Pittsburgh Gazette.

S. RIDDLE & Co. BDITORS and PROPRIETORS.

PITTSBURGH:

ve States. The gross expenditures \$9,884,042 22, including transportation, salafies, and the immediate expenses of the various offices. Of this amount \$4,181,-762 12 accrued in the slave States, and \$5,785,-180 10 in the free States and Territories. The total deficit for the year amounted to \$2,814,-674 41.

The excess of expenses over receipts in the slave States was \$2,436,598, and in the free tates \$374,981.

The States of Massachusetts, Rhode Island. The States of Massachusetts, Rhode Island, Connectiout, New York, and Pennsylvania, the District of Columbia and Washington Territory are the only ones in which the receipts exceed the gross expenses, which they respectively do in the following amounts: Massachusetts \$178,-560 23, Rhode Island \$23,097 20, Connecticut \$27,776 19, New York \$433,533 78, Pennsylva-nia \$27,660 61, District of Columbia 5,075 96, and Washington Territory \$947 68. The largest receipts in any State worn in New The largest receipts in any State were in New ork, amounting to \$1,508,444 42. Pennsylva-York, an fore are that, even had the tax been repealed years ago, the freight alluded to would have

164 64. Of course the expenses in these two States were also the largest." Notwithstanding the boasts of the resources, wealth and enterprise of the South, uttered in Congress by Gov. Hammond and other repre-sentatives of that section, it will be observed

sentatives of that section, it will be observed that the "dependent" North contributes the heaviest proportion, towards the maintenance of this expensive system. While the expensives of keeping it in operation are nearly as great in the South as in the North, the latter pays into the dependent four times the amount the short result four times the short four the department nearly four times the amount that is paid in by the former. The States in and to obtain a fair share of the carrying trade, which the receipts exceed the gross expendi- and that with the tonnage tax on. Its monthly tures, are all non-slaveholding. The District of receipts show an increase over previous years, Columbia, with the advantages of a limited ter- while theirs all show a falling off. We may be ritory, dense population, and proximity to Northern commercial cities is the only section in which Slavery has an existence, where the expenses do not exceed the income. This principal points in the West, sceking freight, indoes not look much like "dependency" on stead of refusing it.

the part of the North. We are driven to the The burden of the home argument in favor of conclusion by these figures, that if the South the repeal of the tonnage tax is and has been s ahead of the North in public wealth and that that tax falls upon the citizens of Pennsylindividual enterprise, the fact has yet to be vania and not upon those of other States-that demonstrated. The receipt and transmission of the road, in order to take freight from its comletters have always been regarded as a sure in- petitors, is compelled to carry at very low rates, dex of the commercial prosperity of a State or without reference to the tonnage tax; that connation. Hence the postal communication of sequently it is forced to levy that tax upon its England is far greater than that of France, and local freight; and hence the discriminations st on the same principle France compares favora- loudly complained of. If this be true in poin bly with the other nations of Continental Eu- of fact, and we take it for granted that it is, then rope. These figures are worth more than all there can be no good reason for refusing freight in the West on account of the tonnage tax, unorators, made in a spirit of idle boasting, or with less, indeed, when freight is plenty and the road the view to tickle the ears of a prejudiced and has more than it can do, the refusal of it on that vain-glorious consistency. They show in han-guage too plain to be misunderstood or contro-ture in favor of repeal. THE SUNBURY AND ERIE ROAD. - The Harrisour national prosperity and our future greatness burg Telegraph, which last year did good service are working to the most advantage. Pennsylin defeating the scheme to quarter the Sunbury vania and New York are justly considered as the

and Erie road on the State Treasury, is now leading States of the confederacy in regard to very much surprised at our opposition to the kindred scheme of giving that company the pubcommercial wealth, population and natural resources. This is a truth that no one will prelic works. It vindicates this new grab at the tend to gainsay. The returns of the Post Office exhibit their faithfulness as a criterion of public State property on the following grounds:

oxhibit their faithfalness as a criterion of public prosperity, by placing those States in their proper position, in respect to the operation of the postal system. In the receipts New York stands first and Pennsylvania next. pecuniarily and morally, by the sale. 3rd. That it will enable the company to com-plete its road to the harbor of Erie, and thus While on this subject we may mention that a

proposition has been laid before Congress to abolish the Post Office Department, on the ground that it does not operate is the advantage or court weakly and interesting portion of our territory. venience of the public, and in place of it leave the carrying of letters, papers, &c., to private companies It is contraded that the memount realized from the sale of the Main proposition has been laid before Congress to

THE TONEAGE TAX.-We quoted the other day a paragraph from the Philadelphia Ledger, stat-ing that the Pennsylvania Road had been com-pelled to decline receiving freight in the west on account of the tonnage tax, and we added our conviction that not a pound had been re-fused on that account. We have received from the office of the company a copy of our paper of that date, with the following note appended to our editorial remarks. DRS, C. M. FITCH & J. W. SYKES

The fact that it will enable the company, awaiting only the adjustment of some difficulties at the expense of the State, to complete its road in regard to the proposed boundaries of the new to Erie is the main objection to the bill. We territory, after which, it is said, it will be re- have no objections to the company completing ported favorably. Very little is known about this territory by the people at large, and the giving it State help we are opposed to. We announcement of its proposed organization took protest against the State loaning her credit, the public by surprise. It is possible that the directly or indirectly, to any railroad company. slavery contest will in the course of time be The Constitution forbids it, and so does prudence transferred from Kansas to this region, under and a due regard for the public interests. The

the operation of the "Squatter Sovereignly" Sunbary & Eric Company is out of funds, and doctrine. Indeed we have information that therefore unable to fnish its road; and the obwhat little emigration has set out in that direction that been with the view to make it either a lic works, to put it in good oredit, and by means slave or a free State. Kansas has contributed of that credit, obtained by the possession of propsome agitators from within its own borders who erty for which it has not paid, to raise money may live to "fight their battles o'er again" in a enough to go forward in completing its unfinnew field. Presuming that there are many ished work. It is practically, though not nomreaders of the Gazette who would like to know inally, loaning to it the State credit. If it is not something about the proposed territory, we copy able to raise money to finish its road, it is not the following notice of it from the Washington able to buy the public works; and the State correspondence of a cotemporary.

Bit Building age a number of the specific of the

directed." The cause of the rumored removal of Col. Brindle from the land office at Lecompton, and Gen. Whitfield at Kitckapoo, is supposed to list in the fact that they both voted against the Lecompton constitution on the 4th of January. The long devotion of Whitfield to the interestion of border. ruffianism does not seem sufficient to excuse this unpardonable sin. The published But whether drunk or sober, he was acting in but of new reported federal spicoliments about Brindle incom Gen. Whitfield at Kicksport Lecompton constitution on the sich of January. The long devotion of Whitfield to the interests of border ruffianism does not seem sufficient to excuss this unpardonable sin. The published list of new reported federal signointments about to be made for Kanasa embraces many of the most notorious scoundrels in the territory. The nublic feeling against the Lecompton to be made for Kanasa in the territory. The nublic feeling against the Lecompton the pro-slavery The pro-slavery the pro-slavery the best whether druk to resolve the seem to be to force the Lecompton Constitution through Congress by every form of bullyism and violence. It re-mains to be seen how such tactics will succeed." And yet this man GREXE is the Administra-And yet this man GREXE is the Administrato be made for kansas embraces many of the most notorious scoundrels in the territory. The public feeling against the Lecompton Constitution through Congress by every form of bullysian and violance. It re-lecompton Constitution through Congress by every form of bullysian and violance. It re-mand the certificates are given to the pro-slavery men, elected by the Shawnee, Delaware Crossing and Klekapoo frauds, civil war is inevitable. Kansūs Cor. St. Louis Dem.
