REASONS for buying at Home in place of from Tree Peddlars:
1st. We sold Cherry Trees last fall at from 31 to 40 cents that they charged 50 to 75 cents for. Apple and Pear trees that they charged 17 for. Peach at 12½ that they charged 25 for, and other things in proportion.
2d. You can have Trees planted a few hours after they are taken up, while the peddlars' trees have to carry them to pass on sundry lots of railroad depots before they reach the planter.
3d. If mistakes occur a proprietor is still at hand to correct them, but a peddlar, where is he?

With the new Steamer IRON CITY, MINERAL ROCK, and GEN. TAYLOR making THREE BOATS the week ing Cleveland every Thursday, during the season.

THE CITY OF CLEVELAND and ILLINOIS have been thoroughly refitted for the present season, and are acknowledged to be two of the most elegant, commodious and well appointed Passenger Steamers on the Lakes. The IRON CITY comes out completely remodelled, has Cabin Passenger accommodations for one hundred first class Passengers accommodations while her freight facilities—with the "MINERAL ROCK" and GEN. TAYLOR—are admirable.

For a pleasure trip, the Upper Lakes are becoming each succeeding season more popular, none affording the tourist, seeking either business, health or pleasure, so many attractions. Connecting as they do with the Great Lakes Erie, through the beautiful rivers Detroit, St. Clair and the Lakes of Lake Huron and Superior, possessing the wild scenery of the Rivers and the Islands studding Mackinaw, Portage Lake, Copper Harbor, Eagle River, Ontonagon, Marquette, Au Sable, and Superior City, with mines, forges, &c., &c., in full blast, and the Canal at Sault Ste. Marie in process of completion, opportunities for visiting the Copper and Iron Mines, and the wonderful Falls of the Ste. Marie, are unequalled in any section of the country.

The Steamers make the run from Detroit to Lake Superior in eight days. Rates of passage as low as by any other route, and the running facilities for sailing and arriving are unsurpassed.

THE FOLLOWING REMLDIES are offered to the public as the best, most perfect, which have ever been discovered. A PERCATHARTIC PILL have been in use for the last 30 years, and during that time have undergone many improvements, and there is not a climate in which they have not been used, and there is not one but they have received the highest encomiums. Numerous quack and so called Physicians have endeavored to imitate them, but without success, as they have not the power to equal it. Every dose effects a cure, and no one who has ever used them will be without them. They operate by purifying the blood, and in this way cleansing the system of all those humors which make disease. Explicit directions accompany each box, and to those who observe them a perfect cure is guaranteed. Sold by druggists generally throughout the United States, Canada and British Provinces.
