JOY TO THE ADMIRERS OF

A FINE HEAD OF

RICH GLOSSY HAIR.

Talk of beauty, it cannot exist without a fine head of hair, then read the following, and if you ask more, see circular, to be had gratis, and no one can doubt.

PROFESSOR WOOD'S HAIR RESTORATIVE.—We call the attention of all bald and young, to this wonderful preparation, which turns back to its original color, gray hair—restores a head of the bald with a luxuriant growth—removes the dandruff, scurfiness, and all extraneous matter, causes a continual flow of the natural fluid; and hence, if used as a regular dressing for the hair will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call them upon the bald, the gray, or diseased scalp to make a trial and see how quickly they will not, as they value the flowing locks, or the witching curl, ever be without it. Its praise is upon the tongue of thousands.

The Agent for Prof. Wood's Hair Restorative in New Haven, received the following letter in regard to the Restorative, a few weeks since:

DEER RIVER, Conn., July 22, 1856.

MR. LALLYENDYKE—Sir: I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out, scurf and hair together. I saw in a New Haven paper about "Wood's Hair Restorative" as a cure. I called at your store on the first of April last, and purchased one bottle to try it, and I found to my satisfaction it was the thing; it removed the scurf and hair began to grow, it is now two or three inches in length where it went off. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this. I don't know as any of the kind is used in this place, you may have a market for many bottles after it is known here.

Yours, with respect,

RUFUS PRATT.

PHILADELPHIA, Sept. 10, 1856.

PROF. WOOD—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back of my head almost lost its covering—in fact BALD. I have used but two half pint bottles of your Restorative, and now the tip of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think many others can try it.

Yours, respectfully,

D. B. THOMAS, M. D., No. 464 Vine st.

VINCENNES, IND., June 22, 1853.

PROF. O. J. WOOD—As you are about to manufacture and vend your recently discovered Hair Restorative, I will state for whomsoever it may concern, that I have used it and known others to use it—that, I have, for several years, been in the habit of using your Hair Restoratives, and that I find yours vastly superior to any other I know. It entirely abates the head of dandruff, and with one month's proper care and texture, giving it a healthy, soft and glossy appearance; and all this, without discovering the hands that apply it, or the dress on which it drops. I would, therefore, recommend its use to every one desirous of having a fine color and lasting hair.

Respectfully, yours,

WILSON KING.

Medical.

THE FOLLOWING REMEDIES are offered to the public as the best, most perfect, which medical science can afford. AYER'S CATHARTIC PILLS have been prepared with the utmost skill which the medical profession of this age possesses, and their effects show they have virtues which surpass any combination of medicines hitherto known. Other preparations do more or less good; but this cures such dangerous complaints, so quick and so surely, as to prove an efficacy and a power to uproot disease beyond any thing of the kind we have known before. By removing the obstructions of the internal organs and stimulating them into healthy action, they renovate the fountains of life and vigor, —health comes once more through the body, and the sick man is well again. They are adapted to disease, and disease only, for when taken by one in health they produce but little effect. This is the perfection of medicine. It is autagonistic to disease, and no more. Tender children may take them with impunity. If they are used they will cure them, if they are well they will do them no harm

Give them to the sorrow-stricken, and new life and buoyant health will follow. Those who have been prostrated with a lingering sickness, so that the slightest exertion was a burden, and existence itself was scarcely endured, have been restored to health and happiness by the use of these Pills, and made to rejoice in the midst of friends and kindred, that they were ever born. Dyspepsia, with its whole train of symptoms, nausea at the sight of food, wind on the stomach, pain in the side, indigestion, dizziness, drowsiness after meals, and a thousand distressing symptoms, which are the offspring of this complaint, are speedily relieved by a dose or two of these Pills, and a perseverance in their use for a short time effects a cure. Minute directions are given in our pamphlet, which we desire everybody to have, who is afflicted with any of the following complaints, which these Pills will speedily cure:

Dyspepsia or Indigestion, Headache, Piles, Flatulency, Loss of Appetite, Biliousness, Jaundice, Dropsy, Dysentery, Foul Stomach, Nausea, Pain in the Stomach, Colic, Worms, Erysipelas, Scrofula or Kings Evil, Neuralgia, Gout and kindred complaints, Rheumatism, Pain in the Side, Female Irregularities, which these Pills rapidly cure. Take them perseveringly, and under the counsel of a good Physician if you can; if not, take them judiciously by such advice as you may find within. Many, very many, are the testimonials in which ardent so many millions of the human race, who cast with the devils of old—they must burrow in the brutes and in the sea.

Through a trial of many years and through every nation of civilized man, AYER'S CHERRY PECTORAL has been found to afford more relief in pulmonary complaints than any other remedy known to mankind. Cures and thousands of sufferers who were deemed beyond the reach of human aid have been restored to their friends and the world again. They are adapted to the most dangerous and distressing forms of pulmonary disease, as well as to the milder varieties of the same complaint. Where the lungs are not entirely disorganized, and the patient has not sunk into the last stage of Consumption, this remedy will cure the most desperate cases of Coughs, Colds and Consumption, and has done so in numerous instances, unsurpassed. The "IRON CITY" comes next, and is a powerful tonic, being extended her full length, giving her first class Passenger accommodations, and appointed with new and splendid Fast-Sailing Low-Pressure Steamers
