It is well known that the medicinal effect of Peruvian Bark is due to Iron in a brief exposure to air, and that to MAIN TAIN a solution of Protoxide of Iron, without further oxidation, has been deemed impossible.

In the Peruvian Syrup this desirable point is attained by COMBINATION IN A NEW NASCENT STATE; and this solution may replace all the proto-carbonate, nitrate, and tartrates of the Materia Medica. A. A. HAYES, M. D.,

Dread for fear of themselves; no Expose
of Manner, no Earnestness, no Specu
lation, but a Hurried Transi
tion from one question
to another.

These symptoms, if allowed to go on, which this medicine invariably removes—soon follows LOSS OF POWER, FAINTY AND EPILEPTIC FITS—in one of which the patient may expire. Who can say that these excesses are not frequently followed by these direful diseases—INSANITY AND CONSUMPTION! The records of the INSANE ASYLUMS, and the melancholy deaths by CONSUMPTION, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears.—The countenance is actually so idea and quite destitute—neither Mirth or Grief ever visits it. Should a sound of the voice occur, it is rarely articulate.

"With awful measures won despair
Low sullen sounds his grief beguiled."

Debility is most terrible! and has brought thousands upon thousands to untimely graves, thus blasting the ambition of many noble youths. It can be cured by the use of this

Infallible Remedy.

If you are suffering with any of the above distressing ailments, the FLUID EXTRACT BUCHU will cure you. Try it and be convinced of its efficacy.

BEWARE OF QUACK NOSTRUMS & QUACK DOCTORS who falsely boast of abilities and references. Citizens know and avoid them, and save Long Suffering, Money, and Exposure, by sending or calling for a bottle of this Popular and SPECIFIC REMEDY.

It allays all pain and inflammation, is perfectly pleasant in its taste and odor, but immediate in its action.

Helmbold's Extract Buchu

Is prepared directly according to the Rules of
PHARMACY AND CHEMISTRY,
with the greatest accuracy and Chemical knowledge and care devoted to its combination. See Professor DEWEES' Valuable Works on the Practice of Physic, and most of the late Standard Works of Medicine.
