...ed in opposition to the Central Railroad Company and managing the canal. The meeting was organized by calling Francis Karns, Esq., to the chair, and appointing Capt. B. Gilliford as Secretary. Several Vice Presidents were elected, and also a committee to draft resolutions.

The Committee on Resolutions made the following report, which was unanimously adopted.

Whereas, The conditions of sale to the Pennsylvania Central Railway Company, of the main line of the State improvements, require that the said railroad company shall keep the canal open and in good navigable order, until such times as the North-Western railroad is completed; and whereas, the said Central Railroad Company is neglecting to keep the canal open, agreeably to the conditions of purchase, to the serious detriment and damage of the boatmen on the canal, as well as to the farmers, manufacturers and merchants who depend upon the canal as their only mode of communication to Philadelphia and Pittsburgh; therefore, be it

Resolved, That, inasmuch as the Central Railroad Company have failed to comply with the conditions of sale of the public works to them, that they have therefore justly forfeited their right of purchase to the same, and that we will petition the Legislature to take such action as will recover the public works from them.

Resolved, That we desire the Representatives from Allegheny county to stand by the rights of their constituents against the Railroad Company, who are virtually setting the law at defiance in neglecting to comply with the terms of their purchase to the manifest damage and injury of a large portion of the people of this commonwealth, and that we pledge ourselves not to vote for any person for the Legislature who will not use all honorable exertion to see either the conditions of sale strictly complied with on the part of the Railroad Company, or the property restored again to the commonwealth.

Resolved, That we are opposed to the repeal of the tonnage tax as conferring an additional benefit, at the expense of the people of this commonwealth, to a Railroad Company who have proven themselves alike indifferent to the wants and interests of our people as they are to carrying out in good faith the conditions upon which they have purchased our main line of public improvements.

Resolved, That there be a mass meeting held at Freeport, on the 18th of August next, at 2 o'clock, P. M., of all those persons who are interested in keeping the canal open, that we may take such action as will enable us to pursue some effective course in compelling the Central Railroad Company to carry out in good faith the conditions upon which they have purchased our public works.

FRANCIS KARNS, *Pres't.*
R. GILLIFORD, *Sec'y.*

THE TARENTUM ELECTION CASE.—We stated about ten days ago the particulars of a dispute between George Duphorn, Locofoco, and James M'Call, Republican candidate for Justice of the Peace in Tarentum, which were submitted to the Court here. M'Call was returned elected by one majority, but the friends of Duphorn alleged that two votes were rejected which, if received, would have changed the result. M'Call, who was one of the inspectors of the election, alleged that the said two were not legal voters, they not having resided in the borough six months. The case was submitted, as above, last week, and yesterday Judge M'Clure gave in his decision in favor of Duphorn, who is thus declared elected. We are unable to state the points laid down by the Judge.

FOSTER'S NATIONAL THEATRE.—Mr. and Mrs. John Drew appear to-night for the eighth time at this establishment, in two excellent pieces—first we are to have the beautiful drama of "Giraldi, or the Wife of three Husbands," in which Mr. John Drew will appear as "Gil the Miller," and Mrs. John Drew as "Giralda." The performance will conclude with the two act piece called the "Irish Attorney," with John Drew in his great part of "Pierce O'Hara, the Irish Lawyer." Great preparation is making for John Drew's benefit, which occurs on Friday night.

BENEFIT.—Mr. George Seehrist, the courteous Treasurer of Foster's National Theatre, takes a benefit at the National on next Monday evening. About ninety of the members of the Saengerbund have kindly volunteered their valuable services on the occasion, and will repeat the grand overture as performed at the late prize concert, and sing the second part of the "Sea Shore." Those who failed to hear this fine piece at the late concert, will now have an opportunity of doing so, and of contributing a substantial mark of their appreciation.

SUDDEN DEATH.—We are pained to hear of the sudden death of Mr. James Ewing, of Washington, Pa. He was prostrated by an attack of lung fever, a few days ago, and died on Monday last, at noon. He leaves a young wife and a large circle of relatives and friends to mourn his death. He was an enterprising and much esteemed citizen, and will leave a vacancy not easily filled in the community amongst whom he lived and died.

...course of the cross-examination it came out that Mr. Ross had an agreement with Mr. Kelly in reference to the land. It was proved the legal title was in Kelly; he (Ross) said that Kelly had promised to let him have it back when he had paid to Kelly the purchase money. The notes which Mr. Flanegin took on the trial of 1851 were then submitted to him. The cross-examination was continued at great length and nothing of importance was elicited.

Robt. Woods, Esq., affirmed—Assisted Mr. Flannegin to try the case in 1851; the title that Allen Ross claimed under was derived from the Sheriff; Mr. Ross, the defendant, was a witness for the defence, and was asked on his *voir dire* by me whether he had any interest, direct or indirect, in the result of the suit, and he answered—"it is the least of all possible things—nothing at all"; the relation between the defendant and Mr. Kelly as touching this property was shown by the witness in the same light as by the former. Mr. Kelly was about the Court House at the time of the trial.

John Alston, sworn—Was a juror in the trial of the action in which it is alleged James Ross committed perjury; Mr. Ross swore he had no interest in the land; said there was no binding agreement between him and Mr. Kelly; made a like statement in reference to the division of the property at the time.

Thos. C. Dixon was also a juror, and his testimony was to the same effect as that above stated.

John Horner, Esq., sworn and testified to no material fact. Beb. Kelly being sworn corroborated the evidence of the other witnesses. The case was still on when we left the Court.

THREE little children were brought to the Mayor's office yesterday, evidently in want of the common necessaries of life. Their mother died a short time since, and they were placed under the care of an aunt, who is said to be addicted to the immoderate use of liquor. She neglected the children, and abused them frequently, and struck one of them on the head, inflicting a serious wound. After satisfying himself of the total unfitness of the woman to bring up the children, the Mayor sent them to the City Farm, where they will be properly cared for.

DISCRIMINATION.—A correspondent signing himself "A Produce Dealer," states a case in which the P. R. R. through their shipping agents in this city made a difference of 18 cents per barrel against a consignment to Pittsburgh on flour, shipped from Nashville by the same boat at the same time.

The flour was shipped to Philadelphia at a cost of seventy-eight cents per barrel, including the drayage. The letter appeared in the *Chronicle*.

NAVAL.—The U. S. ship Preble sailed from Annapolis yesterday, on a cruise, during which she will touch at Cherbourg, Cadiz and Funchal. The Preble is commanded by commander Thos. T. Craven, and is manned by the second and fourth classes of acting midshipman, now pursuing their preparatory studies at the United States Naval Academy. Chas. G. Foster and Chas. J. Smyser, of Pittsburgh, are midshipmen on board.

WE observe the walls, fences and prominent corners, handsomely covered with the elaborate show bills of Mabie & Crosbie's Great French and American Circus, which is to make its debut before this community on Friday, July 2d and remain until Monday the 5th. The company is said to be a good one, and a good circus company always have; a full canvas in our city; during the holidays, the rush will be more than any canvas will be able to contain.

HONOR TO WHOM HONOR IS DUE.—We are informed that Mr. Jos. Horne, of Market street, made a donation of 1000 copies of Mr. Fahnestock's little book—the "Alarm Bell"—to the Young Men's Christian Association of this city, some time ago, and the association held these books over until they had matured their arrangements for the prayer meetings and addresses to firemen now in progress.

A BLACK MAN named Jones was arrested in this city, a few days since, and taken to New Castle, where he is charged, in company with two others, with having robbed the clothing store of Mr. Bower, of that place, of a considerable amount of goods. He gave bail in $1,000 for his appearance at Court to answer, and was discharged.

BALTIMORE SUN.—Our enterprising young friend Pittock, whose headquarters is at Hunt & Miner's, has added to his list of subscription agencies, the Baltimore Sun, which he will serve to his subscribers punctually at 10 cents per week. Those desiring the Sun, will leave their orders as above.

THE Grand Jury have finished the business submitted to them, and were yesterday discharged by the Court. There were about 250 bills acted upon.
