As a matter of course, the general conduct of such a convention was in all respects dis-creditable. It was most morifying to see the venerable and honorable Judge Witkins island-ing alone and unsupported, surrounded by a parcel of fellows braying thomselves hoarse to drown his manly voice, and treating his gray hairs with the utmost contempt. He tried tobe heard, but they would not let him. The treat-ment he received was most outrageous and un-mauly. Gibson laughed mockingly in his face, and an upstari youth who was in the chair-i wo-reat old locfore, who was a Whice in 1855

two-year old locofoco, who was a Whig in 1854 and a Know-Nothing in 1855-ruled him out of Deduct Redemption Debt.....

The nominee for Senate is a very clever man, but is acknowledged to have no chance, and was nominated as a matter of form merely. The Assembly ticket is a very weak one.— Ford. This was a part of the or ability on it. Ass correspondent of ourspredicted thenomina-tion for Sheriff has fallen to the lot of Barnes Ford. This was a part of the arrangement with the Tom Williams clique. Ford is the broth the faller and is Government would not be wanting in its obligations to her. The candidate for Prothonotary was defeated before the democratic convention of last year, by Phillips, in the race for Clerk of the Courts.
