Ma. Rirenin Our representative, Mr. Pittsburgh Gazette. Ritchie, bas exposed on the floor of the House the double dealing of the Administration in the matter of issuing Treasury notes. We quote from the report in the Globe: S. RIDDLE & Co., I desire to call the attention of the committee EDITORS and PROPRIETORS. to a circumstance which seems to me to make it rather doubtful which seems to me to make it rather doubtful whether the Administration de-sires, after all, to have this bill passed. In the message of the President of the Unifed States, dated the 8th of December, I find this fremark on the first pase:

On the seventh page, 1 ind this remark : "Thanks to the Independent Treasury, the Government has not suspended payment, as it was compelled to do by the failure of the banks in 1837. Ik will continue to discharge its linbi-lites to the people in gold and silver. Its dis-bursements in roin will pags into circulation, and materially assist in restoring a sound cur-rency. From its high credit, should we be com-pelled to make a temporary loan, it can be effected on advantageons terms." So says the President. He contemplates Controller-HENRY LAMBERT, Treasurer-WM. BUCHANAN A CANDIDATE FOR RE-ELECTION.— BUCHANAN, LE Pierce, is deluded with the idea of a re-election. A letter to the 'Philadelphia *fournal is ays:* "Most people have expected the President, to parsue a straightforward, independent and patriotic course, because, they say, he has a t-tained the summit of his ambition, and dees not look forward to a second term of office. Ar Dr. Macauley's church, Fifth avenue, N. Y. on Sunday last, ex-Chancelhor James M. Mathews, for fifty years a minister of the gos-nel in that city, preached his semi-centennial semina.

Probabilities are, that in many respects the re-mainder of Mr. Buchtsnan's Administration will in METHODIST CONVENTION to consider the resemble that of Mr. Pierce, in being marked by a succession of palty intrigues for re-election, all of which are doomed, beyond peradventure, to ullimate defeat. THE ALIEN AND SEDITION LAWS TO DE REVIVED

-Mr. Buchanan's mouth-plece, the Washington Union, is already relapsing into the Federalism which its master was educated in, and is advo-

cating a rovival of the Alien and Sedition laws Hear it :

"If under our present system of 'laws, it is only an indictable or penitentiary offence to resist openly and et et amis the execution of the laws, make it equally a penitentiary offence to compass the destruction of the constitution by the publication and attering of incendiary documents and speeches, judging of the intent and meaning of the culprit by the language be employed. If it is treason to compass the desth of the king by words ouly, make it so with him who would compass the destruction of that which stands in the place of a king,-viz. : the constitution.
