Medical.

HEALTH OF AMERICAN WOMEN.—For many years I have been troubled with general weariness and languor, both mental and physical; caprice, fickleness, dull headache, pain in the head and temples coldness and tendency to stiffness, palpitation of the heart, very easily flustered or excited, appetite variable, stomach and bowels deranged, with pain. Any mental or physical exertion was sure to bring on all the symptoms, and I had in addition, falling of the womb, and great pain in that region. One physician after another exhausted his skill and gave me up. A patient and persevering use of MARSHALL'S UTERINE CATHOLICON fortunately cured me, and I have no words sufficient to express my thankfulness

MRS. JULIA ANNE JOHNSON.

I can truly say that I have been a sufferer for many years with whites and deranged menstruation. After a while I had other troubles, such as pale face, indigestion, wasting away, general languor and debility, pain in the small of the back, a sort of aching and dragging sensation, pain between the shoulder blades extending down the spine, loss of appetite, trouble in the stomach and bowels, with cold hands and feet and dreadful nervousness. The least excitement would make me feel as if I should fly away. I tried doctors and drugs, and everything, one after the other, without the benefit of. One bottle of MARSHALL'S UTERINE CATHOLICON changed both of my symptoms for the better, and now I am entirely and radically cured. I recommend every woman could know what it will do. CLARISSA OBEN.

For a long time I had Uterine complaints with the following symptoms: I was nervous, consistent and irritable; I seemed to abound in the complaint, some of which I will try to tell you; pain in the lower organs, and a feelings as if something was going to fall out; inability to walk much on account of a feeling of fullness, aching and dragging, and shooting pains in the back, loins, and extending down the legs; the sinking produced by riding caused great pain; spasmodic shootings and pains in the side, stomach and bowels, headache, with ringing in the ears; every fiber of the body seemed sore; great irritability; intense nervousness. I could not bear the least excitement without being prostrated for a day; I could scarcely move about in the house, and did not take pleasure in anything. I had given up hope, having tried everything as I supposed, in vain, but a friend called it took it, hoping against hope. Most fortunately it cured me and there is not a healthier or more grateful woman in the country. I trust all will use it. It is truly the woman's friend in need.

MRS. FLORENCE LESLIE.

MARSHALL'S UTERINE CATHOLICON will arrive by cure Falling of the Womb, Whites, Suppressed, Irregular or Painful Menstruation, Bloating, Inflammations and Ulceration of the Kidneys or Urinary Organs, Retention or Incontinence of Urine, Hurrburn, Chronic Diarrhœa, Worms, Fistulas, Palpitations, Cramps, Disturbed Sleep, and all trouble organic or sympathetic, connected with the Uterine organs.

The price of Marshall's Uterine Catholicon is One Dollar and a Half per staple bottle. On the receipt of six dollars five bottles shall be sent by express, free of charge, to the end of the express route.

Be particular to write the post office address, town, county and State. We will guarantee that the Medicine will be sent accordjy of the money. Address

JOY TO THE ADMIRERS OF

A FINE HEAD OF

RICH GLOSSY HAIR.

Talk of beauty, it cannot exist without a fine head of hair, then read the following, and if you ask more, see circular around each bottle, and so much for truth.

PROFESSOR WOOD'S HAIR RESTORATIVE.—We call the attention of all old and young, to this wonderful preparation, which turns back to its original color, gray hair—restores the head of the bald with a luxuriant growth—removes the dandruff, itching, and all cutaneous eruptions—causes a continual flow of the natural fluids and hence, if used as a regular dressing for the hair, will keep it from falling to extreme old age, in all its natural beauty. We call them upon the bald, the gray, or diseased in scalp to use it; and surely the young will use it, as they take the flowing locks, or the witching curl, ever be without it. Its praise is upon the tongues of thousands.

The Agent for Prof. Wood's Hair Restorative in New Haven, received the following letter in regard to the Restorative, a few weeks since:

DEEP RIVER, Conn., July 23, 1856.

MR. LEAVENWORTH—Sir: I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out, scurf and hair together. I was in the habit of using your about "Wood's Hair Restorative" as a cure. I called at your store on the first of April ultimo, and purchased one bottle to try it, and I found to my satisfaction it was all you claimed it to be. I found the scurf and hair began to grow, it is now two or three inches in length where it was all off. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this. I don't know as any of the kind is used in this place, you may have a market for many bottles after it is known here.

Yours, with respect,

RUFUS PRATT.

PHILADELPHIA, Sept. 10, 1856.

PROF. O. J. WOOD—Sir: You are about to manufacture and vend your recently discovered Hair Restorative, with which I will state for whomsoever it may concern, that I have used it and known others to use it—that, I have, for several years, been in the habit of using other Hair Restoratives, without the benefit. If any years vastly superior to any other I know. It entirely cleanses the head of dandruff, and will, in one month's proper use will restore any person's hair to the original purity of color and texture, giving it a healthy, soft and glossy appearance; and all this, without discoloring the hands that apply it, or the dress on which it drops. I would, therefore, recommend its use to every one desirous of having a fine color and texture to hair.

Respectfully, yours,

WILSON KING.

GAS FROM ROSIN OIL

OR COAL.

FATTY FLUID MATERIAL.

THE HIGH ILLUMINATING PROPERties from Rosin and oleaginous substances for sale at the Rosin Refinery of the Pittsburgh Petroleum Co., on Liberty street, Pittsburgh.

The great original cost of the apparatus for the manufacture of coal gas together with the attention and expenses constantly required, and the difficulty of not frequently of entirely separating the ammoniacome, deleterious and offensive gases generated in coal, render the ROSIN OIL APPARATUS cheaper and more desirable in every way.

ADDRESS, 256 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the public to his improved Rosin Oil Gas Machine.

Perfect satisfaction to the purchaser guaranteed in every case. For further information address

Medical.

THE FOLLOWING REMEDIES are offered to the public as the best, most perfect, which medical science can afford. AYER'S CATHARTIC PILLS have been prepared with the utmost skill which the medical profession of this age possesses, and their effects show they have virtues which surpass any combination of medicines hitherto known. Other preparations do more or less good; but this cures such dangerous complaints, so quick and so surely, as to prove an efficacy that no one can withstand. No matter what disease may have fastened its fangs upon the system, this will expel it. Although suffering from the severest forms of scrofula, and with every symptom of approaching consumption, he has stopped his cough and made his breathing easy, his sleep sound and refreshing at night; his appetite returns, and with it his strength. The dart which pierced his side is broken, and the nearly every neighborhood can be found which has not some living trophy of the efficacy of this antidote for the poison which was sent forth from the Cherry Pectoral. Its unparalleled success does not end here. Nay, it accomplishes more by preventing than cure. The community has learned that a trivial cold, if allowed to settle on the lungs, will find in them a congenial soil, and there it will grow and fasten its fangs deeper and deeper into the vitals, until the victim is beyond the reach of human skill. Nothing can be more certain than the fact that a cold can be cured in its first stage by the CHERRY PECTORAL, if taken in season. Every family should have it by them, and they will find it a valuable protection from the insidious prowler which carries off the parent sheep from many a flock, the darling lamb from many a home.

Authenticated testimonials of these facts, with directions for the treatment of each complaint, may be found in AYER'S AMERICAN ALMANAC, which we publish three millions, and distribute gratis, and also for sale by all the agents named below.

Druggists and dealers in medicine generally have them for distribution gratis, and also for sale these three remedies. DR. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass.

THE LIVER

INVIGORATOR!

PREPARED BY DR. SANFORD,

Compounded Entirely from GUMS,

IS ONE OF THE BEST PURGATIVE AND LIVER MEDICINES now before the public, that acts on the stomach, easier, milder, and more effectual than any other medicine known. It is the only perfect remedy for *Liver remedy*, acting first on the *Liver* to reject its morbid matter, thus accomplishing two purposes effectually, without one of the principal feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is the key of the whole human body, and when the powers of the system are in almost entirely dependent on the *Liver* for the proper performance of its functions; and, the bowels system suffers in consequence. Nothing ceased to do its duty, can, of the repletion or practice of more than twenty years, be found to counteract it as the Liver.

BILLIOUS ATTACKS

Sanford's Liver Invigorator, prevented, by Liver Invigorator.

One dose after eating is sufficient to prevent the food from turning sour on the stomach.

Only one dose taken at night, will cure the worst case of *Sick Headache.*

One dose taken for fever and ague, will cure the worst case.

Only one dose is required for *Colic.*

One dose often repeated will cure *Cholera Mor
