"Alllough we have no means of accortaining the truth of the above statement, yet we enter that yet and the statement is the different of the statement when the payth on notes of a cest denomination than ten dollars can be issued of Niger rope of the General's recent expedition." We believe it will appear that President of the first calling or produced for the content to this different to this different to this different of the themselves to the other statements to this different of the content statification of every man is the content of the think that we are thoroughly justified in believing and asserting, as he did to Capital and Capital and according approbation of the President of the United States. Now, if that fact is proved hereafter, what hopinon should the people of this country entertain of the President's housest, for the country entertain of the President's housest, to be holded and that the will serve to confirm the truth of the runce we have given. Gen. Walks many be, as his enemics allege, a pirate, a rascal, and all that, but what better character would the President of the United States sustain before the country, in the event of the refusal of Congress would be people of the country."

Thus Union and approbation is desirable and pushes the construit, in the event of the refusal of Congress would be good cause for dissipation to determine upon measures of redress, The Alla alama. Legislature, some weeks since, resolved, that such action on the part of Congress would be good cause for dissipating the Union.

This is a preliminary movement, to be followed in other Southern States, for dragage country, in the event of the refusal of Congress would be good cause for dissipating the Union. This is a preliminary movement, to be followed in our produces of the country."

The Union of the president of the Compton of the Congress would be good cause for dissipating the Union. This is a pr

This is a preliminary movement, to be followed in other Southern States, for dragooning Congress into adopting the Lecompton Constitution, or, in the event of failure in that case, the prepare the way for an actual disruption of the Confederacy. The Washington Republics and Congress into adopting the Lecompton Constitution, or, in the event of failure in that case, the prepare the way for an actual disruption of the Confederacy. The Washington Republics and Confederacy. The Washington Republics and Itolouse, who scarcely affect to conceal their treatments of the bottlity to the Government ander which they live. If the Lecompton Constitution is rejected, they will do their best to induce a general withdrawal from Congress of the Sonthern members. We believe that they will ignomine it will put that they will make the attempt, is certain.

In the mean time, not a moment should be lost in arousing the country to the true state of affairs, and in concentrating such expressions of public opinion as will prevent the legislation of Congress from being controlled by Sonthern bullying. We have had enough of it. It has become intolerable. The Free States have suffered to much humiliation already. The Bobadils of Alabama, and kindred spirits elsewhere, must be taught a lesson. Now, or never:

"The Reason Witt a carful collection of many handreds of reasons for things which, though general which the was last year. Ho separates from them in give the battered walls through which will also the battered walls through which will also the battered walls through which illure sect beautive and this relicetria which illure general which illure general which will als

and natural philosophy. The reasons are given concisely and plainly, and as a popular handbook we know of nothing better. For sale by Hunt & Miner, Masonic Hall.

Upon a further examination of the affairs of the Mineral Bank of Maryland, the late President, Jos. H. Tucker, is found to be a defaulter to the amount of \$150,000—\$30,000 above what was at first supposed. The Bank failed on the 5th of October, and made an assignment for the benefit of its creditors.

We understand that the Rhode Island banks of the Arabove what the Mineral Bank of Maryland, the late President, Jos. He of the other Now England States. The notes of the Rhode Island banks will, no doubt, in a few days be received at the Metropolitan Bank.—N. Y. Trib.
