BROOKE HALL FEMALE SEMINARY
Media, Delaware County, Penna.
Miss Maria L. Eastman, Principal.

THIS SEMINARY, SITUATED IN THE delightful and beautiful village of Media, thirteen miles from Philadelphia by Railroad, offers to young ladies the most perfect combination of advantages for the attainment of a thorough and accomplished education.

The large and commodious building lately erected, containing all the modern conveniences of baths, gas, &c., is, with its extensive grounds, a model in all that pertains to the health, comfort, refinement and improvement of the pupils. The sleeping rooms are high, well ventilated, and furnished with comfort and elegance, and but two pupils occupy the same apartment. The number of pupils is limited to forty, for whom seven teachers are employed—thus the most faithful instruction is given in all the branches taught, while moral and religious principles are constantly inculcated by theory and practice.

The course of instruction comprises a period of four years, and a diploma is awarded to those who pass through it satisfactorily.

The Right Rev. A. Potter, D. D., L. L. D., Bishop of Pennsylvania, says: "Miss M. L. Eastman, who proposes to open a Young Ladies' Seminary in Media, Delaware county, Pennsylvania, in September next, has been known to the subscriber for several years past. He has a very high opinion of her capacity, efficiency and devotedness as an educator. She has had a large and successful experience—accommodation. The building which is to be erected will contain every accommodation. The village and surrounding country are distinguished for healthfulness and beauty; and the subscriber has confidence that parents who entrust their daughters to Miss Eastman will have no cause to regret it."

The French language is taught by a Parisian lady residing in the family.

The Latin, German, Spanish, and Italian languages, reduced to a grammar.

The Natural Sciences are taught with the aid of a large and expensive apparatus.

The Musical Department is under the charge of a lady eminently qualified for the situation, and all who prefer to be taught on the piano or singing by a gentleman, have a visiting teacher from Philadelphia.

Drawing and Painting are under the direction of a lady accomplished in these arts.

The Fall Term commences September 9th.

Miss Eastman has the liberty to refer to the following gentlemen:

Right Rev. A. Potter, Bishop of Pennsylvania.
Hon. Franklin Pierce, ex-President of U. S.
Hon. S. P. Chase, Governor of Ohio.
C. Loewey, Esq., Pottsville, Pa.
George H. Wharton, Esq., Philadelphia.
William Bradley, Esq., Philadelphia.
Sylvanus L. Ahrig, Esq., Allegheny City.

PURE
Oswego Starch,
[FOR THE LAUNDRY.]

HAS established a greater celebrity than has ever been obtained by any other Starch.

Its fine and its invariable uniformity.

The public may rest assured that the continuance of the high standard now established.

The public may rest assured that the continuance of the high standard now established.

The present season over Twenty Tons Daily, and the demand has extended throughout the whole United States and foreign countries.

Working thus on a very large scale, and under a rigid system, they are able to secure a perfect uniformity in the quality and strength of their Starch. *That the great Desideratum in Starch-making, and is realized now for the first time.*

Every package of this Starch that can be made, and *no other*, is always wanted by customers, and can be readily known by the grocers, as soon as their customers have learned which is the best, and ask for it—otherwise they would be likely to get that article on which the largest profit can be made.

Mr. Kingsford has been engaged in the manufacture of Starch continuously for the last 27 years, and during the whole of the period has been connected with this superintendent, beyond any question, the best in the market. For Mr. Colgate & Co., at which period he invented the process of the manufacture of Corn Starch.

☞ *Be sure and inquire for Starch, as the name Oswego has been recently taken by another factory.*

It is used by all of the best grocers in nearly every part of the country.

T. KINGSFORD & SON'S
OSWEGO CORN STARCH,

AYER'S PILLS.

ARE particularly adapted to derangements in the digestive apparatus, and diseases arising from that source. They are mild and safe in their operation, but searching and effectual in expelling the impurities of the blood. They purify the fountains of life, and infuse into the system the principles of health and vigor. Hence they cure disorders of every name, which require a cathartic medicine, and are the best aperient that can be employed when a purgative effect is desirable. Being sugar coated, they are pleasant to take, and are the cheapest pill in market, as they are the most effectual in their operations.

Sold by all druggists and dealers in medicine everywhere.

Health and Strength Must Inevitably Follow the Use of

Boerhave's Holland Bitters.

THE CELEBRATED HOLLAND REMEDY for Dyspepsia, Disease of the Kidneys, Liver Complaints, Weakness of any kind, Loss of Appetite, Nervous affections consequent upon a disordered Stomach or Liver, Rush or Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Head and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has been in numerous instances proved highly beneficial, and in others affected a decided cure.

Nature finds no new enemy to combat, with this delightful tonic in the system. Its effects are almost magical, yet the cure permanent. It counteracts no violent shock to the system, but by arousing its vital energies to healthful action, enables it to throw off the cause, and thus thoroughly eradicates the disease.

When its medicinal virtues are so universally acknowledged, and practically known to all, where it has become so popular as a family medicine, that it is sold by many of the druggists as much the best physic we have that I recommend no other to my patients."

CONSTIPATION—COSTIVENESS,
From Dr. J. P. Campbell, Watford, Ontario.
"Too much cannot be said of your PILLS for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming the fact for the benefit of the multitudes who suffer from this complaint which, although not fatal enough in itself, is the precursor of others that are more. I believe *costiveness* originates in the liver, but your PILLS affect that organ and cure the disease."

IMPURITIES OF THE BLOOD—SCROFULA — ERYSIPELAS — SALT RHEUM—TUMORS—BLOTCHES—ERUPTIONS — ULCERS—NEURALGIA.

From Dr. Ezekiel Hall, Philadelphia.
"You were right, Doctor, in saying that your PILLS purify the blood. They do that. I have used them of late years in my practice, and have every reason to believe in their virtues. They stimulate the *excretory* vessels and carry off the impurities that stagnate in the blood, engendering disease. They stimulate the organs of digestion, and restore healthful vigor into the system.

"Such remedies as you prepare are a national benefit, and you deserve great credit for them."

FOR HEADACHE—SICK HEADACHE—FOUL STOMACH—BILIOUS DERANGEMENTS—FLATULENCY—PALPITATION—&c.

From Dr. Edward Boyd, Baltimore.
"DEAR DR.—I am glad to answer you what complaints I have *cured with your* PILLS before I saw you. I have *treated with a purgative in Maine.* I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your PILLS afford us the best powerful remedy.

The use of the Resolvent will, in a few weeks, entirely change the whole condition of the body, we care not from how many generations you have derived your title to the diseases established in your bodies, Radway's Resolvent will remove it, and prove to you what your forefathers were unable to—a pure and healthy body—free from diseases.

COMMON DISEASES.

All diseases prevalent at this season of the year, caused by derangement of the organs of the system, sudden changes of the weather, heat and cold, disordered circulation of the blood—Rheumatism, Neuralgia, Tic Doloreux, Head Aches, Fever and Ague, Headache, Toothache, Aches and Pains of all kinds, Bruises, Burns, Scalds, Colds, Influenza, Incipient Consumption, Coughs, Hoarseness, Croup, Whooping Cough, Bronchitis, Incipient Consumption, and the relief of consumptive patients in advanced stages of the disease. At time makes these facts so clear and better known that medicine has gradually become the best relievers of the afflicted, from the lowliest child of the American peasant to the palaces of European kings. Throughout this entire country, every state and city, and indeed almost every hamlet if not every family, the good effects of RADWAY'S READY RELIEF is known as the best of all remedies for diseases of the throat and lungs. In many foreign countries it is extensively used by their most intelligent physicians. If there is any dependence to be placed in the testimony of thousands, it has done for them; if we can trust our own senses when we see the dangerous affection of the lungs yield to it, if we can depend on the assurance of intelligent physicians, whose business is to know, in short, if there is any reliance upon any thing, then is it irrefutably proven that this medicine does cure the class of diseases it is designed for beyond any and all other remedies known to mankind. Nothing but its intrinsic virtues, and the unanimous voice of the people could have ever caused it to be extensively used, and becoming public.
