GAS, FROM ROSIN OIL.

FATTY FLUID MATERIAL.

THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances exceeds any made from a favorite material for the manufacture of Illuminating Gas. Many Gas Companies use Rosin, with coal, in order to supply their customers with a Superior Quality of Gas.

ROSIN OIL is entirely free from all dross and refuse substances, and yields at once, its Brilliant Illuminating Gas.

The greater original cost of the apparatus for the manufacture of coal gas together with the attention and expense constantly required, and the difficulty, if not impossibility, of entirely separating the unwholesome, deleterious and offensive gases, generated in coal, render the ROSIN OIL APPARATUS cheaper and more desirable in every way.

S. COATES, of 376 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the public to his present complete and efficient machine.

Perfect satisfaction to the purchaser guaranteed in every case. For further information address

R. R. R.

A FALSE THEORY EXPOSED.—

THE TRUE SCIENCE REVEALED.

Mankind have long been engulphed in darkness as regards the mysteries of medicine, and of devising a truthful solution of its power over disease, and its proper use in the treatment of the sick.

Medicine, as practiced by the regular faculty, is a delusion a bundle of improbabilities and uncertainties. There is nothing in its theories on which the physician can rely as certain or fixed; the results obtained from its prescriptions are doubtful, and in most cases unsatisfactory.

It is a solemn and startling fact, that three-fourths of those "who have departed this life" died victims, *not to disease,* but to the injudicious application of this erratic and uncertain theory, as practiced by the regular faculty.

We have proved the utter fallacy of the regular practice of medicine, and the great undoubted usefulness of the R. R. R. over and over again; for, in a thousand cases, where the regular physicians have given up their patients as incurable, and had in many cases even set the time to only a few short hours, that their victims had to live, Radway's Ready Relief, Regulators or Resolvent, as the case may have been, has restored those dying patients to new life and health.

In the treatment of the sick by the R. R. R. remedies, there is nothing left to chance or uncertainties, for these remedies are so prepared as to possess fixed and positive curative powers, founded on principles as immutable in their power over diseases, as the laws of gravitation over the earth. It is therefore, impossible for these remedies to fail in removing from the human system the difficulty for which they may be given, and of restoring the whole human system to its normal condition of health.

This is readily seen in the miraculous efficacy of RADWAY'S READY RELIEF—for the moment this remedy is applied to the part or parts of the body tortured with pain, or crippled with infirmities, all pain and uneasiness ceases, and the crippled limbs and wounded limb becomes instantaneously refreshed with renewed strength. So also with the Resolvent—The most repulsive Sores, Ulcers, Humors, and the most o stinate of chronic diseases quickly become extinct after one dose is taken.

Cases of Dyspepsia, Constipation of the Bowels, rangement of the Liver, Congestions, Palpitation of th Heart, Radway's Regulators, in the form of Pills, can be relied upon as a positive and certain corrector and regulator of those difficulties. In cases of temporary Constipation or derangement of the Stomach or bowels, the Cathartic and Purgative Pills given by the regular faculty, even if they remove the temporary difficulty, do so at the expense of Cramps, Sickness at Stomach, and Weakness, and after the effects of these purgatives are over, the bowels are left costive and the system debilitated. Radway's Regulators will instantly relieve the pain and distress, remove the difficulty and restore a regular action to the liver, stomach, bowels and other organs—they neither irritate, inflame, sicken or weaken the patient, and the evacuations are natural, without purging the system or deranging the bowels

Where remedies are the only ones that have reduced t o hygienic principle to the fixity of a mathematical demonstration—invariable in all cases, and proceeding on a settled routine. They, and they alone, have imparted to the incongruous experience and repugnant practice of the so-called "regular faculty," a precision and invariability which are essential to the requirements of a science. Taking the human body as the problem, and health as its normal condition, they proceed by fixed rules to eliminate all extraneous and deleterious particles, and restore the constitution to its integrity, in curing all those local or organic irregularities which vitiate the soundness of the whole.

The Greatest Medical Discovery OF THE AGE.

MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common pasture weeds, a remedy that cures every kind of Human from the worst Scrofula to a common Pimple.

Over seven hundred cases, and never failed except in two cases (both thunder beaters.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

One bottle has been warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples of the face.

Two to three bottles will scour the system of boils.

Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of erysipelas.

One to two bottles are warranted to cure all humors of the eyes.

Two bottles are warranted to cure roaning of the ears and blotches among the hair.

Two to three bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the most desperate case of rheumatism.

Two to three bottles are warranted to cure the worst cases of ringworm.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pastures, and along old stone walls and fences, can possibly cure them, and yet it is a fact a fact. If you have a humor it has to start. There are no if nor ands, humor or he's about the stilling some cases must be yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has a good done some of the greatest cures ever done by human power. I gave it to children over a year old: to old people of sixty. I have seen poor, puny, wormy looking children whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure it. It gives great relief to catarrh and dizziness. Some who have been costive for years, have taken and been regulated by it. Where the body is sound it works like a charm, and where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that man ever listened to. No change of diet is necessary—eat the best you can get. I have likewise an herb, which, when simmered in sweet oil, dissolves scrofulous swelling of the neck and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle.

DIRECTIONS FOR USE.

Adult, one table spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, tea spoonful. As no directions can be made applicable to all constitutions, take enough to operate on the bowels twice a day.

Mr. KENNEDY gives personal attendance in bad cases of scrofula.

KENNEDY'S MEDICAL DISCOVERY—

A WONDERFUL DISCOVERY! WHICH HAS BEEN THE STUDY AND research of the best medical men that ever lived to find a remedy that would positively cure the Dyspepsia, which has been successfully found out by

DR. R. T. FORD,

OF PITTSBURGH, PENNA.

His laborious search and research in the Vegetable Kingdom for eight or ten years, has brought to light a wonderful Medicine which will radically cure the DYSPEPSIA, which is the first cause of all general disease which the human system is subject to. Keeps the Reservoir (Stomach) clean and healthy. Men must all have good health and cannot be a subject of any general disease.

DR. R. T. FORD has been a subject of this awful disease himself, (Dyspepsia) for eight to ten years, and has tried hundreds of experiments on himself, but all in vain, until his present discovery, which has radically cured him and many others in six, eight to twelve days, without pain or confinement, or any amusement feelings in the system, but on the contrary, it invigorates the system and gives a healthy action to every part. It will not gripe or sicken on the sensation to every part. It will not gripe or sicken on the bowels, and give a healthy action to the stomach and liver. You can eat and drink your usual dieting, which will not interfere—the medicine always doing its duty—satisfied

DR. R. T. FORD'S DYSPEPSIA CORDIAL.

What kind of diseases will Dyspepsia produce? I answer it is the first cause of all general diseases. Liver Affection, Lung Affection, or Pulmonary Disease, Bronchitis, Sick Headache, Bilious Diarrhœa, Bilious and Typhoid Fevers, Fever and Ague, Nervous Fever, Neuralgia, Hernia, (Piles,) Costive Bowels, boils, Husky or Gummy Skin, Colds Rheumatism of all kinds, Apoplexy, Insanity, Weakness of the human system, False Conception of the Mind, Heartburn, Bilious Spasm, False Conception of the Mind, Heartburn, Fulness of the Stomach, Throwing up of your Food, and also Wind. All of the above feelings may or will be produced from a Dyspeptic stomach. From that organ all general diseases will be produced, (if this statement is true, which no man mind will deny,) because all who have been sick know this statement to be true from experience, a sick or deranged stomach is first.

How important it is to a poor patient who has been suffering for many years, to point high to a remedy that he can rely on, and radically remove the cause that has made him sick. It's like a mariner tossed upon the ocean, at the first glimpse of a light house, his heart bounds with joy.
