oct26-dw4wP

REASONS for buying at home in place of from Two Dollars:

1st. We sold Cherry Trees last fall at from 31 to 40 cents that they charged 50 to 75 cents for. Apple (5/8 clear) 12½ that they charged 17 for. Peach at 12½ that they charged 25 for, and other things in proportion.

2d. You can have them planted a few hours after they are taken up, while the pedlars' trees have weary hours to pass on cards and at railroad depots before they reach the planter.

3d. If mistakes occur, a proprietor is still about to correct them, but a pedlar, where is he?
