DISTIFICATION CONTRICT DESCRIPTION Prom Dr. Henry J. Knoz, of S. Louit. "The Title you were kind enough to send me have been all used he my practice, and have astiched me that they are truly an attraordinary medicine. So peculiarly are they adapted to the disease of the human system, that they are truly an outroot of the human system, that they are to work upon them alone. Thave cured some cases of dy-perior and indigetion with them, which had reasted the other romedies we commonly use. Indeed I have experi-mentally found them to be effect all and induct all the com-plaints for which you recommend them." DISERVENT-DIAMONGA-HELL. "Your Piths have had a long trial in my practice, and 1 hold them in esteem as one of the best sperions I have even form. The alternive effect upon the liver makes them any end diancy, when piren in small does for billious any end diancy. They spectrate them any end diancy. They spectrate them a children."
