## Hotels.

**FRENCH'S HOTEL,**
*Corner of Frankfort Street and City Hall Square, opposite the City Hall, New York City.*

THIS HOTEL is conducted on the EUROPEAN PLAN OF LODGING ROOMS, and meals as they may be ordered, in the spacious Refectory.

There is a Barber's Shop, with Baths in connection therewith. This popular hotel is in the immediate vicinity of mercantile business, and the principal places of amusement, and offers every inducement to those who consult convenience and economy. Those going to California or Europe will be furnished with all the information they may desire, and also be protected from imposition in the purchase of passage tick-ets. R. FRENCH, Proprietor.

**Pittsburgh and Oakland Nurseries.**
**SPRING PLANTING.**

3000 DWARF CHERRY, 2 years, 25 varieties, the best ever sold in this city.
100,000 Grape Vines, 17 varieties,
15,000 Standard 2 and 3 years, 25 varieties
20,000 Peach, 6 varieties.
60,000 Evergreens, of fine hardy varieties, from small to 5 feet.
With a large stock of Apple, Pear—standard and dwarf—Quince, five varieties; Currants, eleven varieties; Grape Vines, shrubbery, Green House Plants, Roses, &c.
Those wishing an extra article of choice varieties might find it to their interest to examine my stock before ordering elsewhere. ap23:wtf2 JNO. MURDOCH, Jr.

REASONS for buying at home in place of Cities Tree Peddlars:
1st. We sell Cherry Trees last fall at from 25 to 40 cents that they charged 50 to 75 cents for. Apple (23 class) 12½ that they charged 17 for. Peach at 12½; that they charged 25 for, and other things in proportion.
2d. You can have them planted a few hours after they are taken up, while the peddlars' trees require many hours to pass on canals and at railroad depots before they reach the planter.
3d. If mistakes occur a proprietor is still about to correct them, but a peddlar, where is he?

With the Steamers MINERAL ROCK, and GEN. TAYLOR, making THREE BOATS leaving Cleveland EVERY WEEK through the season.

The "CITY OF CLEVELAND" and "ILLINOIS" have been fitted up expressly for the traveling public, bringing almost before the world all speed, accommodations, and appointments, ever known. The "IRON CITY" comes out completely renovated, her cabins being extended her full length, and gives her first class Passenger accommodations, while her Freighting facilities with the "MINERAL ROCK" and "GEN. TAYLOR" are unrivaled.

For a Pleasure Trip, the Upper Lakes are a coming each succeeding season more popular, in combining the luxury of repose, with a keenness, health or pleasure, so many attributes. From Cleveland, the traveller passes over Lake Erie, touching at the beautiful cities Detroit, St. Clair and St. Mary's, and over Lakes St. Clair, Huron and Superior, passing other localities of interest, giving the scientific and entertaining Marquette, Portage Lake, Copper Harbor, Eagle River, Ontonagon, La Point, Bayfield, and Superior City, with many other localities of interest, giving the scientific and entertaining information of the Copper and Iron Mines; the wonders of Health Lake, and enchanting climate, and attractive scenery, and the sportsman and lover of the romantic, the most inviting facilities for fishing and exploring.

The Steamers make the round trip in eight days. Routes for any of the trips can be secured by addressing,

THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and other fatty substances of like character in oils from a favorite material for the many factories of Illuminating Gas in Pittsburgh has Company now fitting with coal, in order to supply their customers with a 50 per cent. superior quality of Gas.

ROSIN OIL is entirely free from all dust and refuse substances, and yields at once, its Brilliant Illuminating Gas without any purification whatever. The operation of the manufacture of coal gas begins with the attention and expense of purifying, required, and the difficulty, if not impossibility, of entirely separating the sulphuretted, deleterious gases, especially sulphuretted hydrogen, and in cool, render the ROSIN OIL APPEAR the cheaper and more desirable material for gas.

S. OATES, of 55 Broadway, New York, has devoted his entire attention to the manufacturing and Portable Gas Apparatus, and he respectfully calls the attention of the public to his present complete and efficient machine.

Perfect satisfaction guaranteed to purchasers, in every case. For further information address

WE WOULD inform our customers west, that our short-sighted, dull views have purchased the entire stock and good will of the firm of HALLETON & MOORE, of York county, in this State, who from the date of their business to our house, and have left them none of the complications more by prevention than cure. The countless colds and coughs which it cures are the seal which would have imposed into a dreadful harvest of mortality, whose name is Consumption. He discovers them; but the disease is already gained a footing in the blood and lungs unnoticed by the patient, and shows its fatal symptoms soon and more over all his frame. He is taking the Cherry Pectoral cure, it has stopped his cough and made his breathing easy, he sleeps sound at night, his appetite returns, and he is in his strength. The dart which pierced his sides is broken—scarcely any neighborhood can be found which has not some living trophy like this. Only the forth the various which have won for the Cherry Pectoral an imperishable fame. Its virtues are known to old and new. Nay, the very
