GAS FROM ROSIN OIL

OR OTHER

FATTY FLUID MATERIAL.

THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances have always made them a favorite material for the manufacture of illuminating Gas. Many Gas companies have used Rosin with coal, in order to supply their customers with the superior Quality of Gas.

ROSIN OIL is entirely free from all dross and refuse substances, and yields at once, its Brilliant Illuminating Gas.

The comparative cost of the apparatus for the manufacture of coal gas together with the attention and expense necessarily incurred, and the difficulty, if not impossibility, of entirely separating the unwholesome, deleterious and offensive gases, generated in coal, render the ROSIN OIL APPARATUS decidedly preferable in every way.

S. COATES, of 276 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the public to his present complete and efficient machine.

Perfect satisfaction to the purchaser guaranteed in every case. For further information address

R. R. R.

A FALSE THEORY EXPOSED—
THE TRUE SCIENCE REVEALED

Meaking three long years exploded in darkness as regards the mysteries of medicine, and of deriving a truthful application of its power over disease, and its proper use in the treatment of the sick.

Medicine, as practiced by the regular faculty, is a desertion a bundle of improbabilities and uncertainties. There is nothing in its theories on which the physician can rely as certain or fixed, the results obtained from its prescriptions are doubtful, and in most cases unsatisfactory

It is a solemn and startling fact, that three-fourths of those who have departed this life" died victims, not to disease, but to the injudicious application of this subtle and uncertain theory, as practiced by the regular faculty.

We have proved the utter fallacy of the regular practice of medicine, and the great undeniable truthfulness of the R. R. R. over and over again, in a thousand cases where the regular physicians have given up their patients as incurable, and had in many cases even set the time to only a few short hours, that their victims had to live, Radway's Ready Relief, Regulators or Resolvent, as the case may have been, has restored those dying patients to new life and health.

In the treatment of the sick by the R. R. R. remedies, there is nothing left to chance or uncertainties, for these remedies are so prepared as to possess fixed and positive curative powers, founded on principles as immutable in their nature as the laws of gravitation over the earth. It is therefore, impossible for these remedies to fail in restoring from the human system the difficulty for which they may be given, and on restoring the whole human system to its normal condition of health.

This is readily seen in the miraculous efficacy of RADWAY'S READY RELIEF—for the moment this remedy is applied to the part or parts of the body tortured with pain, or crippled with inflamation, all pain and inflammation ceases, the crippled, lame and wounded limb becomes invigorated with renewed strength So also with the Resolvent—The most repulsive Sores, Ulcers, Humors, and the most obstinate of chronic diseases quickly become extinct at

From Dr. J. Gaughn, Montreal, Canada

"Too much cannot be said of your Pills for the cure of *cutaneous*. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint which, although bad enough in itself, is the precursor of others that are worse. I believe *cutaneous* to originate in the liver, and your Pills prove that organ and cure the disease.

Dysentery, or the Bloody Scourge—Prevalent — Safe Relief—Tuttle—Thomas—Rheumatism—Neuralgia.

From Dr. Rexford Hall, Philadelphia.

"You were right, Doctor, in saying that your PILLS *purify the blood*. They do. I have used them of late years in my practice, and agree with your statements of their efficacy. They stimulate the excretories, and carry off the impurities that stagnate in the blood, engendering diseases. They stimulate the organs of digestion, and impart vitality and vigor into the system.

"Such remedies as you prepare are a national benefit, and you deserve great credit for them."

From Dr. Edward Boyd, Baltimore.

"DEAR DR. AYER: I cannot answer you other complaints I have cured with your Pills better than to say *all that we have ever tried with a popular medicine*. I placed great confidence in an effectual cathartic in my daily contact with disease, and believing as I do that your Pills afford us the best we have, I am glad to see this disease will quickly yield to this all powerful remedy.

Although a valuable remedy in skillful hands, is dangerous in public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

Has long been manufactured by a practical chemist, and every ounce of it under his own supervision, and is offered to the public as the best remedy for Coughs, Colds, Influenza, Whooping Cough, Bronchitis, Incipient Consumption, and the relief of consumptive patients, in advanced stages of the disease. As time makes these facts more and better known to the afflicted, the reputation of this preparation will be established, from the Isthmus of the American continent to the palaces of European kings. No other remedy has ever been in every state and city, and indeed almost every hamlet of the civilized world, so universally relied on as a safe antidote for diseases of the throat and lungs. In many localities it is extensively used by their most intelligent physicians. If there is any thing we can say or do that will convince that we have at length a preparation which is a safe and sure remedy for the above complaints, and the people

INQUIRE—INVESTIGATE—

From Dr. Henry J. Knox, St. Louis.

"The Pills you sent were liked exceedingly and are here in all used in my practice, and have satisfied me that they are in removing from the human system the difficulty for which they may be given, and on restoring the whole human system to its normal condition of health.

This is readily seen in the miraculous efficacy of RADWAY'S READY RELIEF—for the moment this remedy is applied to the part or parts of the body tortured with pain, or crippled with inflamation, all pain and inflammation ceases, the crippled, lame and wounded limb becomes invigorated with renewed strength So also with the Resolvent—The most repulsive Sores, Ulcers, Humors, and the most obstinate of chronic diseases quickly become extinct all ew doses is taken.

In cases of dyspepsia, Constipation of the Bowels, Derangement of the Liver, Congestion, Palpitation of the Heart, Radway's Regulators, in the form of Pills, can be relied upon as a positive and certain corrective and regulator of these difficulties. In cases of temporary Constipation or derangement of the stomach or bowels, the Cathartic and Purgative Pills given by the regular faculty, even if they relieve the temporary difficulty, do so at the expense of Cramps, Sickness at Stomach, and Weakness, and steer the effects of those purgatives are over, the bowels are left costive and the system debilitated. Radway's Regulators will instantly relieve the pain and distress, remove the difficulty and restore a regular action to the liver, stomach, bowels and other organs—they neither irritate, inflame, sicken or weaken the patient, and the evacuations are natural, without straining.

These remedies are in no one case that have reduced to hygienic principle to the fazily of a mathematical demonstration—invariable in all cases, and proceeding current of sanguinous circulation and repugnant practice of the so called "regular faculty," the precision and invariability which are essential to the requirements of a science. Taking the human body as the problem, and health as the normal condition, they proceed by fixed rules to eliminate all extraneous and deleterious particles, and thus restore the constitution to its integrity, by the expulsion of those local or organic irregularities which vitiate the soundness of the whole.

In Cholera, Yellow Fever, Ship Fever, Dysentery, Diarrhœa, Typhus and Typhoid Fevers, and all malignant and malarious fevers, Radway's Ready Relief and Regulators are only positive curatives, but certain preventives.

Not only in the milder latitudes of the North have these remedies cured the patients of these terrible maladies, but under the burning zones of the tropics, where, in the wildest and most violent degrees, they scourged the people at a period when the strongest constitutions fell victims to the fearful pestilence. With these remedies you need not fear exposure to any contagious disease or infectious malady.

CONSTITUTIONAL DISEASES.

All diseases that have become *established* in the system, called chronic or constitutional, Radway's Resolvent, aided by the Relief and Regulators, will remove. Scrofula, Bronchocele, Leprosy, Erysipelas, Salt Rheum, and all kindred diseases will quickly yield to this all powerful remedy.

INQUIRE—INVESTIGATE—

From Dr. Henry J. Knox, St. Louis.

"The Pills you sent were liked exceedingly and are here in all used in my practice, and have satisfied me that they are in removing from the human system the difficulty for which they may be given, and on restoring the whole human system to its normal condition of health.

This is readily seen in the miraculous efficacy of RADWAY'S READY RELIEF—for the moment this remedy is applied to the part or parts of the body tortured with pain, or crippled with inflamation, all pain and inflammation ceases, the crippled, lame and wounded limb becomes invigorated with renewed strength So also with the Resolvent—The most repulsive Sores, Ulcers, Humors, and the most obstinate of chronic diseases quickly become extinct all ew doses is taken.

In cases of dyspepsia, Constipation of the Bowels, Derangement of the Liver, Congestion, Palpitation of the Heart, Radway's Regulators, in the form of Pills, can be relied upon as a positive and certain corrective and regulator of these difficulties. In cases of temporary Constipation or derangement of the stomach or bowels, the Cathartic and Purgative Pills given by the regular faculty, even if they relieve the temporary difficulty, do so at the expense of Cramps, Sickness at Stomach, and Weakness, and steer the effects of those purgatives are over, the bowels are left costive and the system debilitated. Radway's Regulators will instantly relieve the pain and distress, remove the difficulty and restore a regular action to the liver, stomach, bowels and other organs—they neither irritate, inflame, sicken or weaken the patient, and the evacuations are natural, without straining.

These remedies are in no one case that have reduced to hygienic principle to the fazily of a mathematical demonstration—invariable in all cases, and proceeding current of sanguinous circulation and repugnant practice of the so called "regular faculty," the precision and invariability which are essential to the requirements of a science. Taking the human body as the problem, and health as the normal condition, they proceed by fixed rules to eliminate all extraneous and deleterious particles, and thus restore the constitution to its integrity, by the expulsion of those local or organic irregularities which vitiate the soundness of the whole.

In Cholera, Yellow Fever, Ship Fever, Dysentery, Diarrhœa, Typhus and Typhoid Fevers, and all malignant and malarious fevers, Radway's Ready Relief and Regulators are only positive curatives, but certain preventives.

Not only in the milder latitudes of the North have these remedies cured the patients of these terrible maladies, but under the burning zones of the tropics, where, in the wildest and most violent degrees, they scourged the people at a period when the strongest constitutions fell victims to the fearful pestilence. With these remedies you need not fear exposure to any contagious disease or infectious malady.

CONSTITUTIONAL DISEASES.

All diseases that have become *established* in the system, called chronic or constitutional, Radway's Resolvent, aided by the Relief and Regulators, will remove. Scrofula, Bronchocele, Leprosy, Erysipelas, Salt Rheum, and all kindred diseases will quickly yield to this all powerful remedy.
