Conci and I have no words sufficient to express my thankfulness Mrs. JULIA ANNE JOHNSON.

I can truly say that I have been suffered to many years with white and deranged mentirustion. After a white had other troubles, mentioned and indigestion and suffered ways, general languor and shebility, pain in the small state, as set of aching and dragging occasion, pain between the shoulder blacks extending down this spine, loss of appearing, trouble in the stemach and bowels, with cold bands and foot and dreads and dreadful infrommens. The least excitement week make me feel as if I should fly away. I tried doctors and drugs, and everything, one after another, without the best. One bottle of MARSHALL'S UTRAINE CAPITION CON changed some of my symptoms for the better, and now I am entirely and radically cured. I wish that every we man could know what it will do.
