1

scoffed at as "squatters, whipsters and adventurers," because they have no tenants to central; getting on rapidly. because they are obliged to earn their daily bread by their daily toil. Whatright have such

people to vote against "milord!" tills. Tittlebat Titmeuse with pea-green hair "The contract is too large to be filled by one help him thrugh, combent it the world the most send real-roll, provided Quirt, Gammon & Saap help him thrugh, combent it the world the most send real-roll, provided Quirt, Gammon & Saap help him thrugh, combent it the world the most send real-roll, provided Quirt, Gammon & Saap help him thrugh, combent it the world the most send real-roll grantus in Great Britain who chances to delphia to assist him; but I suppose, for I know nothing of the matter, he finds their prices too high for his contract, and seeks better terms abroad."

This is all head to be supposed to be filled by one heaviest man in the crowd weighed 200 pounds the heaviest man in the crowd weighed 200 pounds heaviest man in the crowd weighed 205 pounds; the heaviest man in the crowd weighed 205 pounds; the heaviest man in the crowd weighed 205 pounds; the heaviest man in the crowd weighed 205 pounds; the heaviest man in the crowd weighed 205 pounds; the heaviest man in the crowd weighed 205 pounds; the heaviest man in the crowd weighed 205 pounds; the heaviest man in the crowd weighed 205 pounds; the heaviest man in the crowd weighed 205 pounds; the heaviest man in the crowd weighed 205 pounds; the heaviest man in the crowd weighed 205 pounds; the heaviest man in the crowd weighed 205 pounds; the heaviest man in the crowd weighed 205 pounds.

Houtens of the outstanding circulation of the addition of the same to the same for redemption, without delay.

Are a democratic meeting in Madeson, Ind., and the most area to the same for redemption, without delay.

This is all head the crowd weighed 205 pounds; the most 200 pounds.

The captain was estimated at 258 pounds; the most 200 pounds.

Houtens of the outstanding circulation of the head pounds.

Are a democratic meeting in Madeson, Ind., and the most 200 pounds. tem of aristocratic lordliness which it is sought

bold qualification! Such is the outrageous system of aristocratic lordiliness which it is seughf to establish in Allegheny county. It is urged upon the people by the pens of facribilers who own some rods of land, perhaps, and who find a sawer for their filth, in a paper under the direction of an "ostensible" Carker, inevery lineament of whose face meanness is stamped and whose little finger is thicker than the loins of Uriah force by a locanoity on the Northern Central Railroad, near Lewisburg, one day last week, and instantly killed. He was lying across the track, and his position was not discovered until it was too late to stop the train, which was easier thanks, and his position was not discovered until it was too late to stop the train, which was coll the measures of known intemperate habits, and 'get he was always as to give a contract of the description named, which has been in use less than a month, and 'Assertation's correspondent of the Saverage as to give a contract of the description named, which has been in use less than a month, and 'Assertation's correspondent in use less than a month, and 'Assertation's correspondent of the say the bound of the road, and had fallen on the track, while in a state of intoxication.' He was of the contract of the description named, which has been in use less than a month, and 'Assertation's correspondent in use less than a month, and 'Assertation's correspondent of the superior of the description named, the road and had fallen on the track, while has been in use less than a month, and 'Assertation's correspondent of the description named, the contract of the description named, the contract of the description named, the contract of the description named, the road and the ceri where the bound of the read and the deril water the house of the Jamina them is satisfied and the ceri where the house of the Jamina them is satisfied to our own, for the head of the satisfied and whose little factor of the track and whose in the letter of your New York correspondent of the illus which has been in use less than a month, and whose engineers run curves without ordinary regard to the speed necessary on such occasions treme, and if persisted in will render travel on

ern Central Railroad is the new line now opened from Baltimore to Sunbury, and has the reputation of being under the management of experienced and energetic men. The road is said
to be in excellent working order, and supplied
with comfortable cars and attentive conductors.

**Acts says:

"The occasion was seized upon by the advocates of the extreme Southern views for the formation of a Southern League
was adopted as the basis of the organization, to
which a number of signatures was obtained. It The President of the company is Zenos Barnum the gentlementy and well-known proprietor of the popular hotel, bearing his name, located in the genulamenty and well-known proprietor of the popular hotel, hearing his name, located in the city of Baltimore. Such being the character of the Northern Central road, we regret, to record this accident at Lewisburg. It is warning, however, which should be heeded by all parties concerned. In view of the large number of railroad accidents which have recently estimated, every precaution should be used for their prevention, by employing competent and sober subordinates, and regulating the running of the trains at a speed which should be adapted to the condition of the road at all times.

"Diserving the Shir."—As Mr. Buchanan's and sold the said of the said o

"DESERTING THE SHIP."—As Mr. Buchanan's shall vote according to his own conscient membering always his duty to the South." tam grows shorter, the ardor of his "friends" seeds in about the same proportion. An office before him, with tempting emoluments to smooth the way, will very naturally show more deferenced to the way, will very naturally show more deferenced to the spointing power than one whose claims on the public "fiesh pols" is limited to the received of a very short time, to chronicle a series of defections in the ranks of the Administration of the defections in the ranks of the Administration of the defections in the ranks of the Administration of the defections in the ranks of the Administration of the defections in the ranks of the Administration of the defections in the ranks of the Administration of the defections in the ranks of the Administration of the Administrat term grown shorter, the ardor of his "friends"
