ing the century we trust, therefore, that the Convention will give us such a ticket that we may be able to rally for it with our whole heart. Give us the true and tried, neer to carry the un-boxet mention will left in Wisconsin to bring to honest men still left in Wisconsin to bring to stained banner of freedom in this great Repub-lican County, gloriously. We want men whose corruption in that State, the Milwaukee Daily stand banner of freelom in this great Republican some the parties of recent plants and without the parties of recent plants and without the plants of the feedback of the fight, when we were few and faint; men who are ready and able to carry our banner wherever honor points the measure the Timer, and we may add, the honest men of New York, New England, &c. using the fight, when we were few and faint; men who are ready and able to carry our banner wherever honor points the measure the Timer, and we may add, the honest men of New York, New England, &c. using the dark days as well as in the deal the set to be bought by Construction Bonds, or any, and searce of construction for a new Board will not only be free the Construction stoke and spaties. No. 17 Warket stem any, if need be, we are for them with our whole heart and soul. We are not prepared, however, to expect anything else but such canner of millions of dollars, and whole heart and soul. We are not prepared, however, to expect anything else but such canner of the State. It takes some time to track a regue: but the clue js now obtained, in the of the State. It takes some time to track a regue: but the clue js now obtained, in the dark of the State. It takes some time to track a regue: but the clue js now obtained, in the dark of the State. It takes some time to track a regue: but the clue js now obtained, in the first real, samy of the directors who have different directors who have the the directors who have the the directors who have the the directors who have the tot the the the state. It takes some time to track a regue: but the clue js now obtained, in the providential compensations of life, it is found to the the the state, have the state the providential compensations of life, it is found to the the term prevident of company of the state. It they had led an hynost life. In the providential compensations of life, it is found to the term prevident in compensations of life, it is found to the term prevident of the state the provident of the state

Congress, on this question, i for days since, and took an advantage of the occasion to express our opinien of their illiberal, higoted and short-sighted conduct. The more we think of this mensure, the more are we convinced of its entire impredicability and injustice. If consummated, it error is the more this or the source of the company 'illiberation' company 'illiberation' to impre-tion the source of the company 'illiberation' to another year. it cannot fail to give birth to a series of meas- We have no doubt our Milwaskee cotemporary ures of retaliation, which will eventually result is correctly informed as to the feeling enter- Establahed, New York, June, 1841-Pureb2, March 185

be the case, as we have before remarked, the South will have itself to blame. What renders the coarse of these Southern men so very repre-hensible is that these fisherics are the nurseries of American seamen, and have thus benefited the whole country by strengthening our marine service—an arm of defence which the South can not dispense with more easily than the North. On this subject, the Boston Hec contains the fol- action at once vigorous and decided. The people of a State should never ne condemned for lowing remarks:

"What argument is offered for the repeal of the conduct of a few agents, to whom they have

"What argument is offered for the repeal of the bounties? The one offered by the Alabama Senator is that the law is unequal. If is a gen-eral law, broad as the Union. But it is "une-qual," because the fisheries are in the North the South. The South supplies the officers for our way vessels, the North the sense and not in the South. The South supplies the officers for the argy, and it mininians a million to regard to the should be the south of the should be the save never detected it in varying from its ste-ruffian bulletins, to its last Fort Section our mark in the should be the should be the supports a school at Annapolis for the education of officers for the argy, and it mininians a million to the state the whole thing has been one arrant piece of the whole thing has been one arrant piece of insposition, gottee up to effect particing and the state the world the supports a mount to." "The Sequer interest, which is sectional, is

bounties amount to. "The sugar interest, which is sectional, is prolected by the import duty of lwenty per ceut, or about two cents on every pound raised.— Sugar cannot be raised but in the South. Na-ture has given to that section of the Union a monopoly in the growth of sugar which no law monopoly in the growth of sugar which no law monopoly in the growth of sugar which no law the sugar cannot be raised and in the South. Na-ture has given to that section of the Union a monopoly in the growth of sugar which no law the sugar cannot be raised and in the sugar which no law the sugar cannot be raised but in the south. Na-ture has given to that section of the Union a monopoly in the growth of sugar which no law the sugar cannot be raised but in the sugar which no law the sugar cannot be raised but in the sugar which no law the sugar cannot be raised but in the sugar which no law the sugar cannot be raised but in the sugar which no law the sugar cannot be raised but in the sugar which no law the sugar cannot be raised but in the sugar which and the sugar sug interest, which is sectional, is

and rebuke the ungenerous spirit that would mark out a class of poor and industrious munifor persecution. Let that rebuke be administered at the place where poor men are powerful-at the Points! Wisconsin — The democratic papers, anxious to turn from themselres/the suspicions of corrup-tion that are everywhere firing on them, are taking advantage of the recent exposure of con-ruption in Wisconsin and treat them as an ad-mission of light uto Black Republican business. Here are the facts: Of the bribed Sequators, nine were Democrats, who received \$135,000; and three were Repub-licans, who received \$30,000. The ouly Sema-% tors who roted against the built were six Repub-licans. They refused all offers of bribes. In the Assembly, fifty-seren members received bribes, as follows: Series members et the Accessibly relaxed bribes.
