T. KINGSFORD & SON'S

PURE

Oswego Starch,

[FOR THE LAUNDRY.]

HAS established a greater celebrity than has ever been obtained by any other Starch. This is the result of its superior quality.

The public may be assured of the continuance of the high standard now established.

The proprietors have a very Yeomy Tone Belly, and the demand is increasing throughout the whole United States and foreign countries.

Working thus on a very large scale, and under a rigid system, they are able to secure a perfect uniformity in the article, without the usual fluctuations. *This is the great Desideratum in Starch-making, and is realized now for the first time.*

The very best Starch that can be made, and no other, is now in the grocers, as soon as their customers have learned of which it is the best, and ask for it—for otherwise they would be likely to get that article on which the largest profit can be made.

Mr. Kingsford has been engaged in the manufacture of Starch continuously for the last 27 years, and for the last 20 years of whole of that period, the Starch made under his supervision has been, beyond any question, the best in the market. For the last 7 years, he had the charge of the works of Wm. Colgate & Co., at which period he invented the process of the manufacture of Corn Starch.

See Advertisement in another column, as the name Oswego has been recently taken by another factory.

Sold by all of the best grocers in nearly every part of the country.

T. KINGSFORD & SON'S
OSWEGO CORN STARCH,

[FOR STARCHING ALL KINDS OF GOODS.]

Has obtained an equal celebrity with their Starch for the Laundry. This article is perfectly pure, and for all of every having additional properties which render it invaluable for the finer articles.

Potato Starch has been extensively packed and sold as Corn Starch, and has given false impressions to many, as to its merits. Call for Kingsford's Oswego.

From its great cheapness, it is coming also into extensive use as a diet for infants and invalids.

Families can obtain it from regularly appointed sole Agent for the sale of the above celebrated Laundry and Corn Starch. We will supply the trade at Eastern rates, with addition of freight.

Agent for Oswego Starch Factory,
Penn Hotel, corner of Hancock st. and Duquesne Way.

Medical.

R. R. R.

A FALSE THEORY EXPOSED.—THE TRUE SCIENCE REVEALED.

Mankind have long been engulphed in darkness as regards the mysteries of medicine, and of deriving a truthful solution of its power over disease, and its proper use in the treatment of the sick.

Medicine, as practiced by the regular faculty, is a delusion and a snare. Its incomprehensibilities and uncertainties. There is nothing in its theories on which the physician can rely as certain fixed; the results obtained from its prescriptions are doubtful, and its boast a mere assertion.

It is a solemn and startling fact, that three-fourths of those who have followed this life* died victims, *not to disease, but to the injudicious application of this subtle and uncertain theory,* as practiced by the regular faculty.

We have proved the utter fallacy of the regular practice of medicine, and the great undeniable truthfulness of the Rev. Dr. Van Deusen and ever since then I can tell you. She had R. R. R. system, and ever again for, in a thousand cases, where suffered a great expense, but got no better. She then began all other means failed, this has given instant relief, and in many cases even at the time it only a few days it has restored those dying patients to new life and health.

In the treatment of the sick by the R. R. R. remedies, certain fixed rules are followed, and no uncertainties, for these remedies are so prepared as to possess fixed and positive properties over diseases, founded on principles as immutable in their earth. Its theories, as the laws of gravitation over the solar system, impossible for the remedies to fail in removing from the human system the disorder for which they may be given, and of restoring the whole human system to its normal condition of health.

This is readily seen in the miraculous efficacy of RADWAY'S READY RELIEF—for the moment this remedy is applied to the part or parts of the body tortured with pain, or crippled with rheumatics, all pain and uncasiness ceases, and the crippled limbs are rendered limber and strong.

Internally taken, it is coming also into use as a diet for infants and invalids.
