GAS FROM ROSIN OIL

ON STEER,

FATTY FLUID MATERIAL,

THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances have always made them a favorite material for the manufacture of Illuminating Gas. Many Gas Companies use Rosin with coal, in order to supply their customers with a Superior Quality of Gas.

ROSIN OIL is entirely free from all dross and refuse substances, and yields at once, its Brilliant Illuminating Gas.

The Subscriber has purchased the apparatus for the manufacture of coal gas together with the attention and expense constantly required, and the difficulty, if not impossibility, of entirely separating the dross, deleterious matter and offensive gases, generated in coal, render the ROSIN OIL APPARATUS cheaper and more desirable in every way.

S. COATES, of 376 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and is prepared to furnish the United States and England, and every branch of business throughout the world, and their uniform acceptance and approval have gained for them the reputation of being THE STANDARD FROM WHICH THERE CAN BE NO APPEAL.

We are prepared to fill orders promptly reported to Department, Rolling Mill, Hay, Coal, Railroad and Canal Scales, at MANUFACTORY of HUSSEY & WELLS,

No. 325 Liberty Street, Commercial Row, Pittsburgh, Penna.

Medical.

R. R. R.

A FALSE THEORY EXPOSED!

THE TRUE SCIENCE REVEALED.

Mankind have long been engrossed in darkness and error, amidst the mystering of medicine, and of deriving a settled solution of the cause of ever disease, and its proper cure in the treatment of the sick.

Medicine, as practised by the regular faculty, is a confusion of a tornado of improbabilities and uncertainties. There is nothing in its theories on which the physician can rely as certain or frank the results obtained from its prescriptions are doubtful, and in most cases unsatisfactory.

It is a solemn and startling fact, that three-fourths of those who have departed this life' died victims, not to disease, but to the injudicious application of this subtle and unscertain theory, as practised by the regular faculty.

We have proved the utter fallacy of the regular practice of medicine, and the great undeniable truthfulness of the R. R. R. over and over again, in a thousand cases, where the regular physicians have given up their patients as incurable, and had it many cases even at the time to cast a few short hours, that their victims had to live, Radway's Ready Relief, Regulators or Resolvent, as the case may have been, has restored those dying patients to new life and health.

In the treatment of the sick by the R. R. R. remedies, there is nothing left to chance or uncertainties, for these remedies are so prepared as to posess fixed and positive curative powers, founded on principles as immutable in their power over diseases, as the laws of gravitation over the earth. It is therefore impossible for these remedies to fail in removing from the human system the difficulty for which they may be given, and of restoring the whole human system to its normal condition of health.

This is readily seen in the miraculous efficacy of RADWAY'S READY RELIEF—for the moment this remedy is applied to any part or parts of the body tortured with pain, or crippled with inflammation, pain and anxiousness cease, and the crippled, lame and wounded limb becomes invigorated with renewed strength. So also with the Resolvent. The most repulsive Sores, Ulcers, Humors, and the most constitute of chronic diseases quickly become extinct after the use of a few days.

In cases of Dyspepsia, Constipation of the Bowels, Intermittent Fever, Congestion, Palpitation of the Heart, Radway's Regulators, in the form of Pills, can be relied upon as a positive and certain corrector and regulator of those difficulties. In cases of temporary Costiveness or derangement of the stomach or bowels, the Cathartic and Purgative Pills given by the regular faculty, even if they remove the temporary difficulty, do so at the expense of Cramps, Sickness at Stomach, and Weakness, and after the effects of these purgatives are over, the bowels are left costive and the system debilitated. Radway's Regulatorw will instantly relieve pain and distress, remove the difficulty and restore a regular action to the liver, stomach, bowels and other organs—they neither irritate, inflame, sicken or weaken the patient, and the evacuations are natural, without prostrating the system or cramping the bowels

These remedies are the only ones that have reduced to a hygienic principle to the fixity of a mathematical demonstration—invariable in all cases, and proceeding on a settled routine. They, and they alone, have imparted to the incongruous experience and repugnant practice of the so called "regular faculty," the precision and invariability which are essential to the requirements of a science. Taking this human body as the problem, and health as its normal condition, they proceed by fixed rules to eliminate all extraneous and deleterious particles, and thus restore the constitution, to its integrity, by the expulsion of those local or organic irregularities which vitiate the soundness of the whole.

DANGEROUS DISEASES.

In Cholera, Yellow Fever, Bilg Fever, Dysentery, Diarrhoea, Typhus and Typhoid Fevers, and all malignant and malarious fevers, Radway's Ready Relief and Regulators are not only positive curatives, but certain preventives.

Not only in the milder latitudes of the North have these remedies cured this patients of these terrible maladies, but under the burning sense of the tropics, where, in the wildest and most violent degrees, they scourged the people as a pestilence. Those using these remedies you need not fear exposure to any contagious disease or infectious malady.

CONSTITUTIONAL DISEASES.

All diseases that have become *established* in the system, called chronic or constitutional, Radway's Resolvent, aided by the Relief and Regulators, will remove. Scrofula, Bronchitis, Ulcers, Sores, Fever Sores, Humors, Hemors, Salt Rheum, and all skin diseases will quickly yield to this all powerful remedy.

The use of the Resolvent will, in a few weeks, entirely change the whole condition of the body, we care not from how many generations you have derived your title to the loathsome establishment in your bodies, Radway's Resolvent will remove it, and give to you what your forefathers were unable to—a pure and healthy body—free from disease.

FOREIGN CONSUMPTION.

All diseases prevalent at this season of the year, caused by derangement of the organs of the system, sudden changes of the weather, heat and cold, disturbed circulation of the blood—Rheumatism, Neuralgia, Tic Doloreux, Bowel Complaints, Fever and Ague, Headache, Nervousness, Sores and Pains of all kinds, Bruises, Burns, Scalds, Falls, Inflammatory Diseases, Congestive Diseases, Humors in the system—Impure Blood, Boils, Pustule Pimples, Blotches, &c. Liver Complaints—Dyspepsia, Kidney Complaints, and all diseases of the urinary passages, Inflammatory, malarious, nervous, chronic or constitutional, Radway's Remedies will most positively exterminate and remove the infirm and enfeebled system to health and strength.

CAUTION.

Ye who have friends now upon the brink of the grave, on whom all hopes of recovery are lost—who have been given up and pronounced by your physician, as hurtin you be made comfortable by your friends, and a few more effort to ease the valued life of the dying one. A victim to these friendly cannot do any injury, and may restore to life and health, even though in hopes are entertained by your physician. Over a thousand such instances have been reported to Radway and we therefore, feel ourselves justified in requesting the trial. Surely, after the physician says he can do no more, his prejudice to your using a remedial agent should be overcome, if criminal.

As so of the instances we have alluded to in the above we give names to fill orders, but will refer to the following: Dr. Grant, Rolling Mill, Hay, Coal, Railroad and Canal Scales, at MANUFACTORY of HUSSEY & WELLS,

No. 325 Liberty Street, Commercial Row, Pittsburgh, Penna.

HARDSWRITH, Fontenac Co. C. W., June 24th, 1857.

In October, 1855, my wife giving birth to a child, left her bed too early and caught a severe cold, which promised to end in fatal lung fever. The best physicians in this neighborhood and Kingston were in attendance on her—but all of no shorter notice.

Millers and others will find it to their advantage in the quality of goods used and prices charged, to have their orders filled at my manufactory. DAVID C. HERBST.
