Pittsburgh Gazette.

DETURN LANGE OF THE HOLD AND A CONTROL OF TH of the "old gentleman of the White-house"? Is a share of new iron to fill American contracts at he one of the "relvet footed toadics" referred to by Occasional, or does he fill the position of a gentleman out of livery—a sort of avant courrier to the royal household? Mr. Buchanan possesses too much of the feeling of "old school aristoracy" to elevate him to the post of travelling companion, we are sure, and hence our curiosity to know procisely what he is. When curiosity to know procisely what he is. When consequence in the same of the wiron to fill American contracts at towns of Switzerland, one to three. Sin Firznor Kelly, British Autorney-General, aged 61, has just scandalized the fashionable world of Regland by avowing his marriagesome time age with his dairy-maid. The fact has been concealed until further concealment was impossible, the lady having presented him with a son heir, to the intense diagust of his only child by his first marriage—a daughter—who is herself married, and has a share of new iron to fill American contracts at towns of Switzerland, one to three.

Sin Firznor Kelly, British Autorney-General, aged 61, has just scandalized the fashionable world of Regland by avowing his emarriagesome time age with his dairy-maid. The fact has been concealed until further concealment was impossible, the lady having presented him with a son heir, to the intense diagust of his only child by his first marriage—a daughter—who is herself married, and has a share of new iron to fill American contracts at towns of Switzerland, one to three.

Sin Firznor Kelly, British Autorney-General, aged 61, has just scandalized the fashionable world of Regland by avowing his emarriagesome time age with his dairy-maid. The fact has been concealed until further concealment was impossible, the lady having presented him with a son heir, to the intense diagust of his only child by his first marriage. An advance of the concealed in the same of the world of Regland by avowing his marriagesome time age with his dairy-maid. The fact the President journeyed to Washington, pre- nations so far as made are as follows: vious to his inauguration, this chevalier distinguished himself by kicking boys from the car platformand proclaiming to passengers and bystand 3. Jas. Hughes, ers that the car was reserved expressly for Mr. Buchanan and himself. Was this "service" no-gessary in the recent royal visit to Bedford?

It is announced that the guests, including 11. J. R. Coffroth, Buchanan and himself. Was this "service" necessary in the recent royal visit to Bedford? 'velvet footed toadies," will honor Bedford with a sojourn of two weeks. It is a pity the President did not arrive a few days sconer, when candidates are Republicans. he might have witnessed the display of fire works, in which the name of another and a Missouri-Votes to-day, and the contest

the diseased optics of our worthy Chief be surprised to hear of his defeat. The candi-THE Richmond South has no confidence in the 1. J. R. Barrett, proferred frieudship of the "Nationals" who reside in the North, and for a most excellent 3. John B Clark, reason. That journal very pertinently says .\_\_\_\_\_ Spraig, Adams, "We have no confidence in any man north of Mason and Dixon's line. They cannot be our friends and be honest. The interests of the two sections are antagonistic. The northern man 7. J. W. Noel,

sections are antagoniatio. The interests of the two sections are antagoniatio. The northern man, who goes for our interests necessarily goes against the interests of the North—his country; and we can have no confidence in a traitor, no matter how high his price."

Our doughfaces should lay the above to heart. Mr. Bigler who has made so many lachrymose appeals to his Southern brethern in regard to the sufferings which he is compelled to undergo in the North, can see how his allies despise him, in their secrets soils, for his "services."

The Richmond Enquirer does not conceal its aversion to men born on the soil of Virginis, who ever entertained a feeling hostile to the institution of Slavery. Like its neighbor, the South, it requires a life-time devotion to slavery as a test of arther the case a life-time devotion to slavery as a test of arther the case a life-time devotion to slavery as a test of arther the case a life-time devotion to slavery many the complete of the concess and the commissioners, and who had evacuated all the positions round the Canes, leaving only the control of the concess of the control of the concess of the carried off.

The insurgent Christians of the concess of

as a test of ortification. Whe is an application of the control of

only a few years ago?

Karsas.—This is the day of trial in Kansas.
To-day the English swindle is to be voted on, and the administration expresses a confidence of carrying the swindle through. How, we cannot tall: but as public opinion in the terri-

and the administration expresses a confidence of carrying the swindle through. How, we cannot tell; but as public opinion in the territory is decidedly the other way, it is plain it is true, is a strong one—the best of lands in, the State, for school and rail road and other public purposes, that their taxes may be lightened foreare, if they will only accept the Locomyton Constitution. If they will not be of indeed to the State will not be of the Claim of the Claim of the United States sufficed was sent to the United States and the survey learn when he desired to the State will not be of the value of the constitution, when he had not included this desired, and the popule that first, the case is the popule that first, the case is the desired of the State will not be of the value of the case in the propose that first, the case is the constitution, and the constitution of the value of the case is about \$60,000^\circ. This segar was comingned to the Union for several years. When those several years have passed, the choice lands in the propose that first, which he constitution, the Wash is a solid to the State will not be of the value of the Case in the propose that first, the case is the constitution of the value of the constitution, which he help is the coal of the beave, and in a some cases, the coal of the beave, and in a some case, and the proble that first, the case is the coal of the section of the stream of the relation of the relation, would be Addright heaving the coal of the section of the stream of the relation of the section of the of the Lecompton Constitution, into the hands of the nemies of that Constitution, into the hands of the enemies of that Constitution, giving the Free Soilers two United States Sonators and a fleet to those of the Hon. Thomas Corwin will be gratified to learn that the Hon. Thomas Corwin will be heard on the sump this fall, in support of the people, if they will but bow down and acquisace in the legality and regularity of a thisving attempt to deprive them of their rights; if they will only refrain from branding Lecompton with the scorching searlet letter of sheims becoming it.

Lecompton with the scorching searlet letter of same begoning it.

The indications of popular sentiment, however, are all against the bribe; and if the people have a fair show, we anticipate its overwhelming defeat.

Ohno.—The Locofoco State Conventions dopted resolutions endorsing Buchanan, Lecompton and the Dred Scott decision; and gave Douglas the Bred Scott decision; and gave Douglas the go-by. The Douglas men were a mere handfal and made no show of realistance. The Conventions of the Columbia river, some fifty riskly increasing, no one can have a doubt who observes the "signs of the times." We have just heard of a most revolting instance of it, which recently took place is Warvick township, which recently took place is Warvick township, and saded in the death of one of the parties.
