ticle published under the sanction of the French ful duplicity. In Russin, as we are told, the civil officers have no opinions. If they ever in their lyca, did have any, they dismiss them on the full service of the Emperor. The sance with in no esteem among them in the interior probably i will be entirely transparent. Only in this country, and chief among the stock transe with in no esteem among them i the sancies or doubly i will be entirely transparent. Only in this country, and chief among the stock transe with in no esteem among them i the sancies or doubly i will be entirely transparent. Only in this country, and chief among the stock transe with in no esteem among them i the sancies or doubly i will be entirely transparent. Only in this country, and chief among the stock transe speak or moral ills have rolled in like are crushed and stiffed in the secretest chambers of the heart, while the tongue, the face and the hands must speak or look or act at the bidding of power? What is that people but a fastion of moral cowards and liars? Assorg the straps of the yet more tyrannous tribes of Asia and Affica, to see a man who speaks the truth is to behold a wonderful sight uoder the sun. _Sul-tanse, viters and bowadjis have ground out of the subject whatever of manliness there might have been in him, and he has become the mere alayse of their nad. Consider then, for a little biling of the Eaglish newsparents. By the in-

Alas, alas, that so portentous a truth should be old and stale. We know it is so, and we lament papers have been remarkably discreet through-out all recent discussions, the only serious fault

wry to the liter facilities for insonfacturing and applying W. E. CHILDS & CO'S

PATENT ELASTIC FIRE with a source of the sour

and sorrow at it. When things are drifting for-ward on such a treacherons current, whatshould we expect to see in the future but grim and ancient Rome in those days when everything had become venal? Our President i as a pois-oned fountain and from him flows forth into every hamlet in this mighty republic a stream

oned fountain and from him flows forth into every hamlet in this mighty republic a stream of deadiy watera, corrupting and debauching the public morals and rapidly reducing every holder or expectant of office to a deceiful pup-pet, without manliness, independence or truth falness. Every good man should make it a point of duty to exert all his influence agains the pestilence that comes as a deadly simoon from the moral desert at Washington to blight and wither wherever it blows.

with the Swiss defence of the right of asylum, is when in 1838 Louis Philippe threatened them when in 1838 Louis Philippe threatened them with war for sheltering the present Emperor p says John Bull, in Paulding's satire, "I have no national prejudices. But I hate as Frenchman." The truth of this is apparent in the London letter the Duke of Montehelle, who was then a most description of the N. Y. Comparing the Swiss of Montehelle, who was then a most description of the Swiss in the Swiss of Montehelle. The comparing the Swiss is the Duke of Montehelle. The truth of this is apparently the London letter which we copy from the N. Y Commercial Ad-cretiter. That letter, it will be seen, distinctly prophecies a war between Eugland and France It scens marvellous to me that, under all these prophecies a war between England and France

rertistr. That letter, it will be seen, distinctly prophecies a war between England and France within a short time, and we have no doubt fairly indicates the present deep and bitter re-sentment which the people of England feel to wards France. Notwithstanding the late friendly co-operation of the two nations, the old entity 'noposed to the policy of the other. Liberty and despotism are in fact josiling each to a channel of twenty mics divides two coun-ties, every movement in one of which is diam the charges against her, is an embodiment of discretion, and would, if she were allowed, gladly comport horself as as to keep her elbows from the sides of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side soft har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side of har sensitive neighbor, it is out of the side a very showy argument in favor of tha side a very showy argument in favor tion, replied to him in a very successful man-ner. He went over all the arguments involved in the subject in a strong and vigorous manar-His opponents who were expected to reply to him froquently interrupted him. In several instances he turned ther inquiries very have somely upon them. Every time he reterior towas ne meberrassing p somely upon them. Every time he records in hostiene, who was obviantly commander of npoin them he caused the audience to laugh fusting at their expense. It was an emberrassing position for a man not trained to dialectic disputes to be placed in a cross-fire between such disciplined advocates is Hirst, Cuyler and Stokes, aided by the Vice ond of water, these vessels can hardly be in-

resident of the Company to make suggestions. Mr. Cuyler, a clear, cool-headed Philadelphia

M. de Persigny, the present French Ambassa-lawyer and one of the Solicitors of the road; the total in Loadon, is to be allowed to resign. When plied. I did not think that he in any way ob-tained in advantage over the Doctor, or suc-cessfully assailed any of his position. Stokes spoke only for a few minutes. I think there was not one of your people pres-ent who did not express their catire satisfaction with the ability and success with which your Senator advocated the retention of the tax upon the road.

pied. I did not think that he m any way often is and another advocus over the are approaching it is not convenient is and the position.
 Bideas spoke only for a few minutes.
 I think there was not one of your people present who did not express their califies and the your people of sanators and the solitic and success with which your distances of the substitute of Ma. Carresnors, and another of the sanator advocated the relation of the tax upon the stempt to repeal the original States in all respects whatever; but it and a most of the State of Kannas be, and is hereby, and it the statistic of the upople of Kannas, this admission of the substitute of the relation as a State is here declared to be upon this fundamental condition preceive that the said constitution for the purpose; and as sourts shall be given and dily made known to the President will the service of the said States of Kannas into the frends of education will have any forthe proceedings an the part of Congress, the admission of the said States is head by them, or any function to be and state of Kannas into the purpose; and as sourt assent ashall be given and dily made known to the President of the purpose; and assent assent ashall be complete and also of Kannas into the frends of education will have any forthe purpose; and have noter as an election to beled to the baset of the purpose; and as sourt assent ashall be complete and alsoulte.
