They first met on Wednesday morning last at Bridgeport, when they adjourned over until this morning. To-day they sgain commenced, and balloted several times, with the same result. The candidates are Messra. Fisher, of York county Abl., of Cumberland county, and M'Intyre, of Porry County. Each have the conference of their respective counties. They moet again to-morrow for balloting, and some of the conference appress their determination to leave in the evening whether the nomination is made or not. It is generally believed, however, that the nomination will be made to-morrow. The meeting has created considerable excitement among the politicians generally.
