BROOKE HALL FEMALE SEMINARY
Media, Delaware County, Penna.
Miss Maria L. Eastman, Principal.
THIS SEMINARY, SITUATED IN THE delightful and beautiful village of Media, thirteen miles from Philadelphia, by Railroad, offers to young ladies the most perfect combination of healthful location, with the advantages of a thorough and accomplished education.
The large and commodious building lately erected, combining all the modern conveniences of the age, &c., is in the highest degree favorable, a model in all that pertains to the health, comfort, refinement and improvement of its pupils. The sleeping rooms are high, well ventilated, and furnished with comfort and elegance, and but two pupils are allowed to occupy the same apartment. The number of pupils is limited to forty-five, and seven teachers are employed—one for each department given in all the branches included in the course of instruction. The moral and religious principles are constantly inculcated by theory and practice.
The course of instruction comprises a period of four years, and a diploma is awarded to all who pass through it satisfactorily.
The Rev. A. Potter, D. D., L. L. D., Bishop of Pennsylvania, and the Rev. M. L. Hurlbut, who proposes to open a Young Ladies' Seminary in Media, on the first Monday in September next, has been known to the subscriber for several years past. He has a very high reputation for capacity, efficiency and devotedness as an educator. She has had a large and successful experience—the building which is to be erected will contain every accommodation desirable. The village and surrounding country are distinguished for healthfulness and beauty, and the subscriber has every confidence that parents who may entrust their daughters to Brooke Hall Seminary will have no cause to regret it.
The French language is taught by a native of France, and the Latin, German, Spanish, and Italian languages, receive due attention.
The Natural Sciences are taught with the aid of a large and expensive apparatus.
The Musical Department is under the charge of a lady thoroughly qualified for the duties of her station, and all who prefer to receive instruction on the piano or singing by a gentleman, have the services of Professor Edmund Neuendorffer, of Philadelphia.
Drawing and Painting are under the direction of a lady who has had the best advantages.
The Fall Term commences September 9th.
Mr. Eastman has the liberty to refer to the following gentlemen:
Right Rev. A. Potter, Bishop of Pennsylvania.
Rev. Franklin Peirce, ex-President of U. S.
Hon. S. P. Chase, Governor of Ohio.
Lewis C. Levin, Philadelphia.
George M. Wharton, " "
William Rigby, Esq., Pittsburgh.

T. KINGSFORD & SON'S
PURE
Oswego Starch,
(FROM THE LAUNDRY.)
Has established a greater celebrity than any other Starch.
This has been attained by no other Starch.
Its great strength and unrivaled superiority in quality, and its invariable uniformity,
Are facts which may be assured of the continuance of the high standard now established.
Its production is over Twenty Tons Daily, and the demand has extended throughout the whole United States, and foreign countries.
Working on a very large scale, and under a right system, they are able to ensure a degree of uniformity in the quality throughout the year. *This is the great desideratum in Starch*, and is obtained now for the *first time*.
The very best Starch that can be made, and thoroughly put up, is offered to consumers, and this will be supplied to them by the grocers, who are in the habit of supplying families in first class trade, and ask for it—customers have nevr to be illsly to get first class articles on which the largest profit can be made.
T. Kingsford has been engaged in the manufacture of Starch continuously for the last 20 years, and during the whole of the period, the Starch made under his superintendence has been considered the best in the market. For the first 17 years, he had the charge of the Works of Wm. Kingsford & Son, at which period he invented the process of the manufacture of Corn Starch.
Ask for Kingsford's Starch, as the same Oswego has been known for over 17 years' factory.
It is sold by all of the best grocers in nearly every part of the country.
T. KINGSFORD & SON'S
OSWEGO CORN STARCH,
(FOR PUDDINGS, &c.)
Has obtained an established celebrity with their Starch for the Laundry. This article is perfectly pure, and of the highest superiority, equal to the best Bermuda Arrow-Root, besides having additional qualities which render it invaluable for cooking.
Potatoe Starch has been extensively packed and sold as Corn Starch, and has given false impressions to many, as to the real merits of Corn Starch.
From its great delicacy, (*being entirely free from gluten*), it is coming also into extensive use as a diet for infants and invalids.
The above Starches are appointed sole Agent for the sale of the above celebrated Laundry and Pudding Starch, and supply the trade at Eastern rates, with addition of freight.
JOHN F. HENRY,
Agent for Oswego Starch C. Kingsford,
