PITTSBURGH:

Morado Serwanz, whose case has been fully developed as one of small-pox, was yesterday removed to Passavani's Hospital, where he will end to judge a process of the most eminent theologians and pulpit orators of the West.

Mass Bergu, the young girl who was shockingly wounded a few days since by being the result of his symptoms, for some days pass. On Monday avening he told Jailor Philips that the case resembled small pox very much, but might prove otherwise. On Tuesday he became attained that his diagnosis was correct, and measures were taken to have the patient removed. The Court expressed its willingness to make an order for the removal of the prisoner, but the Sheriff must become responsible for his gath the Sheriff must become responsible for his gath. At first the Sheriff demurded to placing himself in "the room and stend of the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be different to placing himself in "the room and stend of the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which would be the case legally, if the prisoner, which

A FIGHT occurred on Tuesday night at a had house in the Diamond. The Mayor headed his police in person and made a descent upon the disturbers of the peace. They arrested John Kemp, Sarah Barker, Nelly Boyle, Rachel Reed, and James Todd, who were all placed in the

and James Todd, who were all placed in the tombs.

John Kemp is the same young man who was last Saturday morning discharged by Judge-Mc Clure, having been confined on a charge of larceny, which, however, the prosecutor never appeared to substantiate. He and Todd were sent to jull for fifteen days in default of fine money, while the others were able to pay up, and paying, were discharged.

New York, October 15th, 1562.

This is to certify that I was tro-bled with a tape worn for more than six months. I tried all the known remedies for this dreadful affliction, but without being able to destroy it. I got one of Dr. McLane's Almannes, which centained notices of several wonderful cures that had been performed by his celebrated Vermidinge, prepared by Fleming lines—I resolved to try it; and immediately purchased a bottle, which I took according to directions and the result was, I discharged one large tape worn measuring more than a yard, besides a number of small ones. PITTSBURGH, PA THE HEALTH OF AMERICAN WOMEN For many years I have been troubled with genera weariness and languor, both mental and physical; caprice, weariness and languor, both mental and physical; caprice, listiness and languor, both mental and physical; caprice, listiness and lineadache, pain in the head and temple.

Coldness and tendency to stiffness, paipitation of the beart, rery easily fluttered or excited, appetite variable, atomach and bowles deranged, with pain. Any mental or physical exerction was sure to bring on all the symptoms, and I had in addition, falling of the womb, and great pain in that region. One physician after another exhausted his skill and give me up. Ican truly say that I have been a sufferer for many years with whites and deranged menstruation. After a while I had other troubles, such as pule face, indignetion, wasting away, general languer and debility, pain in the small of the back, a sort of aching and dragging sensation, pain between the abundler blasics extending down the spine, loss of appetite, trouble in the stomach and bowels, with cold hands and free and dreafful after a bound of the work of the stomach and bowels, with cold hands and free and dreafful after a bound of the say. I tried occurs and drage, and everything, one after another, without the benefit. One bettle of MaRISILALL'S UTRININE CATHOLICON changed some of my symptoms for the better, and owe I am entirely and radically cared. I wish that every woman could know what it will do. CLAIUSSA UBER. MARSHALL'S UTERINE CATHOLICAN has saved my MARSHALL'S UTERINE CATHOLICAN has saved mutilife, as I worlt polices. I tried dectors and melicitie until its exemed useless to try longer, when I met with a tady who recommended the Catholican ossitrongly that I deemed it my duty to try it. I was nostly troubled with derauged mentrustion. My symptoms were principally pains in the back and aldomen, hearing down pain at the time of the illness, and timbs were brushed or borden, eruciations and womiting anaitely (life seemed to be a burden.) distributed steep, faintness, sindulerings, faitipuoti walking in the morning, flattness, enhodierings, faitipuotio walking in the morning, flattness, enhodierings, faitipuotio walking in the morning, flattness, enhodierings, faitipuotio walking in the morning, flattness, enhodierings, faitipuotiva walking in the morning, flattness, or the state of the second of the second contains inclination to pass water, great restlessues and don't to wreep or feel mikeppy. I was not only entirely cured myself of all these symptoms, which I have given as an imperfect account of my sufferings, but I have known so many others cured in our town that I feel bound to let you know, that others who are similarly situated may also find relief.
