REASONS for buying at home in place of from Tree Peddlers

1st. We sell Every Tree just full as first class as represented that they charged us 25 cents for.

2d. We charge 12½ per cent less than peddlers charge for 25 for similar things to peddle.

3d. You can have them planted a few rods from the cars are taken up, while the peddlers' trees are on the cars, then pass on canals and at railroad depots before they reach their place.

4th. If mistakes occur a proprietor is at hand to rectify them, but a peddler, where is he?

With the new Steamers IRON CITY, MINERAL ROCK, and GEN. TAYLOR, making THREE TRIPS per week between Cleveland and Lake Superior throughout the season.

The "CITY OF CLEVELAND" and "ILLINOIS" have been fitted up expressly for the traveling public; being known beyond the point of speed, as commodious and superb vessels, unsurpassed. The "IRON CITY" comes out with a splendid new hull, her Cabin being extended for full length, giving her first class Passenger accommodations, while her freighting facilities—with the "MINERAL ROCK" and "GEN. TAYLOR"—are unbounded.

For this Lake Trip, the Upper Lakes are by common consent admitted to be more popular; none affording the tourist, seeking either business, health or pleasure, so many attractions. Leaving Cleveland, the traveller passes over Lake Erie, to the beautiful rivers Detroit, St. Clair and St. Mary's, and over Lakes St. Clair, Huron and Superior; passing Mackinaw, Sault Ste Marie, and the Pictured Rocks, visiting Marquette, Portage Lake, Copper Harbor, Eagle River, the Ontonagon, La Point Bayfield, and Superior City, with many other localities of interest; giving the scientific and enterprising sufficient opportunities for visiting the Copper and Iron Mines—the seeker of health the cool and bracing climate, and attractive localities, and the sportsman and lover of the romantic, the most inviting facilities for fishing and exploring.

The Steamers make the round trip in eight days—leaving for any of the trips can be secured by addression,

Medical.

THE LIVER
INVIGORATOR!
PREPARED BY DR. SANFORD,
Compounded Entirely from GUMS.

IS ONE OF THE BEST PURGATIVE and LIVER MEDICINES now before the public, that is a safe, certain, easy, mild, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting next on the Liver to cure its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing the purposes effectually, without any griping pain or inconvenience, as is experienced in the use of most Cathartics. It strengthens the system at the same time that it purges it, and when taken daily in moderate doses, will keep the liver and bowels in healthy action.

The Liver is one of the principal organs in the human body, and when it becomes diseased, it performs its functions well, the principal seat of many diseases originate in the healthy action of the Liver. Therefore persons who are at all subject to Liver complaint should use a few doses of the Liver Invigorator occasionally, and when taken daily in moderate doses, will keep the liver and bowels in healthy action, and prevent disease.

Nothing is known comparable to those who have in vain tried the vaunted medicines of the day, as that a common sense reasoning is the foundation of every medicine which should ever be used, as the system, as it is now a days, is full of quackery from beginning to end. There are quite a few cases, however, where the suiting some cases and not others is puzzled, for a thousand bottles of it to the virtues of Sanford's Liver Invigorator. I have in fact in each one of the greatest cures ever done in Massachusetts. I gave it to children two years old to old people of all ages. I have seen persons, worthy looking children and old men with and old dailey, restored to a perfect state of health by a few bottles.

To those who are subject to sick headache, one bottle will always cure it. Dr. Sanford's great remedy for catarrh and dyspepsia. Some who have been under for years, have taken and been regulated by it. Where the body is sound it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but persisted in for a few days, these feelings disappear in from four days to a week. There is never a failure from it. It is not every one that can be cured, but few that can not be. I have likewise a new person. I heard some of the most extraordinary cases of illness that ever were intended to. No chance of diet is ever necessary, eat the best you can get. I have likewise an herb, which, when simmered in new sweet oil, dissolves over all swellings of the neck and under the ears. Price 50 cents a bottle. Five of the Liver Invigorator for $2.

DIRECTIONS FOR USE.

Adults, one pill each evening for two days. Children under eight years of age, one half pill. Children from five to eight years, the same for two days, then one pill each evening until cured. Take enough to operate freely on the bowels twice a day.

Mr. KENNEDY gives personal attendance in bad cases of sore throat.

AS A FAMILY PHYSIC

From Dr. F. W. Cartwright, of New Orleans.

"Your Pills are the prince of all purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which it makes them valuable to us in the daily treatment of disease."

FOR DISORDER AND ALL LIVER COMPLAINTS.

From the Theodore Sill, of the New York Organ.

"Not only are your Pills admirably adapted to their purpose as an aperient, but I find them beneficial effects upon the Liver very marked indeed. They have in my family cured many cases of Liver complaint, and have saved many a doctor's bill. I sincerely believe that we have at length a purgative which is worthy the confidence of the afflicted, and which will receive the universal support it deserves. I can recommend them."

DYSPEPSIA—INDIGESTION.

From the Rev. Henry Hunt, of St. Louis

"The Pills you were kind enough to send me have been fully tested by myself and family, and I feel satisfied me that they are truly an excellent family medicine. So peculiarly are they adapted to the wants of the human system, that they seem to act like magic. I have cured many cases of dyspepsia by your Pills, which had baffled the skill of the most eminent physicians. Indeed I have experimentally found them to be the best cathartic I am acquainted with, and I recommend them in almost all the complaints in which a cathartic is required."
