Two of the best Preparations of the Age.

The LIVER PILLS, for the cure of LIVER COMPLAINT, all BILIOUS DERANGEMENTS, SICK HEADACHE, &c.

Purchasers will please be particular to ask for Dr. C. McLane's Celebrated VERMIFUGE and LIVER PILLS, prepared by Fleming Bro's

AMERICAN HOUSE, BOSTON.
Re-establishment of the old plan of management.

LEWIS RICE, PROPRIETOR, pegs certainly announces he has furnished the new house of management, as it existed before the recent alteration. Total of the European system is full, proves, that although the advantages are great, the plan is found adapted for the smaller class of hotels.

The accommodations in several rooms of the house are unsurpassed, and the recent improvements and alterations for the comfort of guests, leave nothing to be desired.

BROOKE HALL FEMALE SEMINARY
Media, Delaware County, Penn.
Miss Maria L. Eastman, Principal.

THIS SEMINARY, SITUATED IN THE delightful and beautiful village of Media, thirteen miles from Philadelphia by Railroad, offers to young ladies the most perfect combination of advantages for the attainment of a thorough and accomplished education.

The large and commodious building lately erected, containing all the modern conveniences of baths, gas, &c., is, with its extensive grounds, a model in all that pertains to the health, comfort, refinement and improvement of the pupils. The class-rooms are large, well ventilated, and furnished with comfort and elegance, and but two pupils occupy the same sleeping room. The number of pupils is limited to those for whom seven teachers are employed—the most liberal instruction is given in all the branches taught, while moral and religious principles are sedulously inculcated by theory and practice.

The course of instruction comprises a period of four years, and a diploma is awarded to all who pass through it satisfactorily.

The Right Rev. A. Potter, D. D., L. L. D., Bishop of Pennsylvania, says: "Miss M. L. Eastman, who proposes to open a Young Ladies' Seminary in Media, Delaware county, Pennsylvania, in September next, has been known to the subscriber for several years past. He has a very high opinion of her capacity, energy and thoroughness as an educator. She has had a large and successful experience—the building which is to be erected will contain every accommodation. The village and surrounding country are distinguished for healthfulness and beauty; and the subscriber has confidence that parents who may entrust their daughters to Miss Eastman will have no cause to regret it."

The French language is taught by a Parisian lady residing in the family.

The Latin, German, Spanish, and Italian languages, receive due attention.

The Natural Sciences are taught with the aid of a large and expensive apparatus.

The Musical Department is under the charge of a lady eminently qualified for the situation, and all who prefer to be taught on the piano are allowed to practice at home, have a visiting teacher from Philadelphia.

Drawing and Painting are under the direction of a lady accomplished in the arts.

The Fall Term commences September 9th.

Miss Eastman has the liberty to refer to the following gentlemen:

Right Rev. A. Potter, Bishop of Pennsylvania.
Hon. Franklin Pierce, ex-President of U. S.
Hon. B. Pringle Cass, Governor of Ohio.
G. Lower, Esq., Potter Hall, Philadelphia.
George M. Wharton, Esq., Philadelphia.
William Darsey, Esq., Pittsburgh.
Sylvanus Lothrop, Esq., Allegheny City.

MISS E. L. EASTMAN,

T. KINGSFORD & SON'S

Oswego Starch,
[FOR THE LAUNDRY,]

HAS established a greater celebrity than has ever been obtained by any other Starch.

This has been the result of its superiority in quality, and its unfailing uniformity.

The public may be assured of the continuance of the high standard now established.

The production is over Twenty Tons Daily, and the demand is extended throughout the whole United States and foreign countries.

Wherever there is a very large scale, and under a rigid system, they are able to secure a perfect uniformity in the quality throughout the year. *This is the great Desideratum in Starch making, and realized now for the first time.*

The very best Starch that can be made, and no other, is always sold by the grocers, and this can be supplied to them by the grocers, as soon as their customers have found out which is the best, and ask for it—otherwise they would be likely to get that which pays the largest profit it can be made.

Mr. Kingsford has been engaged in the manufacture of Starch continuously for the last 27 years, and during the whole of the period, the Starch made under his supervision has had the highest reputation in the market. Even from the first 11 years, he had the charge of the works of Wm. Colgate & Co., which period he invented the process of the manufacture of Corn Starch.

Ask for Kingsford's Starch, as the same Oswego has been recently in Market under other names.

It is sold by all of the best grocers in nearly every part of the country.

T. KINGSFORD & SON'S
OSWEGO CORN STARCH,
[FOR PUDDINGS, &c.]

Has obtained an equal celebrity with their Starch for the Laundry. This article is perfectly pure, and is, in every respect, equal to the best Bermuda Arrow Root, besides having additional qualities which render it invaluable for the cookery.

Potato Starch has been extensively packed and sold as Corn Starch, and has given false impressions to many, as to its pure properties. *Corn Starch is all pure, as if they would drop out;* the physicians all unite in saying there was no one of articles of food of such easy digestion, as for *sick or young and weak die.* But I thought different. Your Barometer gave life to my wife, while the doctors gave her up to die. Your Blind and Bleeding Piles I am glad to say, has relieved me entirely from the most distressing, smarting child, enjoying the best of health. Your Cheap Cure is worth its weight in gold. Yours truly and grateful
JOHN F. PERRY.

The above is one of many certificates in my possession. Perry Hotel, corner of Harbor st. and Seneca Way.

R. R. R.

A FALSE THEORY EXPOSED.—THE TRUE SCIENCE REVEALED.

Thankful hearts have long since pulsed in darkness of regards the mysteries of medicine, and of devising a truthful solution of its power over disease, and its proper use in the treatment of the sick.

Medicine, as practiced by the regular faculty, its delusion and its train of improbabilities and uncertainties. There is nothing in its theories on which the physician can rely as certain or fixed; the results obtained from its prescriptions are as doubtful as they are unsatisfactory.

It is a solemn and startling fact, that three-fourths of those who have departed this life* died victims, not to disease, but to the injudicious practice of this subtle and uncertain theory, as practiced by the regular faculty.

We have proved the utter fallacy of the regular practice of medicine, and the great undeniable truthfulness of the R. R. R. over and over again; for, in the thousand cases, where the regular physicians have given up their patients as incurable, and had in many cases even set the time to only a few short hours, that their victims had to live, Radway's Ready Relief, Regulators or Renovant, as the case may have been, has restored those dying patients to new life and health.

In the treatment of the sick by the R. R. R. remedies, there is nothing left to chance or uncertainties, for those remedies are so prepared as to purge and expel all putrefactive powers, founded on principles as immutable in their power over diseases, as the laws of gravitation over the planetary bodies, and impossible for them to fail in removing from the human system the difficulty for which they may be given, and of restoring the whole human system to its normal condition of health.

The child, when three months old, caught a bad cold, and Worm Starch, and has given false impressions to many, as to its pure properties. *Corn Starch is all pure, as if they would drop out;* the physicians all united in saying there was no one of articles of food of such easy digestion, as for *sick or young and weak die.* But I thought different. Your Barometer gave life to my wife, while the doctors gave her up to die. Your Blind and Bleeding Piles I am glad to say, has relieved me entirely from the most distressing, smarting child, enjoying the best of health. Your Cheap Cure is worth its weight in gold. Yours truly and grateful

Medical.

AYER'S PILLS.

ARE particularly adapted to derangements of the digestive apparatus, and diseases arising from impurity of the blood. A large part of all the complaints that afflict mankind originate in one of these, and consequently these Pills are found to cure many varieties of disease.

Subjoined are statements from some eminent physicians, of their effects in their practice.

AT A FAIRLY PATENT.

From Dr. E. W. Cartwright, of New Orleans.

"Your Pills are the purest and most powerful purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease."

FOR JAUNDICE AND ALL LIVER COMPLAINTS.

From Dr. Theodore Zell, of New York City.

"Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of *bilious complaints* than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people."

DYSENTERY—DIARRHŒA—RELAX.

From Dr. T. D. Green, of Chicago.

"Your Pills have had a long trial in my practice, and I find them in existence as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for *bilious dysentery and diarrhœa.* Their ready cooling makes them very acceptable and convenient for the use of women and children."

INTERNAL OBSTRUCTION—WORMS—SUPPRESSION.

From Mrs. E. Stuart, who practices as a Physician and Midwife in Akron, Ohio.

"I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretions, as well as by all their drastic irritations. Some so prefer as a family medicine, that it is sold by many of the grocers, as well as by all the druggists, it would seem needless to offer further evidence; yet as there are doubtless some who have tried many adver tised remedies, and still suffer from Dyspepsia as one or more of its dreadful forms, we wish to join the following certificates, the authenticity of which cannot be doubted, coming as they do from persons so well known.

WHAT IT IS DOING FOR THE SICK.

From Mr. Schuman, Esq., the well known Lithographer, says: "I have frequently used Boerhave's Holland Bitters, and find it invariably relieves indigestion and debility."

Rev. Samuel Babcock says: "I found special relief from its use for a severe headache, with which I had long suffered."

J. W. Woodwell, Esq., says: "I have used Boerhave's Holland Bitters myself, and can commend it to others, knowing it to be just what it is represented."

Ald. Jonathan Neely, of Lower St. Clair, says: "I have derived great benefit from its use for weakness of the stomach and indigestion."

Jas. M. Murphy, says: "After several physicians had failed Boerhave's Holland Bitters removed the pain from my heart and side, arising from indigestion."

The editor of the Kittaning Free Press, says: "After one of the best physicians in this place had failed, Boerhave's Holland Bitters cured me of the worst form of Dyspepsia."

Francis Felix, only manufacturer of the original "Essence of Coffee," says: "I know that your Holland Bitters is one of the best medicines in the world for a disordered stomach or liver."

Dr. Ludwig, editor of the Packet, Baltimore, pronounces it a medicine deserving the confidence of the public."

Dr. Edenhart, the leading German physician of Penna. has prescribed it frequently during the past three years with marked success in debilitated states of the digestive organs, or of the system generally.

The manager of Ballou's Vinegar Factory, says: "I used it myself, and was therefore induced to try its effect upon my wife, (troubled with the great debility common to all of a consumptive habit,) and really it is doing her more good than anything she has ever taken."

NOTICE—Whoever expects to find in this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, poisoned of its sugar-ic remedial properties.

CAUTION!—The great popularity of this delightful remedy, has induced many imitations, which the public should guard against particulars. Be not persuaded to buy anything else until you have given Boerhave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

Sold at $1 000 per bottle, or six bottles for $5.00 by the sole Proprietors.
