behold! We have only to say, finally, to the Washing-ton Union, that we despise and reject its cen-sorship. When it speaks of Abolition sympa-thes, it should look closely to its own household. We defend a great principle. We oppose no Slave State, fairly made. We resist wrong and fraud, whether exercised for or sgainst the South. We stand by the anthor of the Nebrasko-bill. Is he an Abolitionist? We stand by its 

FROM WANHINGTON - This correspondent of the Triburs telegraphs. Sonator Douglas is here. The breach between him and the President scients likely to widen. His urgent recommendiations of devoted friends for important positions have been treated very carallerly throughout. He asked a first-class Mission for hig lieutenant, Richardson, and ob-tained for him the offer of the Governship of Nebrask. "It is currently reported that his Ohio friend Biendman, who came here strongly recommend ed for an important post, was met by Mr. But chanan with the blunt remark: "Sir, you did all you culd against me at the Cincinnatic or early the structure and the songle both occasioned, replied: "True, Sir, you did all you culd against me at the Cincinnatic or Bay Proving of dynapsia. I would be constructed a single bother early the pro-tered from the surprise which this observation good morning." This systematic rejection of boughas' friends by the Executive may not have provoked the pending schism, but is likely to aggravate it. Richardson is known to be tre-ment against the dodge submission. Senator Douglas is emphatic in denouncing the Kawasa Constitution as violative of the explanation for a single bother early the structure and structure and structure and the structure and and struc FROM WASHINGTON. The correspondent of Special Dotices.

A New Plaronza.—The Washington Union, a few dys ago, published the following most fascinating doctrines: "The Constitution declares that the citizenes of cach State shall be entitled to all the privileges and immunities of citizens in the sevenal States. Forter citizen of an State coming into another the protection of the N V. There says: The Message will express a distinct approval of Universe and the protection of the N V. There says: The Message will express a distinct approval of the semences in the sevenal States. Forter citizen of a such by the protection of the N V. There says: The Message will express a distinct approval of Universe and that property which is now re-property which is now re-trained of the beat opport. If these values are correct—and we believe it the officient to invalidate them—if (Alice wordt be difficult to invalidate the form of the Utab property in abayes, and declares that the citizen and sum and the project, and of the Constitution, nor even intuinon, of the states, which recognize property in abayes, and declares that the citizen and the several States, and one the citizen as in the project of the one state of the conjection of the theory of the constitution wordt be adding the constitution of the theory of the constitution the state that, would not maximonsily reject any man offering huiself with seal to letting and the theory of the constituents. The these doordines are to be convied out in the state of the to indicate the differing to a form and the projec
