieman was claimed by half-a-dora buyers. The shorts full of men in it, who cannot be grouped under the heads of Romanism, Formalism, Socinianism or Infidelity, and who are thus contemptiously spit upon by the Freemar's Journal, ought to be looking out for what little humanity is left to them—if they have any regard for it. DEMOCRATIO POLITICAL ECONONY.—The plan of the Post for remedying our social evils by making slaves of our laborers is a fair instance of Political Economy as it is understood in the Democratic party. The Post points to the con dition of the laboring man here as a miserable one—no work, no break, no shelter, and no one to pily or relieve, tho utmost of our charity
