## Medical.

**A FALSE THEORY EXPOSED.**
THE TRUE REMEDY REVEALED, FOR THE
AFFLICTED AND ADDED TO
MANKIND.

Mankind have long been engulphed in darkness as regards the mysteries of medicine, and of deriving a truthful solution of its power over disease, but its proper use in the treatment of the sick.

Medicine, as practiced by the regular faculty, is a delusion —a bundle of improbabilities and uncertainties. There is nothing in its theories on which the physician can rely as certain or fixed; the results obtained from its prescriptions are doubtful, and in most cases unsatisfactory.

It is a solemn and startling fact, that three-fourths of those who have departed this life" died victims, not to *disease*, but to the injudicious application of this subtle and uncertain theory, as practiced by the regular faculty.

We here proved the utter fallacy of the regular practice of medicine, and the great undeniable truthfulness of the R. R. R., over and over again; for, in a thousand cases, where the regular physicians have given up their patients as incurable, and had in many cases even set the time to only a few short hours, that their victims had to live, Radway's Ready Relief, Regulators or Resolvent, as the case may have been, has restored them dying patients to new life and health.

In the treatment of the sick by the R. R. R. remedies, there is nothing left to chance or uncertainties, for these remedies are so prepared as to posess fixed and healthful operative powers, founded on principles as immutable in their power over disease, as the laws of gravitation over the earth. Its fearful results as to Salivation, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Illiad and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, has in numerous instances proved highly beneficial, and in others effected a decided cure.

Nature finds no new enemy to combat, with this delightful tonic in the system. Its effects are almost magical, yet its cure proves unmistakable. It commences no violent shock to the system, but by arousing its vital energy to normal action, enables it to throw off the cause, and thus thoroughly eradicates the disease.

When its medicinal virtues are so universally acknowledged, and particularly here, where it has become so popular as a family medicine, that it is sold by many of the grocers, as well as by all the druggists, it would seem needless to offer further evidence; yet as there are doubtless some who have tried many advertised remedies, and still suffer from the following certificates, the authenticity of which cannot be doubted, in coming as they do from persons so well known.

WHAT IT IS DOING FOR THE SICK.
Wm. Schuchman, Esq., the well known Lithographer, says: "I have frequently used Dr. Radway's Holland Bitters, and find it invariably relieves indigestion and debility."
Rev. Samuel Babcock says: "I found special relief from its use for a severe headache, with which I had long suffered."
J. W. Woodwell, Esq., says: "I have used Dr. Radway's Holland Bitters myself, and recommend it to others, knowing it to be just what it is represented."
Ald. Jonathan Neely, of Lower St. Clair, says: "I have derived great benefit from its use for weakness of the stomach and indigestion."
Jas. M. Murphy, says: "After several physicians had failed to relieve me, Radway's Holland Bitters removed the pain from my heart and side, arising from indigestion."
The editor of the Kittanning Free Press, says: "After one of the best physicians in this place had failed, Dr. Radway's Holland Bitters cured me of the worst form of Dyspepsia."
Francis Felix, only manufacturer of the original "Extract of Coffee," says: "I have used but your Holland Bitters as one of the best medicines in the world for a disordered stomach or liver."
Dr. Ludwig, editor of the Packet, Baltimore, pronounces it "a medicine deserving the confidence of the public."
Dr. Edenharter, the leading German physician of Penna., has prescribed it frequently during the past three years with marked success in debilitated states of the digestive organs, or of the system generally.
The manager of Ballou's Vinegar Factory, says: "I used it myself, and was therefore induced to try its effect upon my wife, (troubled with the great debility common to all of a consumptive habit,) and really it is doing her more good than anything she has ever taken."
NOTICE.—Whoever expects to find in this a beverage will be disappointed, for it is entirely free from the foul bottle, and a perfect cure is warranted when the above directions are carefully followed.
Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pastures, and along old stone walls, should cure every humor in the system; yet it is now a fact fact. If you have a humor it has to start. There are no if or ands, but common sense and reasonable attention to the future. I peddled over a thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has already done some of the greatest cures ever done in Massachusetts. I gave it to children over a year old: to old people of sixty. I removed tumors from the neck, even those whose flesh was soft and flabby, restored to a perfect state of health by one bottle.
To those who are subject to a sick headache, one bottle will always cure it. It gives great relief to catarrh and disagreeable breath. Some two bottles per week for three weeks, have established a permanent cure. Where the body is sound it works quite easy, but where there is any derangement of the functions of nature, it will require a longer time to restore it to a new person. I heard some of the most extravagant encomiums of it that man ever listened to. No change of diet is ever necessary; eat the best you can get. I have thrown up both, which, when simmered in sweet oil, dissolves scrofulous swelling of the neck and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle.
DIRECTIONS FOR USE.
Adults, one table spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, tea spoonful. As no direction can be made applicable to all constitutions, take enough to operate on the bowels twice a day.

T. KINGSFORD & SON'S
**Oswego Starch,**
[FOR THE LAUNDRY,]
HAS established a greater celebrity than has ever been obtained by any other Starch.
This has been the result of its marked superiority in quality, and its invariable uniformity.
The public may be assured of the continuance of the high standard now maintained.
The production is over Twenty Tons Daily, and the demand has extended throughout the whole United States, and foreign countries.
Working thus on a very large scale, and under a rigid system, they are able to secure a perfect uniformity in the article of quality throughout the year. *This is the great Desideratum in Starch making, and is realized now for the first time.*
The best Starch that can be made, and no other, is always wanted by consumers, and this will be supplied to them by the grocers, as soon as their customers have learned all which is the best, and ask for it—otherwise they cannot be likely to get that article on which the largest profit can be made.
Mr. Kingsford has been engaged in the manufacture of Starch continuously for the last 27 years, and during the whole of the period, the Starch made by his present firm has been, beyond any question, the best in the market. For the last 17 years, he had the charge of the works of Wm. Colgate & Co., at which period he invented the process for the manufacture of Corn Starch.
*Ask for Kingsford's Starch, as the name Oswego has been recently taken by another factory.*
It is sold by all of the best grocers in nearly every part of the country.
T. KINGSFORD & SON'S
OSWEGO CORN STARCH,
(FOR THE LAUNDRY,)
Has obtained an equal celebrity with their Starch for the Laundry. This article is entirely pure, and is, in every respect, equal to the best Sarnia or Canada Starches, having additional qualities which render it invaluable for Confectionery.
Potatoe Starch has been extensively packed and sold as Corn Starch, and has given false impressions to many, as to the real merits of our Corn Starch.
From its great delicacy and purity, it is coming also into extensive use as a Starch for invalids.
The subscriber having been appointed sole Agent for the sale of the above-named Laundry and Corn Starch, will supply the trade at Eastern rates, with addition of Freight.

Agent for Oswego Starch Factory,

AYER'S CATHARTIC PILLS,
*SUGAR COATED,*
AND ADDED TO
CLEANSE THE BLOOD, AND CURE THE SICK,
*Invalids, Fathers, Mothers, Physicians, Philanthropists, Real their Effects, and Judge of their Virtues.*
For the cure of Headache, Sick Headache and Foul Stomach.
PITTSBURGH, Pa., May 1, 1853.
DR. J. C. AYER:—Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing. Yours with great respect,
ED. W. FREELS, Clerk of Steamer Clarion.
*Bilious Disorders and Liver Complaints.*
DEPARTMENT OF THE INTERIOR,
Washington, D. C., Feb. 7, 1854.
SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the Liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *Bilious Disease* so obstinate that it did not readily yield to them.
Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.
*Dysentery, Colics and Worms.*
PORT OFFICE, HARLEM, L.I., Co., Mich., Nov. 16, '55.
DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She has been troubled with dysentery for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time. Indeed, I believe your Pills, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, Postmaster.
