These Scales have been subjected to the SEVEREST TESTS on all the principal Railroads in the United States and England, and in every branch of business throughout the world, and their uniform accuracy and great durability have gained for them the reputation of being THE STANDARD SCALES IN USE WITHOUT APPEAL.

We are prepared to fill orders for Counter, Portable, Dormant, Rolling Mill, Hay, Coal, Railroad and Canal Scales, at MANUFACTURERS' PRICES.

HUSSEY & WELLS,
No. 325 Liberty Street, Commercial Row,
se17-1yd Pittsburgh, Penna.

REASONS for buying at home in place of going East:

1st. We sold Cherry Trees last fall at from 31 to 40 cents that they charged 50 to 75 cents for. Apple (20 class) 12½ that they charged 17 for. Peach at 12½ that they charged 25 for, and other things in proportion.

2d. You can have them planted a few hours after they are taken up, while the peddlars' trees have weary hours to pass on canals and at railroad depots before they reach the planter.

3d. If mistakes occur a proprietor is still about to correct them, but a peddlar, where is he?

With the Screw Steamers MINERAL ROCK, and GEN. TAYLOR, sailing THREE BOATS leaving Cleveland EVERY WEEK through the season.

The "CITY OF CLEVELAND" and "ILLINOIS" have been fitted up expressly for the traveling public; being so built as to combine all the speed, accommodations, and appointments, UNSURPASSED. The "IRON CITY" comes out completely renovated; her Cabin being extended her full length, and fitted in first class Passenger accommodations, while her Freighting facilities—with the "MINERAL ROCK" and "GEN. TAYLOR"—are admirable.

For a Pleasure Trip, the Upper Lakes are becoming each succeeding season more popular; none affording the tourist, with his family, more healthful pleasure, or finer scenes. Leaving Cleveland, the traveller passes over Lake Erie, through the beautiful rivers Detroit, St. Clair and St. Mary's, and over Lakes St. Clair, Huron and Superior passing the Island of Mackinac, and the Pictured Rocks; visiting Marquette, Portage Lake, Copper Harbor, Eagle River, Ontonagon, La Point, Bayfield, and Superior City, with many other localities of interest giving the scientific and enterprising excursionist opportunities for visiting Copper and Iron Mines; the seaser of health the cool and bracing climate, and attractive scenery; and the sportsman and lover of the romantic, the most inviting facilities for fishing and exploring.

The Steamers make the round trip in eight days. Rooms for any of the trips can be secured by addressing

Medical.

THE FOLLOWING REMEDIES are offered to the public as the best, most perfect, which medical science can afford. DR. AYER'S CATHARTIC PILLS have been prepared with the utmost skill which the medical profession of this age possesses, and their effects show they have virtues which surpass any combination of medicines hitherto known. Other preparations do more or less good; but this cures such dangerous complaints, so quick and so surely, as to prove an efficacy and a power to uproot disease beyond any thing which man have known before. By removing the obstructions of the internal organs and stimulating them into healthy action, they renovate the fountains of life and vigor, —health comes anew through the body, and the sick man is well again. They are adapted to disease, and disease only, for when taken by one in health they produce but little effect. This is the perfection of medicine. It is as unanimistic to disease, and so mere. Tender children may take them with impunity. If they are sick they will cure them, if they are well they will do them no harm.

Give them to some patient who has been prostrated with bilious complaint: see his best-up, tottering form straighten with strength again; see his long lost appetite return; see his clammy features blossom into health. Give them to some sufferer whose foul blood has burst out in scrofula till his skin is covered with sores; whe stands, or sits, or lies in anguish. Behas been drenched inside and out with every potion which ingenuity could suggest. Give him these Pills, and mark the effect; see the scabs fall from his body; see the new, fair skin that has grown under them; see the late leper that is clean. Give them to him whose angry humors have planted rheumatism in his joints and bones; have him tell his screeches with pain: he too has been soaked through every muscle of his body with liniments and salves; give him these Pills to purify his blood; they may not cure him, for sometimes cases which no human power can reach; but mark, he walks with crutches now, and next week he walks alone; they have cured him. Give them to the lame, sore, haggard dyspeptic, whose gnawing stomach has long ago eaten every smile from his face and every blush from his body. See his appetite return, and with it his health; see how sound and strong he has been made; see health and loveliness blasted and too early withering away; vent of carelessness, neglect, scarcity of the liver, counteracted the disease, has deranged the internal organs of digestion, assimilation or secretion, till they do their office ill. Her blood is vitiated, her health is gone. Give her these Pills to stimulate the vital principal into renewed vigor, to cast out the obstructions, and infuse a new vitality into the blood. Now look again—the roses blossom on her cheek, and where lately sorrow sat joy bursts from every feature. See these sweet children wasted with worms. Its wan, sickly features tell you without diagnose, and painfully distinct, that they are eating its life away. Its pinched up nose and eyes, and restless sleep, tell the dreadful truth in language which every mother knows. Give it the Pills in large doses to sweep these vile parasites from the body. Now turn again and see the ruddy bloom of childhood. Is it nothing to do those things? Nay, are they not the marvel of this age—and yet they are done around you every day.

Have you the less serious symptoms of these distempers, they are the easier cured. Jaundice, Costiveness, Headache, Sickness, Heartburn, Foul Stomach, Nausea, Pain in the Bowels, Flatulency, Loss of Appetite, King's Evil, Neuralgia, Gout, and kindred complaints all arise from the derangements which these Pills rapidly cure. Take them perseveringly, and under the council of a good Physician if you can; if not, take them judicially by such advice as we give you, and the distressing, dangerous diseases they cure, which affect so many millions of the human race, are cast out like the devils of old—they must burrow in the brutes and in the sea. Price 25 cents per box—5 boxes for $1.

Through a trial of many years and through every nation of civilized men, AYER'S CHERRY PECTORAL has been found to afford more relief and to cure more cases of pulmonary disease than any other remedy known to mankind. Cases of apparently settled consumption have been cured by it, and thousands of sufferers who were deemed beyond the reach of human aid have been restored to their friends and usefulness, to sound health and the enjoyments of life, by the timely use of this powerful antidote to diseases of the throat. Here's a cold had settled on the lungs. The dry, hacking cough, the glassy eye, and the pale thin features of the victim whose life is sinking, whisper to all but him of his approaching doom. He is taking the Cherry Pectoral for strengthening and healing the lungs. Now the cough is loosened, night sweats cease, and with it his appetite returns, and with it his strength. The dart which pierced his sides is broken.—Scarcely any neighborhood can be found which has not seen living proofs like this to shadow forth the triumphs which have won for the Cherry Pectoral an imperishable renown. But its wonderful cures are not confined to here. Nay, it does more by prevention than cure. The countless colds and coughs which it cures are the seed which would have ripened into fatal harvest of incurable diseases. Influenza, Croup, Bronchitis, Hoarseness, Pleurisy, Whooping Cough, and all irritations of the throat and lungs are promptly cured by this Cherry Pectoral, if taken in season.—Every family should have it by them, and they will find it a priceless boon. Its influence is like a guardian angel that carries off the parent sheep from many a flock, the darling lamb from many a home.

The Subscriber makes the round trip of these facts, with directions for the treatment of each complaint, may be found in Ayer's American Almanac, of which we publish three millions, and scatter them broadcast over the earth, in order that the sick everywhere may have before them the information it contains. Prepared and sold by Druggists in medicine generally, who will be found them for distribution gratis, and also for sale those remedies, prepared by DR. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass.

THE LIVER

INVIGORATOR!

PREPARED BY DR. SANFORD,

Compounded Entirely from GUMS,

IS ONE OF THE BEST PURGATIVE AND LIVER MEDICINES now before the public, that acts as a *Cathartic*, *tonic*, mildar, and more effectual than any other medicine known. It is not only a *Cathartic*, but the *Liver* remedy, acting first on the *Liver* to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most *Cathartic* medicines. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body, and when it the powers of the system are in almost entirely dependent on the *Liver* for the proper performance of its functions. When any system suffers in consequence of any derangement of the *Liver*, one of the best remedies to be used is a *Cathartic* medicine, to counteract the ill effects.

To prove that the *Liver Invigorator* is the best *Cathartic* in any effects ever known, has but to try a bottle, and the testimony of the disease, whole machinery removing effecting a radical cure.
