besite about quartering its purports on the public treasury.
Thus STATE or ArrAIRS IN UTAIL—The N. Y.
Thus STATE or ArrAIRS IN UTAIL—The N. Y.
Thus STATE or ArrAIRS IN UTAIL—The N. Y.
Thus Dilabase letters from the head quarters of the army which are characterised by a tone entirely differing from the dispatches of Gor.
Capming, and the rese-colored islatements of Col. Kane. One of the letters contains statements of the series of the statement indis wonderfoll scene, it increases from day to day, and the arroy scene of the Deeps of an lishman without being one—of the Deeps of the Salt Lake and come to the army for protection, and these are certainly entities the board of May, having been permitted by Dirighan to the folly, mader the pledge, given by hint the projects of the Salts. Being then result to be intimately acquinted with the projects of the Salts. Being their property behind. Mr. Richard James, a Mormon, wh left the Valley with this praty, resports that the visit of Gorenor Comming, of which we have heard so much, was attended throughbut by a system of gains, which as a latery strue, may likely to be detrimental to be interested to gain of familes, who turned arway every person which and though the Gorenor Comming, when the wisker of capinader in the splayed of the same pulpi, and andressed in the splayed results which are there there are done or the fore formany and they gaing form, and thas, shlow the wisker of capinader. There was there an the fore is correnor the souther property that the was reard to souther beaks and threid with builts and there are the solution of the fore protection of the forma or capinade and the seed as an there
