GAS FROM ROSIN OIL

ON OTHER

FATTY FLUID MATERIAL.

THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances have always made them a favorite material for the manufacture of illuminating Gas. Many Gas Companies use Rosin in with coal, in order to supply their customers with a superior quality of Gas.

ROSIN OIL is entirely free from all dross and refuse substances, and yields at once, its Brilliant Illuminating Gas.

The greater original cost of the apparatus for the manufacture of coal gas together with the attention and expense constantly required, and the difficulty, if not impossibility, of entirely separating the unwholesome, deleterious and offensive gases, generated in coal, render the ROSIN OIL APPARATUS cheaper and more desirable in every way.

S. COATES, of 274 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the public to his present complete and efficient machine.

Perfect satisfaction to the purchaser guaranteed in every case. For further information address

THE TRUE SCIENCE REVEALED.

Mankind have long been cajoled in darkness and deceived the mysteries of medicine, and of deriving a fruitful solution of its power over disease, and its proper use in the treatment of the sick.

Medicine, as practiced by the regular faculty, is a delusion a humbug of improbabilities and uncertainties. There is nothing in its theories on which the physician can rely as certain or fixed; the results obtained from its prescriptions are doubtful, and in most cases unsatisfactory.

It is a solemn and startling fact, that three-fourths of those who have departed this life* died victims, not to disease, but to the injudicious application of this subtle and uncertain theory, as practiced by the regular faculty.

We have proved the utter fallacy of the regular practice of mystic, and the great undeniable truthfulness of the H. R. R. over and over again; for, in a thousand cases, where the regular physicians have given up their patients as incurable, and had to many cases even set the time to only a few short hours, that their victims had to live, Radway's Ready Relief, Regulator or Resolvent, as the case may have been, has restored those dying patients to new life and health.

In the treatment of the sick by the R. R. R. remedies, there is nothing left to chance or uncertainties, for these remedies are so prepared as to possess fixed and positive curative powers, founded on principles as immutable in their power over diseases, as the laws of gravitation over the earth. It is therefore, impossible for these remedies to fail in removing from the human system the difficulty for which they may be given, and of restoring the whole human system to its normal condition of health.

This is really seen in the miraculous efficacy of RADWAY'S READY RELIEF, for the moment this remedy is applied to the part or parts of the body tortured with pain, or crippled with infirmities, all pain and unnatural excess, and the crippled, lame and wounded limb becomes invigorated with renewed strength. So also with the Resolvent—The most repulsive Sores, Ulcers, Humors, and the most constats of chronic diseases quickly become extinct after a few doses is taken.

In cases of Dyspepsia, Constipation of the Bowels, derangement of the Liver, Congestions, Palpitation of the Heart, Radway's Regulators, in the form of Pills, can be relied upon as a positive and certain corrector and regulator of those difficulties. In cases of temporary Constipation and irregularity of the stomach or bowels, the Cathartic and Purgative Pills given by the regular faculty, even if they remove the temporary difficulty, do so at the expense of Cramps, Sickness at Stomach, and Weakness, and after the effects of these purgatives are over, the bowels are left costive and more obstinated. Radway's Regulators will instantly relieve the pain and distress, remove the difficulty and restore a regular action to the liver, stomach, bowels and other organs—they neither irritate, inflame, sicken or weaken the patient, and the evacuations are natural, without purging the system or cramping the bowels.

These remedies are the only ones that have reduced to a regular principle to the fixity of a mathematical demonstration—invariable in all cases, and proceeding on a settled routine. They, and they alone, have imparted to the public confidence, founded upon a knowledge of the so called "regular faculty," the precision and invariability which are essential to the requirements of a medicine. Taking the human body as the problem, and health as its normal condition, they proceed by fixed rules to eliminate all extraneous and deleterious particles, and thus restore the constitution to its integrity, by the expulsion of those local or organic irregularities which are the soundness of the whole.

DANGEROUS DISEASES.

In Cholera, Yellow Fever, Ship Fever, Dysentery, Diarrhœa, Typhus and Typhoid Fevers, and all malignant and malarious fevers, Radway's Ready Relief and Regulators are not only positive curatives, but certain preventives.

Not only in the milder latitudes of the North have these remedies proved a positive blessing to mankind, but under the burning zones of the tropics, where, in the wildest and most violent degrees, they scourged the people as a pestilence. With these remedies you need not fear exposure to any contagious disease or infectious malady.

A WONDERFUL DISCOVERY!!!

WHICH HAS BEEN THE STUDY AND the most practical medical men that ever lived to find a remedy that would radically cure the Dyspepsia, which has been recently found out by

OF PITTSBURGH, PENNA.

His laborious search, and research in the Vegetable Kingdom for eight or ten years, has brought to light a wonderful Medicine which will radically cure the DYSPEPSIA, which is the first cause of all general disease which the human system is subject to. Keeps the Reservoir [Stomach] clean and healthy. We must all have good health and cannot be subject to any general disease.

Dr. R. T. FORD has been a subject of this awful disease himself, (Dyspepsia) for eight to ten years, and has tried hundreds of experiments on himself, but all in vain, until his present discovery, which has radically cured him and his present discovery, which has radically cured him and many others in six, eight to twelve days, without pain or sickness, or any unpleasant feelings in the system, but on the contrary, it invigorates the system and gives a healthy action to every part. It will act gently or copiously on the bowels, and give a healthy action to the stomach and liver. You can eat and drink your usual dieting, which will not interfere—the medicine always doing its duty...called

DR. R. T. FORD'S DYSPEPSIA CORDIALS.

What kind of diseases will Dyspepsia produce? I answer it is the first cause of all general diseases. Liver Affection, Lung Affection, or Pulmonary Disease, Bronchitis, Sick Headache, Billious Diarrhœa, Billious and Typhoid Fevers, Fever and Ague, Scarvey Fever, Neuralgia, Hernia, (Piles,) Costive Bowels, Boils, Husky or Gummy Skin, Colds Rheumatics of all kinds, Apoplexy, Insanity, Weakness of the System, Rare Conception of the Mind, Heartburn, Fulness of the Stomach, Throwing up of your Food, and also Wind. All of the above feelings may or will be produced from a Dyspeptic stomach. From that organ all general diseases will be produced, [if this statement is true, which no one mind will deny,] because all who have been sick know this statement to be true from experience, a sick or deranged stomach is first.

How important it is to a poor patient who has been suffering for many years, to point him to a remedy that is near ready un, and radically remove the cause that has made him sick. It's like a mariner tossed upon the ocean, at the first glimpse of land, his heart bounds with joy.
