carefully searched, but the missing articles were not recovered. Arrests were made by the police, on Monday, but there was no proof to hold the persons taken, and they were accordingly discharged.

LUCHEAR FURBACE.—We are informed that this establishment, partly owned by President Buchanan, and for a number of years carried on by Nathan Evans, Esq., is soon to be put out of hlast permanently. The buildings and four bundred acres of land adjoining have been old to Mr. Lewis Mahle, for the sum of five thousand dollars. The large body of the land hitherto cennected with the furnace remains unsold.

The above we clip from the Clarion Democrat, a Lecompton swindle is probably the cause of the blowing out of the furnace.

TOR St. Clair Street Beilder.—Workmen begun, yesterday, to arrange the steam chain pump, with a view to clearing the foundation for the new abuttments and pier, during this weather of the Edward the spring floods. It is the intention of the company to vigorously prosecute the work on the now abuttments and pier, during this weather son, so as to have everything in readiness to speedily complete the new structure, after the present bridge shall be removed. This will, probably, not occur until about April 1st, 1859.

It is not often that so many advantages can be seed with so small an outlay as by purchasing a set of Musgrave's 63s Cooking Stoves, for sale at No. 75 Smithfield street, near Diamond alley. We advise all the laddles who have not done so, to call had see them. There is a number of them in use in this city, and all who have adopted them speak very strongly in their praise.
