Those wishing an extra article of choice varieties might find it to their interest to examine my stock before ordering elsewhere. schdawtf JNO. MURDOCH, Jr.

REASONS for buying at home in place of from Tree Pedlars:

1st. We sold Cherry Trees last fall at from 31 to 40 cents that they charged 50 to 75 cents for. Apple (51 clam) 12½ that they charged 17 for. Peach at 12½ that they charged 25 for, and other things in proportion.

2d. You can have them planted a few hours after they are taken up, while the pedlars' trees have many hours to pass on canals and at railroad depots before they reach the places.

3d. If mistakes occur a proprietor is still about to correct them, but a pedlar, where is he!

GAS FROM ROSIN OIL

THE FATTY FLUID MATERIAL.

THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances have always made them a favorite material for the manufacture of illuminating Gas. Many Gas Companies use Rosin with coal, in order to supply their customers with a superior Quality of Gas.

ROSIN OIL is entirely free from all dross and refuse substances, and yields at once, its Brilliant Illuminating Gas.

The greater original cost of the apparatus for the manufacture of coal gas together with the attention and expense constantly required, and the difficulty, if not impossibility, of entirely separating the unwholesome, deleterious and offensive gases, generated in coal, render the ROSIN OIL APPARATUS cheaper and more desirable in every way, with all other goods usually found in first class Carpet Stores, all of which we are prepared to sell at the very lowest rates for cash. oct W. to another

The symptoms, if allowed to go on—which this medicine invariably removes—soon follows LOSS OF POWER, FATUITY, AND EPILEPTIC FITS—in one of which the patient may expire. Who can say that these excesses are not frequently followed by those direful diseases—INSANITY AND CONSUMPTION! The records of the INSANE ASYLUMS, and the melancholy deaths by CONSUMPTION, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears—The countenance is actually seldom or quite destitute—neither Mirth or Grief ever visits it. Should a cure of the most confirmed character not ensue.

"Wish would measures was denied

AYER'S PILLS.

ARE particularly adapted to derangements of the digestive apparatus, and diseases arising from impurity of the blood. A large part of all the complaints that afflict mankind originate in one of these, and consequently these PILLS are found to cure many varieties of disease.

Subjoined are statements from some eminent physicians, of their effects in their practice.

FAMILY PHYSIC.

From Dr. E. W. Cartwright, of New Orleans

"Your PILLS are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease."

FOR JAUNDICE AND ALL LIVER COMPLAINTS.

From Dr. Theodore Bill, of New York City.

"Not only are your PILLS admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people."

DYSPEPSIA—INDIGESTION.

From Dr. Henry J. Knox, of St. Louis.

"The PILLS you were kind enough to send me have been all used in my practice, and have satisfied me that they are truly an extraordinary medicine. Peculiarly are they adapted to the diseases of the human system, that they seem to work upon them alone. I have cured in cases of dyspepsia and *indigestion* with them, which had resisted the other remedies we commonly use. Indeed I have experimentally found them to be effectual in almost all the complaints for which you recommend them."

DYSENTERY—DIARRHŒA—RELAX.

From Dr. J. G. Green, of Chicago.

"Your PILLS have had a long trial in my practice, and I hold them in esteem as one of the best cathartics I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for *bilious dysentery and diarrhœa.* Their sugar coating makes them very acceptable and convenient for the use of women and children."

INTERNAL OBSTRUCTION—WORMS—SUPPRESSION.

From Mrs. E. Stuart, who practices as a Physician and Midwife in Boston.

"I find one or two large doses of your PILLS, taken at the proper time, are excellent promoters of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have tho' I recommend no other to my patients."

CONSTIPATION—COSTIVENESS.

From Dr. J. P. Vaughn, Montreal, Canada

"Too much cannot be said of your PILLS for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your PILLS affect that organ and cure the disease."

LIVER COMPLAINT OR THE BLOOD—SCROFULA—ERYSIPELAS—SALT RHEUM—TETTER—TUMORS—RHEUMATISM—GOUT—NEURALGIA.

From Dr. Ezekiel Hall, Philadelphia.

"You were right, Doctor, in saying that your PILLS *purify the blood.* They do that. I have used them of late years in my practice, and agree with your statements of their efficacy. They stimulate the excretories, and carry off the impurities that stagnate in the blood, engendering disease. They also stimulate the organs of digestion, and infuse vitality and vigor into the system.

"Such remedies as you prepare are a national benefit, and you deserve great credit for them."

FOR HEADACHE—SICK HEADACHE—FOUL STOMACH—PILES—DROPSY—ULCERS—SCROFULA—ERYSIPELAS—ETC.

From Dr. Edward Boyd, Baltimore.

"DEAR DR. AYER: I cannot answer you what complaints I have cured with your PILLS better than to say *all that we ever treated with a purgative medicine.* I place great dependence on an effectual cathartic in my daily contact with diseases, and believing as I do that your PILLS afford us the best we have, I of course value them highly."

☞ Most of the PILLS in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequence that frequently follow its incautious use. These contain no mercury or mineral substances whatever.

AYER'S CHERRY PECTORAL

Has long been manufactured by a practical chemist, and every atom of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits and consequently can be relied on as genuine, without adulteration. It supplies the surest remedy the world has ever known for the cure of all pulmonary complaints, from Coughs, Colds, Hoarseness, Asthma, Croup, Whooping Cough, Bronchitis, Incipient Consumption, and for the consumptive patients in advanced stages of the disease. As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log cabin of the American peasant to the palaces of European kings. Throughout this entire country it is extensively used by their most intelligent physicians. If there is any dependence on what men of every nation certify it has stood for them: it we can trust our own senses when we see the dangerous affections of the lungs yield to it: if we can depend on the assurance of intelligent physicians, whose business is to know, in their practice there is any reliance upon any thing, then is it positively proven that this medicine does cure the class of diseases it professes to, more than any and all other remedies known to be designed for beyond any and all question.

Nothing but its intrinsic virtues, and the unimpeachable benefit conferred on thousands of sufferers, could have originated and maintain the reputation it has. While many inferior remedies have been thrust upon the community by those who have failed, and been disc
