A physician after another exhausted his skill and gave me up. A patient and persevering use of MARSHALL'S UTERINE CATHOLICON fortunately cured me, and I have no words sufficient to express my thankfulness.

MRS. JULIA ANNE GUERON.

I can truly say that I have been a sufferer for many years with whites and deranged menstruation. After a while I had other troubles, such as pale face, indigestion, wasting away, general languor and debility, pain in the small of the back, a sort of aching and dragging sensation, pain beneath the shoulder blades extending down the spine, loss of appetite, trouble in the stomach and bowels, with cold hands and feet and dreadful nervousness. The least excitement would make me feel as if I should die away. I tried doctors and drugs, and everything else but another, without the benefit. One bottle of MARSHALL'S UTERINE CATHOLICON changed some of my symptoms for the better, and now I am entirely and radically cured. I wish that every woman could know what it will do.

CLARISSA OBER.

For a long time I had Uterine complaints with the following symptoms: I was nervous, emaciated and irritable, I seemed to abound in complaints, some of which I will try to tell you pain in the lower organs, and a feelings as if something was going to fall out; inability to walk much on account of a feeling of fullness, aching and dragging, with shooting pains in the back, loins, and extending down the legs; the jolting produced by riding caused great pain; spasmodic shootings and pains in the side, stomach and bowels; headache, with ringing in the ears; every fiber of the body seemed sore; great irritability; intense nervousness. I could not bear the least excitement without being prostrated for a day; I could scarcely move about the house, and did not take pleasure in anything. I had given up hope. Most fortunately I was cured by using, as I supposed, in vain, but a friend called my attention to MARSHALL'S UTERINE CATHOLICON. I took it, hoping against hope. Most fortunately I was cured, and now there is not a healthier or more grateful woman in the country. I feel all within me is. It is truly the remedy.

MRS. FLORENCE LESLIE.

MARSHALL'S UTERINE CATHOLICON will certain-ly cure Falling of the Womb, Whites, Suppression, Irregularities or Painful Menstruation, Bloating, Inflammations and Diseases of the Kidneys or Urinary Organs, Retention or Incontinence of Urine, Heartburn, Costiveness, Nervousness, Headache, Palpitations, Cramps, Disturbed Sleep, and all troubles arising from or sympathetic, connected with the Uterine system.

The price of Marshall's Uterine Catholicon is One Dollar and a Half per wine glass bottle. On the receipt of the dollars the bottles shall be sent by express, free of charge, to the end of the express route.

Be particular to write the post office address, town, county and State. We will guarantee that the Medicine will be sent on receipt of the money. Address

JOY TO THE ADMIRERS OF

A FINE HEAD OF

RICH GLOSSY HAIR.

Talk of beauty, it cannot exist without a fine head of hair, then read the following, and if you ask more, see circular, second each bottle, and no one can doubt.

PROFESSOR WOOD'S HAIR RESTORATIVE.—We call the attention of old and young, to the wonderful preparation, which turns back with its original color, gray hair; covers the head of the bald with a luxuriant growth—removes the dandruff, itching, and all cutaneous eruptions—causes a continual flow of the natural fluids and humors, if used as a regular dressing for the hair will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call then upon the bald, the gray, or diseased in scalp to use it and see what a change will not, as they value the flowing locks, or the witching curl, now worth to them. Its praise is upon the tongue of thousands.

The Agent for Prof. Wood's Hair Restorative in New Haven, received the following letter in regard to the Restorative, a few weeks since:

DEEP RIVER, Conn., July 23, 1856.

MR. LEAVENWORTH—Sir: I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out, scurf and hair together. I saw in the New Haven paper about "Wood's Hair Restorative" as a cure—I called at your store on the first of April last, and got one bottle of me bottle to try it, and if found to my satisfaction it was the thing; it removed the scurf and hair ceased to grow, it is now two or three inches in length where it was all off. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this. I don't know as any of the kind is used in this place, you may have a market for many bottles after it is known here.

Yours, with respect, RUFUS PRATT.

PHILADELPHIA, Sept. 10, 1856.

PROF. WOOD—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering—in fact nearly all. I have used but one-half pint bottles of your Restorative, and how the tip of my head is well studded with a promising crop of young hair, and the front is also coming to its benefit. I have tried other preparations without any benefit whatever.—I think from my own personal recommendation, I can induce many others to try it.

D. R. THOMAS, M. D., No. 464 Vine st.

VINCENNES, IND., June 22, 1853.

PROF. O. J. WOOD—Sir: As you are about to manufacture and vend your recently discovered Hair Restorative, I will take it upon me to say a few words about it, that I have used it and known others to use it—that, I have, for several years, been in the habit of using other Hair Restoratives, but never did I find yours vastly superior to any other I know. It restores every gleaner the head of dandruff, and with one sprinkle's proper use will restore any person's hair to the original young color and texture, giving it a healthy, soft and glossy appearance; and all this, without disfiguring the hands that apply it, or the dress on which it drops. I would, therefore, recommend its use to every one desirous of having a fine color and texture to hair.

Respectfully yours, WILSON KING.

REASONS for buying at home in place of from Tree Peddlars:

1st. We sold Cherry Trees last fall at from 31 to 40 cents that they charged 50 to 75 cents for. Apple (Go Look) that they charged 17 for. Peach at 12½ that they charged 25 for, and other things in proportion.

2d. You can have them planted a few hours after they are taken up, while the peddlars' trees have weary hours to pass on canals and at railroad depots before they reach the planter.

3d. If mistakes occur a proprietor is still about to correct them, but a peddlar, where is he?

With the Screw Steamers MINERAL ROCK, and GEN. TAYLOR, making THREE BOATS leaving Cleveland every week through the season.

The "CITY OF CLEVELAND" and "ILLINOIS" have been fitted up expressly for the traveling public being acknowledged to point of speed, accommodations, and appointments, unsurpassed. The "IRON CITY" is now completely renovated; her Cabin being extended her full length, giving her first class Passenger accommodations; while her Freight facilities will be found unsurpassed. Captain WELLS, the "OLD RELIABLE ROCK" and "GEN. TAYLOR"—are admirable.

For a Pleasure Trip, the Upper Lakes are becoming each succeeding season more popular; none affording such health-seeking either loneliness, health or pleasure, so many attractions. Leaving Cleveland, the traveler passes over Lake Erie, through the beautiful rivers Detroit, St. Clair and St. Mary's, and over Lakes St. Clair, Huron and Superior, passing the Island of Mackinac, and the Picturesque Islands, visiting Marquette, Portage Lake, Copper Harbor, Eagle River, Ontonagon, La Point, Bayfield, and Superior City, with many other localities of interest; giving the scientific and the naturalist full opportunities for visiting the Copper and Iron Mines on the shore of the Lakes, with the wood and tracing climate, and attractive scenery; and the sportsman and lover of romantic, the most inviting facilities for fishing and exploring.

The Steamers make the round trip in eight days. Rooms for any of the trips can be secured by addressing

GAS FROM ROSIN OIL
OR OTHER
FATTY FLUID MATERIAL.

THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances have made them favorite material for the manufacture of Illuminating Gas. Many Gas Companies are now in with coal, in order to supply their customers with a Superior quality of Gas.

ROSIN OIL is entirely free from all dross and refuse substances, and yields at once, its Brilliant Illuminating Gas.

The great original cost of the apparatus for the manufacture of coal gas together with the attention and expense constantly required, and the difficulty, if not impossibility of entirely separating the sulphurous, carbonic and offensive gases, generated in coal, render the ROSIN OIL APPARATUS far cheaper and more desirable in every way.

S. COATES, of 276 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and is prepared to fully explain the attention of the public to his present complete and efficient machine.

Perfect satisfaction to the purchaser guaranteed in every case. For further information address

Medical.

THE FOLLOWING REMEDIES are offered to the public as the best, most perfect, which medical science can afford. Ayer's Cathartic Pills have been prepared with the utmost skill which the medical profession of this age possesses, and their effects show they have virtues which surpass any combination of medicines hitherto known, or that can be obtained. Their sugar coating preserves them in any climate, and renders them pleasant to take, while all the vegetable matter they contain is purified from those crude and indigestible properties which render other cathartics unsafe. Being purely vegetable, they are perfectly safe in all cases requiring a purgative medicine. Their power to cure is not confined to any one section of the country, but extends to every clime, and wherever they are known, this is the universal verdict.

Ayer's Cherry Pectoral has
