PERRIN & JOHNSON, Proprietors,

SPRING AND SUMMER A RE NOW PREPARED TO CONTRACT AND PUT ON AT THE SHORTEST NOTICE

the above Elastic Fire and Water-Proof Ogeneral Roofing. It belong the only article yet invented that will encomplain IT IS PERFECTLY FIRE AND WATER-PROOF, And in point of durability, we believe it is equal, if not supe er, to any Matallic Roofing. We can put it on ever Old Tin

Tar. Iron or Shingle Roofs, it making nod ence how flat or steep the roof may be. This

Roofing is varanated to prove as above represented. We will put it on for

MAT DOLLARE PER SOURKE, TEXT PPET SOURKE, being on account of its durability the
choryest paint that can be used.

Saw. We intrine all who are building, and also those who wish that Roofs Repaired, to call at our office, ISS Taired Street

and examine samples and satisfy themselves in regard to the durability and practicability of this Roofing.

J. G. PERRIN,

S. A. JOHNSON,

No. 133 Third street, between Wood and Smithfield,

Pittsburgh, Penna. W.M. JOHNSON,)

I have made a chinical examination of some specimens of W. E. CHILDS & OVE ROOFING, left at my office, the results of which are as follows:

1st. The materials compounded some to round pliable for a greatlength of time.

2st. The consistency is not readily inflamened by the temperature; consequently it would not be liable to melt and run of from a roof in summer, or crack in Winter, i. a extreme of natural best and roold would not injure it.

If room the action of the waste acid but slightly alkaline. It would not destroy the canval, but on the contrary protect it from the action of the waste acid but slightly alkaline. It would not destroy the canval, but on the contrary protect (th. 11 is Water Proof, and to a large extent Fire-Proof; that is, sparks and fire brands falling upon it could not foliate it. In my opinion such a roof will last for years if put on carefully and receiving prompt attention.

According to the contrary of the contrary protect of the contrary product of the I have examined W. E. Chilles & Co's Elastic Fire and Water-Proof Cement Rooting, and as far as I can fage, consider a good invention, and am willing to insure buildings thus protected upon the same terms at Judge, consider that it is a pilydaw's [Signed] JNO.
