BROOKE HALL FEMALE SEMINARY

Media, Delaware County, Penna.

Miss Maria L. Eastman, Principal.

THIS SEMINARY, SITUATED IN THE delightful and beautiful village of Media, thirteen miles from Philadelphia, by Railroad, offers to young ladies the most perfect combination of advantages for the attainment of a thorough and refined education.

The large and commodious building lately erected, containing all the modern conveniences of baths, gas, &c., &c., with its extensive grounds, is ample for that portion of the health, comfort, refinement and improvement of the pupils. The sleeping rooms are high, well ventilated, and furnished with comfort and elegance, and but two pupils occupy the same apartment. The number of pupils is limited to forty, for whom fifteen teachers are employed. The most faithful instruction is given in all the branches taught, while moral and religious principles are constantly inculcated by theory and practice.

The course of instruction comprises a period of four years, and a diploma is awarded to all who pass through it satisfactorily.

The Right Rev. A. Potter, D. D., L. L. D., Bishop of Pennsylvania, says: "Miss M. L. Eastman, who proposes to open a Young Ladies' Seminary in Media, Delaware county, Pennsylvania, in September next, has been known to the subscriber for several years past. He has a very high opinion of her capacity, efficiency and faithfulness as an educator. She has had a large and successful experience—her building which is to be used will combine every accommodation. The village and surrounding country is distinguished for healthfulness and beauty; and the subscriber has confidence that parents who entrust their daughters to Miss Eastman will have no cause to regret it."

The French language is taught by a Parisian lady residing in the family.

The Latin, German, Spanish, and Italian languages, receive a thorough study.

The Natural Sciences are taught with the aid of a large and philosophical apparatus.

The Musical Department is under the charge of a lady eminently qualified for the situation, and all who prefer to do so, can receive instruction on the guitar.

Drawing and Painting are under the direction of a lady accomplished in theart.

The Fall Term commences September 9th.

Miss Eastman has the liberty to refer to the following gentlemen:—

Rev. Alonzo A. Potter, Bishop of Pennsylvania.

Hon. Franklin Pierce, ex-President of U. S.

Hon. S. P. Chase, Governor of Ohio.

Hon. Lewis Cass, Detroit.

T. KINGSFORD & SON'S

PURE

Oswego Starch,

FOR THE LAUNDRY,

HAS established a greater celebrity than has ever been obtained by any other Starch.

This has been the result of its superior quality, strength, and its invariable uniformity.

The public may be assured of the continuance of the high standard of this article.

The production is over Twenty Tons Daily, and the demand is increasing throughout the whole United States, and foreign countries.

Working them on a very large scale, and under a rigid system, enables us to produce a perfect article, and of a quality throughout the year. *This is the great Desideratum in the Starch trade, and it is obtained by us.*

The very best Starch that can be made, and *no other*, is always wanted by consumers, and this will be supplied to them by the manufacturers, who, after the physical powers of which is the best, and 'ask for it—otherwise they would not get that article on which the largest profit can be made.

Mr. Kingsford has been engaged in the manufacture of Starch, chiefly for the Laundry, for the last 20 years, and the whole of the period, the Starch made under his supervision has been, beyond any question, the best in the market. For the first 17 years, he had the charge of the works of Wm. Colgate & Co., at which period he invented the process of the manufacture of Corn Starch.

Ask for Kingsford's Starch, as the name Oswego has been given to it by another factory.

It is sold by all of the best grocers in nearly every part of the country.

T. KINGSFORD & SON'S

OSWEGO CORN STARCH,

(FOR PUDDINGS, &c.),

Has obtained an extended celebrity with their Starch for the Laundry. This article is perfectly pure, and is, in every respect, equal to the best Bermuda Arrow-Root, besides having additional qualities for which it is invaluable for the dessert.

Potatoe Starch has been extensively packed and sold as Corn Starch, and has given false impressions to many, as to the real merits of our Corn Starch.

From its superior purity, it is coming also into extensive use as a diet for infants and invalids.

The subscribers have been appointed sole Agent for the sale of the above celebrated Laundry and Corn Starch, will supply the trade at Eastern rates, with addition of freight.

Agent for Oswego Starch Factory.

Medical.

DR. R. R.

A FALSE THEORY EXPOSED.—

THE TRUE SCIENCE REVEALED.

Mankind have long been enlightened in darkness as regards the mysteries of medicine, and of deriving a truthful solution of its power over disease, and its proper use in the treatment of the sick.

Medicine is practiced by the regular faculty, in a delusion a bundle of improbabilities and uncertainties. There is nothing in the theories on which the physician can rely as certain or fixed; the results obtained from its prescriptions are doubtful, and in most cases unsatisfactory.

It is a lamentable fact, that three-fourths of those "who have departed this life" died victims, *not to disease*, but to the fallacious application of this terrible and uncertain theory, as practiced by the regular faculty.

We have proved the utter fallacy of the regular practice of medicine, and the great undeniable truthfulness of the R. R. R. over and over again; for, in a thousand cases, where the regular physicians have given up their patients as incurable, and had in many cases even put the time to only a few short hours, that their victims had to live, Radway's Ready Relief, Regulators and Renovator, in the same way have been made to restore those dying patients to new life and health.

In the treatment of the sick by the R. R. R. remedies, there is nothing left to chance or uncertainties, for these remedies are so prepared as to possess fixed and positive curative powers, founded on principles as immutable in their power over diseases, as the laws of gravitation over the earth. It is therefore impossible for these remedies to fail in removing from the human system the difficulty for which they may be given, and of restoring the whole human system to work upon them alone. I have cured some cases of *dyspepsia and indigestion* with them, which had resisted the other remedies in common use. Indeed I have experimentally found them to be effectual in almost all the complaints for which you recommend them."

DYSENTERY—DIARRHŒA—RELAX.

From Dr. J. G. Green, of Chicago.

"Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for *bilious dysentery and diarrhœa.* Their sugar coating makes them very acceptable and convenient for the use of women and children."

INTERNAL OBSTRUCTION—WORMS—SUPPRESSION.

From Mrs. E. Stuart, who practices as a Physician and Midwife in Boston.

"I find one or two large doses of your PILLS, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients."

CONSTIPATION—COSTIVENESS.

From Dr. J. F. Temple, Montreal, Canada.

"Too much cannot be said of your PILLS for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your PILLS affect that organ and cure the disease."

IMPURITIES OF THE BLOOD—SCROFULA—ERYSIPELAS—SALT RHEUM—ULCERS—TUMORS—RHEUMATISM—GOUT—NEURALGIA.

From Dr. Ricketts Hall, Philadelphia.

"You were right, Doctor, in saying that your PILLS *purify the blood.* They do that. I have used them of late years in my practice, and agree with your statement of their efficacy. They stimulate the excretories, and carry off the impurities that stagnate in the blood, engendering disease. They stimulate the organs of digestion, and induce vitality and vigor into the system.

"Such remedies as you prepare are a national benefit, and you deserve great credit for them."

FOR HEADACHE—SICK HEADACHE—FOUL STOMACH—FILES—DIZZINESS—COSTIVENESS—FLATULENCY—PAIN—&c.

From Dr. Edward Boyd, Baltimore.

"DEAR DR. AYER: I cannot answer you what complaints I have cured with your PILLS better than to say *all that was ever trusted with a proprietary medicine.* I place great confidence on an effectual cathartic in my daily contact with disease, and believing as I do that your PILLS afford us the best of this class, I of course value them highly."

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substances whatever.

AYER'S CHERRY PECTORAL

Has long been manufactured by a practical chemist, and every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits and consequently can be relied upon implicitly, without solicitation. It supplies the surest remedy the worldhas ever known for the cure of all pulmonary complaints, for Coughs, Colds, Hoarseness, Asthma, Croup, Whooping Cough, Bronchitis, Incipient Consumption, and for the relief of consumptive patients in advanced stages of the disease. As time makes these facts wider and better known to the afflicted, from the log cabin of the American peasant to the palaces of European Kings. Throughout this entire country, every state and city, and in almost every hamlet, this unpretending CHERRY PECTORAL is known as the best of all remedies for diseases of the throat and lungs. In many parts of countries it is extensively used by their most intelligent physicians. If there is any dependence on what men of every station in society in has done for them; if we can trust our own senses when we see the dangerous affections of the throat and lungs yield to it; if we can depend on the testimony of by your physicians. Over a thousand such instances have come to our knowledge and we therefore, feel ourselves justified in requesting the trial of it by those who suffer, as its cures can do no more, its prejudice to your using a remedy that must do good, is certainties, and the

As no of the instances we have alluded to in the above article, we invite the public to the case reported to us by Richard Griffith, who will testify to the truth of the same, of high integrity, and well approved of by his countrymen or in his right official capacity.

HARDWICKTOWN, Fontenoe Co., G. W.,

June 24th, 1857.

In October, 1855, my wife giving birth to a child, left her bed too early and caught a severe cold, which promised to be very serious. She was attended by Dr. Hollingshead of Hood and Kingston were in attendance on her—but all of no result—*the doctors had given her up to die.* For seven consecutive days I sat at her bedside, momentarily watching to see her breathe her last. I happened to see a copy of your pamphlet called "*The Monday Herald*," and there read of your medicines. I resolved to test them as a last resort. I gave her the *Rondeout* with the Regulators—and Relief—according to directions, *and in three days observed a wonderful improvement.* From this she daily recovered, and is now, thank God, better than ever she was in her life.

The child, when three months old, caught a bad cold, and *continued every to a more division*, nothing but bone and skin remained. *From his hands* as I could drop one of the physicians all united in saying there was no one of attempts to save him, *let them take him, as he was to go young and want die.* But I thought different. Your Renovator gave life to my wife, while the doctors gave her up to die. And when he had recovered in the throat, I was in the Regulators and used it as a wash externally to his throat—he is now a healthy child, and I feel grateful in saying the best of health. Your newer, kindest and grateful

ROBERT GRIFFITH.

The above, reader, is but one out of thousands of similar cases that could be had in the vicinity of the physicians using the Renovator. Do not "Whether trial, *death* would have saved the life of your physicians who say they can do no more." Wive your Renovator, Regulators and Pills a trial.

The Greatest Medical Discovery OF THE AGE.

DR. KENNEDY, OF ROXBURY, HAS discovered in one of our common native weeds, a remedy that cures every kind of Human from the worst Scrofula to a common Blotch.

He has tried it in over eleven hundred cases, and never failed except in two cases (both blunder heroes.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a running sore mouth.

One to three bottles will cure the worst kind of pimples of the face.

Two to three bottles will restore the system of the blood.

Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of scrofulous.

Two to three bottles are warranted to cure all humors of the eye.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the most desperate cases of rheumatism.

Two to three bottles are warranted to cure the worst cases of ringworm.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A thousand living witnesses can be had to bear positive and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pasture, and along old stone walls should cure every humor in the system; yet it is now a fixed fact. If you have used all you can hear of, and have a carbuncle, sore on the nose, or have about the smiling some cases of sore, yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has already done some of the greatest cures ever done in Massachusetts. Let no one suffer from a sore throat, or a cough of sixty. I have seen poor, puny, worthy looking children whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will almost cure it. It gives great relief to catarrh and dizziness. Where the body is sound it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new person. I heard some of the most extravagant accounts of it that ever came from human lips. It has made him sick. It's like a maniac tossed upon the ocean, at the first glimpse of a ship at home, his heart bounds with joy.
