Por many years I have been troubled with general weariness and languor, both mental and physical; caprice, listilessness, dull headsche, pain in the head and temples, coldness and tendency to etifiness, papilistation of the heart, very easily fluttered or excited, appetits variable, stemach and bowels deranged, with pain. Any mental or physical exerction was sure to bring on all the symptoms, and I had in addition, failing of the womb, and great pain in that rogion. One physician stort another exhauted his skill and gave me up. A patient and persevering use of MAR.—

DEF RIVER, Conn., July 22, 1850.

Mia. Leavenworth—Sir have been troubled with dan druff or scurf on my head for more than a year, and with dan began to come out, scurf and furir together. I save in New Bayron paper about. "Wood's Hair Restorative" as a cross-series of the first of April last, and pure has ed one bottle to try it, and I found to my satisfaction it was the thing; it removed the scurf and hair began to crow it. Ar a meeting of the employees of the Machinery Department of the P., Ft. W. & C. R. R., on Friday, resolutions were passed expressing their regret at the removal of their late foreman, Mr. John Thompson, from the Round House, Allegheny City, to the Machine'shop at Crestline, and a handsome watch, as a testimonial of their regard, was presented him. Mr. Thompson responded to the resolutions in a neat speech. A surplus of funds, remaining in the hands of the committee of arrangements, it was ordered to be presented to the Sons of Malta, to be devoted to charitable purposes.
